Paul Downes combines literary criticism and political history in order to explore responses to the rejection of monarchism in the American revolutionary era. Downes' analysis considers the Declaration of Independence, Franklin's autobiography, Crèvecoeur's Letters from an American Farmer and the works of America's first significant literary figures including Charles Brockden Brown, Washington Irving and James Fenimore Cooper. He claims that the post-revolutionary American state and the new democratic citizen inherited some of the complex features of absolute monarchy, even as they were strenuously trying to assert their difference from it. In chapters that consider the revolution's mock execution of George III, the Elizabethan notion of the 'king's two bodies' and the political significance of the secret ballot, Downes points to the traces of monarchical political structures within the practices and discourses of early American democracy. This is an ambitious study of an important theme in early American culture and society.

Do your desires have you going around in circles? You may be looking for fulfillment in all the wrong places. You vowed you'd never repeat the same mistakes—yet you find yourself right where you started. What is it that keeps drawing you back into the same old traps? The fact is, your longings are built from the blueprint of your needs: for protection, for love, for God. And those needs aren't going anywhere. Sheila speaks candidly about the trials in her life, including the heartache of her first marriage, and intertwines her story with the biblical saga of King David. As both Sheila's and David's stories make clear, some cravings are misguided, but they all stem from the same hunger—and they will haunt you until that hunger gets satisfied properly. If you keep reaching out to the wrong people at the wrong times in your own life, The Longing in Me will help you understand that your cravings are not the problem. It's where they lead you that makes all the difference.

“ James Whiteside is an electrifying performer, an incredible athlete,

and an artist, through and through. To know James is to love him; with Center Center, you are about to fall in love. ” —Jennifer Garner “ A frank examination and celebration of queerness. ” —Good Morning America A daring, joyous, and inspiring memoir-in-essays from the American Ballet Theatre principal dancer-slash-drag queen-slash-pop star who's redefining what it means to be a man in ballet There's a mark on every stage around the world that signifies the center of its depth and width, called "center center." James Whiteside has dreamed of standing on that very mark as a principal dancer with the prestigious American Ballet Theatre ever since he was a twelve-year-old blown away by watching the company's spring gala. The GLAMOUR. The VIRTUOSITY. The RIPPED MEN IN TIGHTS! In this absurd and absurdist collection of essays, Whiteside tells us the story of how he got to be a primo ballerino—stopping along the way to muse about the tragically fated childhood pets who taught him how to feel, reminisce on ill-advised partying at summer dance camps, and imagine fantastical run-ins with Jesus on Grindr. Also in these pages are tales of the two alter egos he created to subvert the strict classical rigor of ballet: JbDubs, an out-and-proud pop musician, and Ühu Betch, an over-the-top drag queen named after Yoo-hoo chocolate milk. Center Center is an exuberant behind-the-scenes tour of Whiteside's triple life, both on- and offstage—a raunchy, curious, and unapologetic celebration of queerness, self-expression, friendship, sex, creativity, and pushing boundaries that will entertain you, shock you*, inspire you, embolden you . . . and maybe even make you cry. *THIS IS NOT A BOOK FOR CHILDREN.
