A Gathering of Shades Hodder Children's Books

I hate the Harlequin boys. Fox, JJ, Chase and Maverick. The four names tattooed onto my heart more permanently than the ink on my skin. Once upon a time, they broke my heart, stole my life and sent me away from everything I'd ever known. But they don't just live in this town anymore, they rule it. And the view here may be beautiful, but the sun, sea and sand hide dark secrets. The gangs. The lies. The violence. It all lurks beneath a veil so thin that once you've seen through it, you can never close your eyes to the truth again. But I don't plan on closing my eyes. I have four devils set in my sights. And this dead girl no longer has anything to lose.

The People of Sparks Penguin

Into the fascinating, pungent setting of Blood and Bone Alley, home of leech, barber-surgeon, and apothecary, comes Matilda, raised by a priest to disdain worldly affairs and focus on spiritual matters. To Matilda's dismay, her work will not involve Latin or writing, but practical tasks: lighting the fire, going to market, mixing plasters and poultices, and helping Peg treat patients. She is appalled by the worldliness of her new surroundings, and the sharp-tongued saints she turns to for advice are no help at all. Filled with the witty dialogue and richly authentic detail that Karen Cushman's work is known for, *Matilda Bone* is a compelling comic novel about a girl who learns to see herself and others clearly, to laugh, and to live contentedly in this world. Author's note.
