"Mitch Albom has done it again with this moving memoir of love and loss. You can't help but fall for Chika. A page-turner that will no doubt become a classic." --Mary Karr, author of *The Liars' Club* and *The Art of Memoir* From the #1 New York Times bestselling author of *Tuesdays With Morrie* comes Mitch Albom's most personal story to date: an intimate and heartwarming memoir about what it means to be a family and the young Haitian orphan whose short life would forever change his heart. Chika Jeune was born three days before the devastating earthquake that decimated Haiti in 2010. She spent her infancy in a landscape of extreme poverty, and when her mother died giving birth to a baby brother, Chika was brought to The Have Faith Haiti Orphanage that Albom operates in Port Au Prince. With no children of their own, the forty-plus children who live, play, and go to school at the orphanage have become family to Mitch and his wife, Janine. Chika's arrival makes a quick impression. Brave and self-assured, even as a three-year-old, she delights the other kids and teachers. But at age five, Chika is suddenly diagnosed with something a doctor there says, "No one in Haiti can help you with." Mitch and Janine bring Chika to Detroit, hopeful that American medical care can soon return her to her homeland. Instead, Chika becomes a permanent part of their household, and their lives, as they embark on a two-year, around-the-world journey to find a cure. As Chika's boundless optimism and humor teach Mitch the joys of caring for a child, he learns that a relationship built on love, no matter what blows it takes, can never be lost. Told in hindsight, and through illuminating conversations with Chika herself, this is Albom at his most poignant and vulnerable. Finding Chika is a celebration of a girl, her adoptive guardians, and the incredible bond they formed—a devastatingly beautiful portrait of what it means to be a family, regardless of how it is made.

In his Nautilus Award-winning classic *Touching Spirit Bear*, author Ben Mikaelson delivers a powerful coming-of-age story of a boy who must overcome the effects that violence has had on his life. After severely injuring Peter Driscoll in an empty parking lot, mischief-maker Cole Matthews is in major trouble. But instead of jail time, Cole is given another option: attend Circle Justice, an alternative program that sends juvenile offenders to a remote Alaskan island to focus on changing their ways. Desperate to avoid prison, Cole fakes humility and agrees to go. While there, Cole is mauled by a mysterious white bear and left for dead. Thoughts of his abusive parents, helpless Peter, and his own anger cause him to examine his actions and seek redemption—from the spirit bear that attacked him, from his victims, and, most importantly, from himself. Ben Mikaelson paints a vivid picture of a juvenile offender, examining the roots of his anger without absolving him of responsibility for his actions, and questioning a society in which angry people make victims of their peers and communities. *Touching Spirit Bear* is a poignant testimonial to the power of a pain that can destroy, or lead to healing. A strong choice for independent reading, sharing in the classroom, homeschooling, and book groups.

What happens before we are born? At once a riveting mystery and a testament to the profound connection between a child and parent, *The Forgetting Time* will lead you to reevaluate everything you believe... What would you do if your four-year-old son claimed he had lived another life and that he wants to go back to it? That he wants his other mother? Single mom Janie is trying to figure out what is going on with her beloved son Noah. Noah has never been ordinary. He loves to make up stories, and he is constantly surprising her with random trivia someone his age has no right knowing. She always chalked it up to the fact that Noah was precocious—mature beyond his years. But Noah’s eccentricities are starting to become worrisome. One afternoon, Noah’s preschool teacher calls Janie: Noah has been talking about shooting guns and being held under water until he can’t breathe. Suddenly, Janie can’t pretend anymore. The school orders him to get a psychiatric evaluation. And life as she knows it stops for herself and her darling boy. For Jerome Anderson, life as he knows it has already stopped. Diagnosed with aphasia, his first thought as he approaches the end of his life is, I’m not finished yet. Once an academic star, a graduate of Yale and Harvard, a professor of psychology, he threw everything away to pursue an obsession: the stories of children who remembered past lives. Anderson became the laughing stock of his peers, but he never stopped believing that there was something beyond what anyone could see or comprehend. He spent his life searching for a case that would finally prove it. And with Noah, he thinks he may have found it. Soon, Noah, Janie, and Anderson will find themselves knocking on the door of a mother whose son has been missing for eight years. When that door opens, all of their questions will be answered. Gorgeously written and fearlessly provocative, Sharon Guskin’s debut explores the lengths we will go for our children. It examines what we regret in the end of our lives and hope for in the beginning, and everything in between.

NATIONAL BESTSELLER • The #1 bestselling author of *On Fire* shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.” —Mitch Albom, author of *Tuesdays with Morrie* There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In *Awe* reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.
