Hints to Horse-keepers BoD – Books on Demand

Excerpt from Handy Horse Book: A Manual for Every American Horse-Owner These six modifications of the horse type are all sufficiently distinct to be regarded as separate species. They are not so widely separated but that each will interbreed with any of the others, but the produce of such interbreeding is in every case a true hy brid; that is, incapable of perpetuating its kind, although there are some instances of female mules breeding with males of either the horse or the ass.
