Natasha Collins is the owner of the legendary boutique cake-making company Nevie-Pie Cakes, known for supplying high-profile brands, celebrity clients, and individuals with delicious, decadent pastries. In *The Painted Cake*, Natasha reveals how party-throwers and pastry lovers can create incredible treats in their own homes using fondant painted with edible colors. Thirty recipes are presented for cakes, cookies, and cupcakes, and a wealth of carefully-selected designs range from classic to contemporary, quirky to lushly romantic, and include ones appropriate for all types of parties and levels of festivities—casual gatherings to gala events. Brightly and beautifully designed in the spirit of Natasha's creations, *The Painted Cake* is a gorgeous four-color volume with exquisite images on every page. Chapters open with elegant two-page spreads. Easy-to-follow instructions are paired with high-quality step-by-step photographs and finished product shots. Handmade watercolor illustrations on pages throughout exemplify and complement the painted pastry designs. The instructions in this unique, delightful, and inspiring volume encompass ones for cooking, constructing, and painting baked goods, from single-level to multi-tiered cakes, as well as more everyday cupcakes and cookies. Templates, advice on painting techniques and assembly, and detailed information on materials and equipment are also included, and each project is graded from simple to advanced. With *The Painted Cake*, anyone, even absolute beginners, can transform delectable treats into visually-stunning, edible art. This is both a remarkably beautiful, one-of-a-kind book to display, and a hands-on manual to return to again and again. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

The 21CTP is a cooperative research and development (R&D) partnership including four federal agencies—the U.S. Department of Energy (DOE), U.S. Department of Transportation (DOT), U.S. Department of Defense (DOD), and the U.S. Environmental Protection Agency (EPA)—and 15 industrial partners. The purpose of this Partnership is to reduce fuel consumption and emissions, increase heavy-duty vehicle safety, and support research, development, and demonstration to initiate commercially viable products and systems. This is the NRC's second report on the topic and it includes the committee's review of the Partnership as a whole, its major areas of focus, 21CTP's management and priority setting, efficient operations, and the new SuperTruck program.
