Edward Estlin Cummings
(1894-1962), a native of
Cambridge, Massachusetts, and
a Harvard University
graduate, is best known for
his rejection of traditional
poetic forms. As e. e.
cummings, he conducted
radical experiments with
spelling, syntax, and
punctuation that inspired a
revolution in twentieth-
century literary expression
and excited the admiration
and affection of poetry
lovers of all ages. With his
1923 debut, *Tulips &*

Chimneys, the 25-year-old poet
rattled the conservative
literary scene, directing his
avant-garde approach to the
traditional subjects of love,
life, time, and beauty. His
playful treatment of
punctuation and language adds
enduring zest to such popular
and oft-anthologized poems as
"All in green went my love
riding," "in Just-," "Tumbling-
hair," "O sweet spontaneous,"
"Buffalo Bill's," and "the
Cambridge ladies who live in
furnished souls." This edition
presents complete and
textually accurate editions of

Cummings's work, in keeping with the original manuscripts and the poet's intentions.

Eight Harvard Poets W. W. Norton & Company

From the author of *American Bloomsbury*, *Louisa May Alcott*, and *Home Before Dark*,

a major reassessment of the life and work of the novelist, painter, and playwright considered to be one of America's preeminent twentieth-century poets. At the time of his death in 1962, at age sixty-eight, he was, after Robert Frost, the most widely read poet in the United States. E. E. Cummings was and remains controversial. He has been called "a master" (Malcolm Cowley); "hideous" (Edmund Wilson). James Dickey called him a "daringly original poet with more vitality and more sheer uncompromising talent than any other living American writer." In Susan Cheever's rich, illuminating biography we see Cummings's idyllic childhood years in Cambridge, Massachusetts; his Calvinist father—distinguished Harvard professor and sternly religious minister of the Cambridge

Congregational Church; his mother—loving, attentive, a source of encouragement, the aristocrat of the family, from Unitarian writers, judges, and adventurers. We see Cummings—slight, agile, playful, a product of a nineteenth-century New England childhood, bred to be flinty and determined; his love of nature; his sense of fun, laughter, mimicry; his desire from the get-go to stand conventional wisdom on its head, which he himself would often do, literally, to amuse. At Harvard, he roomed with John Dos Passos; befriended Lincoln Kirstein; read Latin, Greek, and French; earned two degrees; discovered alcohol, fast cars, and burlesque at the Old Howard Theater; and raged against the school's conservative, exclusionary upper-class rule by A. Lawrence Lowell. In Cheever's book we see that beneath Cummings's blissful, golden childhood the strains of sadness and rage were already at play. He grew into a dark young man and set out on a lifelong course of rebellion against conventional authority and the critical establishment, devouring the poetry of Ezra Pound, whose radical verses pushed Cummings away from the politeness of the traditional nature poem toward a more adventurous, sexually conscious form. We see that Cummings's self-imposed exile from Cambridge—a town he'd come to hate for its intellectualism, Puritan uptightness, racism, and self-righteous xenophobia—seemed necessary for him as a man and a poet. Headstrong and cavalier, he volunteered as an ambulance driver in World War I, working alongside Hemingway, Joyce, and Ford

Madox Ford . . . his ongoing stand against the imprisonment of his soul taking a literal turn when he was held in a makeshift prison for “undesirables and spies,” an experience that became the basis for his novel, *The Enormous Room*. We follow Cummings as he permanently flees to Greenwich Village to be among other modernist poets of the day—Marianne Moore, Hart Crane, Dylan Thomas—and we see the development of both the poet and his work against the backdrop of modernism and through the influences of his contemporaries: Stein, Amy Lowell, Joyce, and Pound. Cheever’s fascinating book gives us the evolution of an artist whose writing was at the forefront of what was new and daring and bold in an America in transition. Tulips and Chimneys - Poetry by e.e. cummings
Harvard University Press

A Miscellany, confined to a private edition for decades, sheds further light on the prodigious vision and imagination of the most inventive poet of the twentieth century: E.E. Cummings.

Formally fractured and yet gleefully alive and whole, E. E. Cummings ' s groundbreaking modernist poetry expanded the boundaries of language. In A Miscellany, originally released in a limited run in 1958, Cummings lent his delightfully original voice to " a cluster of

epigrams, " a poem, three speeches from an unfinished play, and forty-nine essays—most of them previously written for or published in magazines, anthologies, or art gallery catalogues. Seven years later, George J. Firmage—editor of much of Cummings ' s work, including Complete Poems—broadened the scope of this delightfully eclectic collection, adding seven more poems and essays, and many of Cummings ' s unpublished line drawings. Together, these pieces paint a distinctive portrait of Cummings ' s eccentric, yet precise, genius. Like his poetry, Cummings ' s prose is lively; often witty, biting, and offbeat, he is an intelligent observer and critic of the modern. His essays explore everything from Cubism to the circus, equally quick to analyze his poetic contemporaries and satirize New York society. As Cummings wrote in his original foreword, A Miscellany contains " a great deal of

liveliness and nothing dead. ” This remains true today, more than fifty years after its original publication.
