The Chainsaw Operator's Manual is an essential safety tool for chainsaw operators. It is the ultimate guide to basic chainsaw operating techniques covering safety, maintenance and cross-

cutting, but not tree felling. Detailed diagrams illustrate horizontal, vertical and boring cuts, as well as trimming and cross-cutting techniques. Safety considerations are discussed, including workplace safety, occupational hazards, kick-back and identifying dangerous trees. An explanation of the 'tension' and 'compression' forces in timber is also provided to help you understand where to begin cutting to avoid jamming the saw. The book covers chainsaw maintenance in detail, explains all aspects of the equipment and helps you select the right chainsaw and personal protection equipment for your needs. Trouble-shooting charts are included to help you solve operating problems. This manual has been updated to take into account the most recent changes in nationally accredited competency standards. It is a must-have for anyone operating a chainsaw.

Who is the Roundabout Man? He doesn't look like a tramp, yet he lives on a roundabout in a caravan and survives on the leftovers from a nearby motorway service station. He calls himself Quinn, the name of a boy in a world-famous series of children's books, but he's nearer retirement than childhood. What he hopes no one will discover is that he's the real Quinn, immortalised as a child by his mother in her entrancing tales about a little boy's adventures with his triplet sisters. It is this inheritance he has successfully run away from - until now. When Quinn's reclusive existence is invaded, he has to turn and face his past, and all the uncomfortable truths it contains about himself, his sisters and, most of all, his mother.

A permaculture expert and popular YouTube Homesteader shares the skills and the delights of becoming a part of your own food story in this inspiring, accessible, and beautiful invitation to a more abundant, healthy, and connected life. Have you ever wanted to experiment with growing your own food but didn't think you had the space, the time, or the knowledge? Justin Rhodes thought the same thing—until after years battling systemic illness and struggling to provide the kind of wholesome food he wanted for his family, he bought a seed packet at the grocery store and was hooked! Justin discovered the miraculous potential and empowerment of working with nature to grow food for his family, and since that discovery, he has shared his self-taught skills with hundreds of thousands of growers via his popular YouTube channel and website. Whether you're looking for greater food security, better health, tastier food, to save or earn money, connect with your food source, this book is for you. If you're looking for a different kind of life—a life focused on health and wellness—take a look down the road less traveled. Looking for every opportunity to pass his hard-earned knowledge onto others, Justin Rhodes created this inspiring and practical invitation to growing your own food and experiencing a more connected, sustainable lifestyle, no matter where you live or how much space you have. Filled with beautiful and inspiring photographs from the Rhodes' homestead and chock full of resources, including gardening plans, everything you need to know about raising

chickens, tips for how to get your kids involved, and even recipes for how to serve up your home-grown goodness, *The Rooted Life* provides you with the inspiration, the encouragement, and the practical wisdom that you need to begin the journey to a more rooted life.
