Alex Hawke is tracking one of the world's most powerful villains high in the Swiss Alps. A powerful Swiss banker is found dead, frozen at the base of a soaring Alp. When a second man, the head of a rival banking empire, is found dead deep inside a mountain cave, MI6 suspects a bizarre conspiracy. Vast sums may have been plundered from

the Queen of England's accounts. The British royal family's centuries-old Swiss bank holdings are at risk, shaking the foundations of Her Majesty's government and the monarchy itself. Sir David Trulove, Chief of British Intelligence (MI6), tasks his most formidable weapon, Alex Hawke, with investigating the horrific murders. In Switzerland, Hawke and Ambrose Congreve of Scotland Yard are pulled into a tangled

web of international intrigue, deceit, and murder. China and Russia are the prime suspects, and these powerful forces will stop at nothing to protect their secrets. A mysterious figure known as "the Sorcerer" has long been rumored to reside within an impenetrable fortress inside a mountain complex in the Swiss Alps known as "White Death." Hawke must scale perilous heights and breach the fortifications at the top of the world...and

find the Sorcerer—or die trying. Includes a sneak preview from Patriot, the exhilarating new Alex Hawke adventure.

Dashing counterspy Alex Hawke must rescue a kidnapped American scientist as the United States and China move dangerously close to all-out nuclear war in this adrenaline-fueled thriller in the New York Times bestselling series that combines the hallmarks of Clive Cussler, Tom Clancy, Ian Fleming, and Daniel Silva. When an elderly professor at Cambridge is murdered, a victim of bizarre, ancient Chinese torture, Alex Hawke teams up with his Scotland Yard colleague and friend Inspector Ambrose Congreve to find the killer. But the death is only the opening move in a tense and lethal game of geopolitical

brinksmanship. In the United States the president has begun behaving strangely. Is his mental health deteriorating—or is there something far more sinister behind his questionable moves? The answer is crucial, for tensions are mounting between China, North Korea, and the U.S. And China has launched fighter jets and a mega submarine vastly more sophisticated than any seen before—military technology that leapfrogs anything the U.S. and Great Britain possess. With the situation edging toward an unthinkable abyss, Hawke must pull off his most daring mission yet: infiltrate the China and neutralize the source of their advantage . . . or risk witnessing World War III.

In this heart-pounding nautical action adventure, intrepid British intelligence operative Alex Hawke must thwart a secret, deadly alliance between China and France before they annihilate everyone and everything in their headlong rush towards world domination. Aboard the Star of Shanghai in the south of France, an American spy is held captive. He possesses vital, explosive intelligence linking two nations and one horrifying plot. If he is not rescued, he faces certain torture and inevitable death. In Paris, a ruthless descendant of Napoleon has risen to power, hell-bent on restoring France's former glory. His fiery ambitions are cynically stoked by a coterie of

cold-blooded Mandarins, plotting behind the gates of Beijing's Forbidden City. Cloaked in secrecy, this unholy alliance devises a twisted global plan, backed by China's growing nuclear arsenal, that will send America and the world to the brink of a gut-wrenching showdown. British secret agent Alex Hawke must prepare to hurl himself deep into the nightmare visions of madmen. He will need all his strength and courage to defeat this enemy or else forfeit the lives of thousands, including his own, to an axis of evil no historian could ever have predicted.

Unhappy is the story of happiness. More than two thousand years ago, when the ancient Greeks first pondered what constitutes "the good life," happiness was considered a civic virtue that demanded a lifetime's cultivation. Not just mere enjoyment of pleasure and mere avoidance of suffering, true happiness was an achievement, not a birthright. Now, in an age of instant gratification and infinite distraction, history professor Richard Schoch takes a refreshingly contemplative look at a question that's as vital today as ever: What does it

mean to be happy? Schoch consults some of history's greatest thinkers -- from Aristotle to Thomas Aquinas to Buddha -- in his quest to understand happiness in all its hard-won forms. Packed with three thousand years' worth of insights, many long forgotten, *The Secrets of Happiness* is a breath of ancient wisdom for anyone who yearns for the good life.

