Ten Stars of 1950s Sitcoms

Manchester University Press

This book offers 25 profiles of some of the most popular female action heroes throughout the history of film, television, comic books, and video games. * Comprises 25 profiles,

arranged alphabetically * 70 sidebars provide additional information on pertinent topics, individuals, and symbols * Includes a chronology of major appearances of the 25 female action heroes in film, television, comic books, and video games, as well as women's fashion trends and major events in women's history * Offers a photograph of each featured, female action hero * Presents a glossary of 39 terms, including female archetypes

like "femme fatale" and social movements like "third-wave feminism" * Provides a selected bibliography of books and Internet sites related to the topics of female action heroes, women's history, and media studies The Buffyverse Catalog BearManor Media Scholars have characterized the early decades of the Cold War as an era of rising militarism in the United States but most Americans continued to identify themselves as fundamentally anti-militaristic. To them, "militaristic" defined the authoritarian regimes of Germany and Japan that the nation had defeated in World War II—aggressive, power-hungry countries in which the military possessed power outside civilian

authority. Much of the popular culture in the decades following World War II reflected and reinforced a more pacifist perception of America. This study explores military images in television, film, and comic books from 1945 to 1970 to understand how popular culture made it possible for a public to embrace more militaristic national security policies yet continue to perceive themselves as deeply anti-militaristic.

Okay. Harken to my tale. Once upon a time (a couple of years ago) there were these brothers who had a bunch of really successful podcasts, and they decided to do a new podcast with their dad, where they all played D&D together as a family, and lo, this new podcast was called The Adventure Zone, and verily did it get downloaded over 10 million times, and wow did it totally eat the brains of all who listened, because: It was just. That. Rad. AND THEN did these guys team up with artist Carey Pietsch, and make a graphic novel where the weirdly sweet and brilliant but also super SUPER vulgar and honestly kind of bizarre story of The

Adventure Zone got adapted into a goofy, innovative, and compelling graphic novel! Let no man deny that it was the best idea ever, right?

Reader, we're publishing it.

Changing images of Germany in International Relations McFarland

This format is designed to be read on color devices and cannot be read on black-and-white e-readers. In the second Adventure Zone graphic novel (adapted from the McElroy family's wildly popular D&D podcast), we rejoin hero-adjacent sort-of-comrades-in-arms Taako, Magnus, and Merle on a wild career through a D&D railroad murder mystery. This installment has a little of everything: a genius child detective, an axe-wielding professional wrestler, a surly wizard, cursed magical artifacts, and a pair of meat monsters. You know, the usual things you find on a train. Hot on the heels of The Adventure Zone: Here There Be Gerblins, the smash hit graphic novel that launched the series, The Adventure Zone: Murder on the Rockport Limited! picks up the saga where volume 1 left off. Both books are based on "The Adventure Zone," a tabletop RPG comedy

podcast with downloads numbering in the tens of millions and an army of passionately devoted fans. With art and co-adaptation from Carey Pietsch, the McElroys are once again turning their raucous freewheeling D&D campaign into some damn fine comics.

This carefully crafted ebook is formatted for your eReader with a functional and detailed table of contents. The sixth season of the fantasy drama television series *Game of Thrones* premiered on HBO on April 24, 2016, and concluded on June 26, 2016. It consists of ten episodes, each of approximately 50 – 60 minutes, largely of original content not found in George R. R. Martin's *A Song of Ice and Fire* series. Some material is adapted from the upcoming sixth novel *The Winds of Winter* and the fourth and fifth novels, *A Feast for Crows* and *A Dance with Dragons*. The series was adapted for television by David Benioff and D. B. Weiss. HBO ordered the season on April 8, 2014, together with the fifth season, which began filming in July 2015 primarily in Northern Ireland, Spain, Croatia, Iceland and Canada. Each episode cost over \$10 million. This book has been derived from Wikipedia: it contains the entire text of the title Wikipedia article + the entire text of all the 593 related (linked) Wikipedia articles to the title article. It's a bird! It's a plane! It's a complete guide to over 50 years of superheroes on screen! This expanded and updated edition of the 2004 award-winning encyclopedia covers important developments in the popular genre; adds new shows such as *Heroes* and *Zoom*; includes the latest films featuring icons like *Superman*, *Spiderman* and *Batman*; and covers even more types of superheroes. Each entry includes a detailed history, cast and credits, episode and film descriptions, critical commentaries, and data on arch-villains, gadgets, comic-book origins and super powers, while placing each production into its historical context. Appendices list common superhero conventions and cliches; incarnations; memorable ad lines; and the best, worst, and most influential productions from 1951 to 2008.

