Olivia Chantry may leave her desk in disarray, but she's a business dynamo—and the success of her Seattle-based company, Light Fantastic, keeps her from dwelling on her crumbled marriage. When Olivia inherits 49 percent of Glow, Inc., her uncle's high-tech lighting firm, she butts heads with the interloper who bagged the other 51 percent: Jasper Sloan, a venture capitalist known as an orderly man with all his ducks in a row. Right from the start, the so-called partners nearly crash and burn—and can barely contain the sexual energy crackling between them. But when they discover a blackmailer uncovering secrets inside Glow, Olivia and Jasper's steamy joint venture faces the acid test of truth...and a need for absolute trust.
