THIS BOOK
REVEALS THE
CONSPIRACY BY
LEONARDO,
NEWTON,
GOETHE AND
OTHER
MEMBERS OF

THE INITIATE
TRADITION TO
INFLUENCE THE
COURSE OF
HISTORY BY
MAGIC. From the
dawn of history and
perhaps beyond a
small group of magi

working within a specific magical tradition have believed they have been influencing the course of history, guiding mankind towards higher levels of consciousness. Theirs is a reincarnationist philosophy and they believe that, as initiates of the highest order, they return in local groups at key moments to conspire to change the course of events. Whether or not their beliefs are right, whether or not their magical practices work in the way they believe, this book will prove that certain remarkable individuals, many of them famous in other areas, have undoubtedly held

these beliefs. Bestsellers such as **HOLY BLOOD**, **HOLY GRAIL** and **THE TOMB OF GOD** have been written by amateur historians trying to penetrate the veil of secrecy that surrounds this conspiracy; here for the first time an initiate of the order reveals the truth. **Belle** Random House
The theme of trust, betrayed or fulfilled, runs through this collection of short stories: Parents lead children into peril, husbands

abandon wives, wives manipulate husbands, and time undermines all. Love pangs, a favorite subject of the author, take on a new urgency as earthquakes, illnesses, lost wallets, and deaths of distant friends besiege his aging heroes and heroines. One man loves his wife's twin, and several men love the imagined bliss of their pasts;

one woman takes an impotent lover, and another must administer her father's death. Bourgeois comforts and youthful convictions are tenderly seen as certain to erode: "Man," as one of these stories concludes, "was not meant to abide in paradise." *Till We Meet Again* Penguin UK