Hogan's Heroes e-Pedia

In this book, historians and political scientists show how radically external images of Germany changed over the 20th century, from the ' Prussian military state ' to the ' bulwark of liberalism. ' They also explore how such images of Germany affected the evolution of international relations theory at some critical junctures.

My Hero Academia: Ultra Analysis—The Official Character Guide McFarland Publishing

This is an unofficial episode guide for all "Miami Vice" TV episodes including all music titles, storylines, production dates, locations, guest stars and many more details.

My Hero Academia, Vol. 8 e-artnow sro
This work offers a complete episode guide and comprehensive history of *Second City Television*. The influential Canadian sketch comedy series created dozens of memorable characters (i.e. station president Guy Caballero and showbiz mogul Johnny LaRue) and featured well-known performers such as John Candy, Catherine O ' Hara, and Martin Short, at the height of their comedic careers. Presenting a thorough summary and review for each of SCTV ' s 135 episodes, the author traces the initial appearance and evolution of some of comedy ' s best known television characters and sketches. Two appendices provide guides to the program ' s compilation shows and recently

released boxed sets on DVD.

Hogan's Heroes: The Definitive Episode Guide LucasBooks for Young Readers
Blake 's 7, Terry Nation 's science fiction tale of cosmic freedom fighters, became a hit series in Great Britain when it premiered in 1978. Eight years later, the show quickly became a cult program in America. A dramatization of futuristic outlaw heroes who defend the innocent from both alien and human conquering forces, the series might better be said to be equal parts Robin Hood and The Magnificent Seven. The series defied traditional genre elements of science fiction television, and developed the concept of the continual "story arc" years before such shows as Babylon 5 and Deep Space Nine. This book provides a critical history and episode guide for Blake 's 7, including commentaries for all 52 episodes. Also included are analytical essays on the show, dealing with such topics as themes, imagery and story arc; a consideration of the series as a futuristic Robin Hood myth; cinematography and visual effects; and an overview of Blake 's 7 in books, comics and videos. A detailed appendix lists the genre conventions found in the series. The author

also includes information about Blake 's 7 fan clubs and Internet sites.

Tarnished Heroes, Charming Villains and Modern Monsters Penguin
If your fondest TV memories involve the POWs of Stalag 13 cleverly outwitting their captors, Schultz stammering "I know nothing!" and Hochstetter threatening to send everyone to the Russian front, then this is the book for you. This fun and informative book takes you behind the scenes of the classic 1960s sitcom to reveal: - the story behind the creation, production, and eventual cancellation of the series - the controversy surrounding the show's unlikely premise - interviews with many of the show's stars and crew - biographies of the stars and supporting actors - a detailed guide to each of the 168 episodes - a guide to collecting Hogan's memorabilia - and more... Hogan's Heroes is more popular now than ever before, especially in Germany, where it has become a surprising cult hit. In this book, most of the show's stars and behind-the-scenes personnel share their memories and reflect on the series' enduring popularity.

Cartoon Research presents "Ralph Bakshi's The Mighty Heroes Declassified." The origin, history and adventures of Bakshi's ground-breaking, super-hero cartoon series. This launched his historic career as producer, director and designer of award-winning animation films. Bakshi, in his own words, walks readers through how The Mighty Heroes came to be, production of the series, and its lasting effect with fans. Includes photos, artwork, cartoon series guide, and comic book appearances. A must-have for any Ralph Bakshi fan.

Hogan's Heroes Macmillan

A new idea can become an expensive flop for TV executives. So from the earliest days of television, the concept of a pilot episode seemed like a good idea. Trying out new actors; new situations and new concepts before making a series was good economical sense. It was also tax deductible. Sometimes these pilots were shown on television; sometimes they were so awful they were hidden from sight in archives; and sometimes they were excellent one-offs, but a series seemed elusive and never materialised. Chris Perry has always been fascinated by the pilot episode. So many pilots are made annually, but never seen by audiences. Only a handful appear on screen. It's a hidden world of comedy, variety, drama and factual

programming. This volume attempts to lift the lid on the world of the TV pilot by revealing the many transmitted and untransmitted episodes made through the decades.
