Intelligence officer Alex Hawke takes on power-hungry Russian President Vladimir Putin, who is wielding a terrifying new weapon, in the latest adrenaline-fueled thriller in Ted Bell 's New York Times bestselling series. In corrupt Russia, an erratic Vladimir Putin is determined to forge his country into a formidable superpower once again. He intends to redraw the map of Europe, and will go to impossible extremes to realize his fantasies—including shooting down a civilian airliner packed with

tourists bound for China. Kremlin scientists have developed a radical new weapon that could forever alter modern warfare. NATO, locked in a tense standoff over Ukraine, Poland, and Estonia, knows Putin will not hesitate to use it. But there is one man who can bring the world back from the brink: Britain 's foremost intelligence asset, Lord Alexander Hawke. The intrepid MI6 officer 's latest challenge begins in the Gulf of Aden and soon has him searching for the link to a series of bizarre assassinations. Spies are dying all over the world—from London, Washington, D.C., and Maine, to Moscow, and even the glittering Cote d ' Azur. In the murky world of counterterrorism and high-stakes

intrigue, the odds have never been higher. Once again, Alex Hawke must save the world . . . one bullet at a time.

What Comes Around Hachette UK

Arguably no political principle has been more central than the separation of powers to the evolution of constitutional governance in Western democracies. In the definitive work on the subject, M. J. C. Vile traces the history of the doctrine from its rise during the English Civil War, through its development in the eighteenth century—when it was indispensable to the founders of the American republic—through subsequent political thought and

constitution-making in Britain, France, and the United States. The author concludes with an examination of criticisms of the doctrine by both behavioralists and centralizers—and with "A Model of a Theory of Constitutionalism." The new Liberty Fund second edition includes the entirety of the original 1967 text published by Oxford, a major epilogue entitled "The Separation of Powers and the Administrative State," and a bibliography. M. J. C. Vile is Professor of Politics at the University of Kent at Canterbury and author also of *The Structure of American Federalism*. *Dirty Work 2* Simon and Schuster

SCARPETTA STARRING

NICOLE KIDMAN AND

JAMIE LEE CURTIS Dr. Kay

Scarpetta, chief medical examiner

of Virginia and consultant for the FBI, is in the midst of a late-night autopsy at the morgue when the call comes: Gault, the sadistic psychopath who has eluded capture for years, has struck again. She and longtime FBI and police colleagues Benton Wesley and Captain Pete Marino fly to the eerie early-morning scene, where they immediately recognize Gault's grizzly handiwork. But no one seems to know his bald female victim, whose naked body has been propped up against a frozen fountain. It makes no sense that she apparently disrobed in the bitter cold without a struggle and walked barefoot over snow to her death. While Scarpetta sorts through the strange forensic

evidence, Gault kills again. But the prey he ultimately seeks is Scarpetta, for it becomes increasingly apparent that he is as focused on her as she is on him. It may be possible that he kills to impress her, and that he's trying to get at her through her young niece, Lucy, who is the brains behind CAIN, the worldwide FBI computer network. Through what proves to be Scarpetta's most frightening chase, she can almost sense the evil, electric presence of her nemesis. But when she draws close, he slips back into the darkness, waiting for the time when they at last meet. . . .

An esteemed former CIA director dies off the coast of Maine. Another senior CIA officer is found dead of a "heart attack" in a posh Paris hotel. Counterspy Alex Hawke and his friend Ambrose Congreve think this could be more than coincidence. Hawke discovers that the victims are connected through one man: Spider Payne, a rogue intelligence officer whose dangerous exploits got him barred from the CIA. Now Spider believes he's been wronged and is out for vengeance—and Alex Hawke is

his number-one target. Hawke's only hope is to lure his deadly enemy into a trap he can't escape—and it's a place Hawke knows better than anyone: his seaside home in Bermuda. Includes a sneak preview of Warriors, the exhilarating new novel in the Alex Hawke series.
Crash Dive Penguin
The latest action-packed thriller from New York Times bestselling author Ted Bell pits counterspy Alex Hawke against Russian president Vladimir Putin in a daring, exhilarating mission to rescue Hawke ' s kidnapped son—and prevent

a Soviet invasion of Switzerland On a ski vacation in the Swiss Alps high above St. Moritz, Alex Hawke and his young son, Alexei, are thrust into danger when the tram carrying them to the top of the mountain bursts into flame, separating the two. Before he can reach Alexei, the boy is snatched from the burning cable car by unknown assailants in a helicopter. Meanwhile, high above the skies of France, Vladimir Putin is aboard his presidential jet after escaping a bloodless coup in the

Kremlin. When two flight attendants collapse and slip into unconsciousness, the Russian leader realizes the danger isn't over. Killing the pilots, he grabs a parachute, steps out of the plane . . . and disappears. Hawke has led his share of dangerous assignments, but none with stakes this high. To save his son, he summons his trusted colleagues, Chief Inspector of Scotland Yard Ambrose Congreve, former U.S. Navy SEAL Stokley Jones, Jr., and recruits a crack Hostage Rescue

Team—a group of elite soldiers of fortune known as "Thunder & Lighting." Before they can devise a rescue plan, Hawke must figure out who took his boy—and why. An operative who has fought antagonists around the globe, Hawke has made many enemies; one in particular may hold the key to finding Alexei before it's too late. But an unexpected threat complicates their mission. Making his way to "Falcon's Lair," the former Nazi complex created for Hitler, Putin is amassing an

impressive armory that he intends to use for his triumphant return to Moscow. Only one man can smash the Russian president's plan for domination—a master counterspy who will cross every line to save his son . . . and maybe save the world itself in the bargain.

One Minute Out Harper Collins
Former Navy SEAL Nick Foley reluctantly agrees to help investigate when American CIA operative Peter Yu goes missing in China. But when Yu's mutilated body washes up on a beach near Hong Kong, along

with dozens of other victims, the case takes a macabre turn. Suddenly, Nick finds himself embroiled in another bio-terrorism investigation being conducted by China's elite Snow Leopard counter-terrorism unit and the Chinese CDC, this time involving illegally-harvested organs for an unknown and nefarious end. But Nick's investigation does not go unnoticed, and soon he finds a target on his back. After thwarting an attempt on his life, he is forced to go off the grid and enlist the help of beautiful CDC microbiologist Dr. Dazhong "Dash" Chen to help unmask his would-be killer. On the run and looking for answers, their budding

romance is tested at every turn. With each step closer they take to unmasking the truth, Nick and Dash find themselves drawn deeper into a global conspiracy that began over two thousand years ago with the First Emperor of China and now threatens to upset the world order as they know it in *Hong Kong Black*, the heart-pounding sequel to Alex Ryan's *Beijing Red*.