Putting it all on the line to rescue his kidnapped son pits counterspy Alex Hawke against Russian President

Vladimir Putin in this action-packed thriller from New York Times bestselling author Ted Bell. On a ski vacation in the Swiss Alps high above St. Moritz, Alex Hawke and his young son, Alexei, are thrust into danger when the tram carrying them to the top of the mountain bursts into flame, separating the two. Before he can reach Alexei, the boy is snatched from the burning cable car by unknown assailants in a helicopter. Meanwhile, high above the skies of France, Vladimir Putin is aboard his presidential jet after escaping a bloodless coup

in the Kremlin. When two flight attendants collapse and slip into unconsciousness, the Russian leader realizes the danger isn't over. Killing the pilots, he grabs a parachute, steps out of the plane . . . and disappears. Hawke has led his share of dangerous assignments, but none with stakes this high. To save his son, he summons his trusted colleagues, Chief Inspector of Scotland Yard Ambrose Congreve, former U.S. Navy SEAL Stokley Jones, Jr., and recruits a crack Hostage Rescue Team—a group of elite soldiers of fortune known as "Thunder &

Lighting." Before they can devise a rescue plan, Hawke must figure out who took his boy—and why. An operative who has fought antagonists around the globe, Hawke has made many enemies; one in particular may hold the key to finding Alexei before it's too late. But an unexpected threat complicates their mission. Making his way to "Falcon's Lair," the former Nazi complex created for Hitler, Putin is amassing an impressive armory that he intends to use for his triumphant return to Moscow. Only one man can smash the Russian president's plan for

domination—a master counterespymen when they were called the who will cross every line to save his son . . . and maybe save the world itself in the bargain.

The Comparative Survey of Freedom is an institutional effort by Freedom House to monitor the progress and decline of political rights and civil liberties in 191 nations and 59 related territories. These year-end reviews of freedom began in 1955,

Balance Sheet of Freedom and, still later, the Annual Survey of the Progress of Freedom. This program was expanded in the early 1970s, and has appeared in Freedom Review since 1973. It has also been issued in a more developed context as a yearbook since 1978. Since 1989, the Survey project has been a year-long effort produced by regional experts, consultants and human rights specialists. The Survey derives its information from a wide range of sources. Most

valued of these are the many human rights activists, journalists, editors and political figures around the world who keep us informed of the human rights situation in their countries.

Throughout the year. Freedom House personnel regularly conduct fact-finding missions to gain more in-depth knowledge of the vast political transformations affecting our world. During these week-to-month-long investigations, we make every effort to meet a cross-section of political parties and

associations, human rights monitors, religious figures, representatives of both the private sector and trade union movement, academics and journalists. During the past year. Freedom House staff traveled to numerous countries throughout most of the world's geographical and political regions. The Survey project team also consults a vast array of published source materials, ranging from the reports of other human rights organizations to often rare, regional newspapers and magazines. This

year's Survey team includes: Adrian Karatnycky, Martin Edwin Anderson, Kristen Guida, Marshall Freeman Harris, Thomas R. Lansner, Arch Puddington, Leonard R. Sussman, and George Zarycky. The general editor of Freedom in the World is Roger Kaplan; the managing editor is Tara Kelly. This year's research coordinator was Charles Graybow. *Investigating Iwo* Simon and Schuster From the celebrated imagination of Dean Koontz comes a powerful reworking

of one of the classic stories of all time. If you think you know the legend, you know only half the truth. Here is the mystery, the myth, the terror, and the magic of . . . Every city has its secrets. But none as terrible as this. He is Deucalion, a tattooed man of mysterious origin, a sleight-of-reality artist who has traveled the centuries with a secret worse than death. He arrives in New Orleans as a serial killer stalks the streets, a killer who carefully selects his victims for the humanity that is missing in himself.

Deucalion's path will lead him to cool, tough police detective Carson O'Connor and her devoted partner, Michael Maddison, who are tracking the slayer but will soon discover signs of something far more terrifying: an entire race of killers who are much more—and less—than human and, deadliest of all, their deranged, near-immortal maker: Victor Helios—once known as Frankenstein. What Comes Around Harper Collins
Intelligence officer Alex Hawke

takes on power-hungry Russian President Vladimir Putin, who is wielding a terrifying new weapon, in the latest adrenaline-fueled thriller in Ted Bell's New York Times bestselling series. In corrupt Russia, an erratic Vladimir Putin is determined to forge his country into a formidable superpower once again. He intends to redraw the map of Europe, and will go to impossible extremes to realize his fantasies—including shooting down a civilian airliner packed with tourists bound for China. Kremlin scientists have developed a radical new weapon that could forever alter modern warfare. NATO, locked in a tense standoff over Ukraine, Poland, and

Estonia, knows Putin will not hesitate to use it. But there is one man who can bring the world back from the brink: Britain's foremost intelligence asset, Lord Alexander Hawke. The intrepid MI6 officer's latest challenge begins in the Gulf of Aden and soon has him searching for the link to a series of bizarre assassinations. Spies are dying all over the world—from London, Washington, D.C., and Maine, to Moscow, and even the glittering Cote d'Azur. In the murky world of counterterrorism and high-stakes intrigue, the odds have never been higher. Once again, Alex Hawke must save the world . . . one bullet at a time.

Born on December 3rd?

You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking, but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed

analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.

"A well-crafted page-turner that addresses the most important issue of our time. It will keep you reading well into the night."—Vince Flynn A New York Times reporter has drawn upon his experience covering the occupation in Iraq to write the most gripping and chillingly plausible thriller of the post-9/11 era. Alex Berenson's debut novel of suspense, *The Faithful Spy*, is a sharp, explosive story that takes readers inside the war on terror as fiction has never done before. John Wells is the only American CIA agent ever to

penetrate al Qaeda. Since before murderous assaults on the attacks in 2001, Wells has been hiding in the mountains of Pakistan, biding his time, building his cover. Now, on the orders of Omar Khadri—the malicious mastermind plotting more al Qaeda strikes on America—Wells is coming home. Neither Khadri nor Jennifer Exley, Wells’s superior at Langley, knows quite what to expect. For Wells has changed during his years in the mountains. He has become a Muslim. He finds the United States decadent and shallow. Yet he hates al Qaeda and the way it uses Islam to justify its

innocents. He is a man alone, and the CIA—still reeling from its failure to predict 9/11 or find weapons of mass destruction in Iraq—does not know whether to trust him. Among his handlers at Langley, only Exley believes in him, and even she sometimes wonders. And so the agency freezes Wells out, preferring to rely on high-tech means for gathering intelligence. But as that strategy fails and Khadri moves closer to unleashing the most devastating terrorist attack in history, Wells and Exley must somehow find a way to stop him, with or without the

government’s consent. From secret American military bases where suspects are held and “interrogated” to basement laboratories where al Qaeda’s scientists grow the deadliest of biological weapons, *The Faithful Spy* is a riveting and cautionary tale, as affecting in its personal stories as it is sophisticated in its political details. The first spy thriller to grapple squarely with the complexities and terrors of today’s world, this is a uniquely exciting and unnerving novel by an author who truly knows his territory. *For the Record* Simon and

"Investigating Iwo encourages us to explore the connection between American visual culture and World War II, particularly how the image inspired Marines, servicemembers, and civilians to carry on with the war and to remember those who made the ultimate sacrifice to ensure victory over the Axis Powers. Chapters shed light on the processes through which history becomes memory and gains meaning over time. The contributors ask only that we be willing to take a closer look, to remain open to new

perspectives that can deepen our understanding of familiar topics related to the flag raising, including Rosenthal's famous picture, that continue to mean so much to us today"--

The Knights of the Golden Circle was the largest and most dangerous clandestine organization in American history. It amassed billions in stolen gold and silver, all buried in hidden caches across the United States. Since 1865 treasure hunters have searched, but little of that immense wealth has ever been found. Now, one hundred and sixty

years later, two factions of what remains of the Knights of the Golden Circle want that lost treasure—one to spend it for their own ends, the other to preserve it. Thrust into this battle is former Justice Department agent Cotton Malone, whose connection to the knights is far deeper than he ever imagined. At the center is the Smithsonian Institution—linked to the knights, its treasure, and Malone himself through an ancestor, a Confederate spy named Angus "Cotton" Adams, whose story holds the key to everything. Complicating

matters are the political ambitions of a reckless Speaker of the House and the bitter widow of a United States Senator, who together are planning radical changes to the country. And while Malone and Cassiopeia Vitt face the past, ex-president Danny Daniels and Stephanie Nelle confront a new and unexpected challenge, a threat that may cost one of them their life. From the backrooms of the Smithsonian to the deepest woods in rural Arkansas, and finally up into the rugged mountains of northern New Mexico, *The Lost Order* by Steve Berry is a

perilous adventure into our country's dark past, and a potentially even darker future. Patriot Harper Collins An esteemed former CIA director dies off the coast of Maine. Another senior CIA officer is found dead of a "heart attack" in a posh Paris hotel. Counterspy Alex Hawke and his friend Ambrose Congreve think this could be more than coincidence. Hawke discovers that the victims are connected through one man: Spider Payne, a rogue intelligence officer whose

dangerous exploits got him barred from the CIA. Now Spider believes he's been wronged and is out for vengeance—and Alex Hawke is his number-one target. Hawke's only hope is to lure his deadly enemy into a trap he can't escape—and it's a place Hawke knows better than anyone: his seaside home in Bermuda.
