This bibliographic guide covers the “Buffyverse” —the fictional worlds of

the acclaimed television series *Buffy the Vampire Slayer* (1997 – 2003) and its spinoff *Angel* (1999 – 2004), as well as the original *Buffy* feature film of 1992. It is the largest and most inclusive work of its kind. The author organizes and describes both the original texts of the Buffyverse (episodes, DVDs, novels, comic books, games, and more) and the secondary materials created about the shows, including books, essays, articles, documentaries, dissertations, fan production and websites. This vast and diverse collection of information about these two seminal shows and their feature-film forebear provides an accessible, authoritative and comprehensive survey of the subject.

Understand all the benefits of growing your own tomatoes and learn tips and techniques to doing so from the leading authority in the field!

American Militarism and Anti-Militarism in Popular Media, 1945-1970 McFarland

"To understand the history and spirit of America, one must know its wars, its laws, and its presidents. To really understand it,

however, one must also know its cheeseburgers, its love songs, and its lawn ornaments. The long-awaited Guide to the United States Popular Culture provides a single-volume guide to the landscape of everyday life in the United States. Scholars, students, and researchers will find in it a valuable tool with which to fill in the gaps left by traditional history. All American readers will find in it, one entry at a time, the story of their lives."--Robert Thompson, President, Popular Culture Association. "At long last popular culture may indeed be given its due within the humanities with the publication of The Guide to United States Popular Culture. With its nearly 1600 entries, it promises to be the most comprehensive single-volume source of information about popular culture. The

range of subjects and diversity of opinions represented will make this an almost indispensable resource for humanities and popular culture scholars and enthusiasts alike."--Timothy E. Scheurer, President, American Culture Association "The popular culture of the United States is as free-wheeling and complex as the society it animates. To understand it, one needs assistance. Now that explanatory road map is provided in this Guide which charts the movements and people involved and provides a light at the end of the rainbow of dreams and expectations."--Marshall W. Fishwick, Past President, Popular Culture Association Features of The Guide to United States Popular Culture: 1,010 pages 1,600 entries 500 contributors Alphabetic entries Entries range from general topics

A History and Critical Analysis of Blake's 7, the 1978–1981 British Television Space Adventure Univ of California Press

Hogan's Heroes' creation and creators, the directors, the writers, the promotion, and the eventual end of the show are chronicled. A guide to each of the 168 episodes provides title, air date, rerun date, production number, writer, director, guest cast and a plot synopsis.

Hogan's Heroes (hardback): The Definitive Episode Guide McFarland

Blake's 7, Terry Nation's science fiction tale of cosmic freedom fighters, became a hit series in Great Britain when it premiered in 1978. Eight years later, the show quickly became a cult program in America. A dramatization of futuristic

outlaw heroes who defend the innocent from both alien and human conquering forces, the series might better be said to be equal parts Robin Hood and The Magnificent Seven. The series defied traditional genre elements of science fiction television, and developed the concept of the continual “story arc” years before such shows as Babylon 5 and Deep Space Nine. This book provides a critical history and episode guide for Blake’s 7, including commentaries for all 52 episodes. Also included are analytical essays on the show, dealing with such topics as themes, imagery and story arc; a consideration of the series as a futuristic Robin Hood myth; cinematography and visual effects; and an overview of Blake’s 7 in books, comics and videos. A detailed appendix lists the genre conventions found in the series. The author also includes information about Blake’s 7 fan clubs and Internet sites.

Ten Stars of 1950s Sitcoms e-Pedia

If your fondest TV memories involve the POWs of Stalag 13 cleverly outwitting their captors, Schultz stammering "I know nothing!" and Hochstetter threatening to send everyone to the Russian front, then this is the book for you. This fun and informative book takes you behind the scenes of the classic 1960s sitcom to reveal:

- the story behind the creation, production, and eventual cancellation of the series
- the controversy surrounding the show's unlikely premise
- interviews with many of the show's stars and crew
- biographies of the stars and supporting actors
- a detailed guide to each of the 168 episodes
- a guide to collecting Hogan's memorabilia
- and more...

Hogan's Heroes is more popular now than ever before, especially in Germany, where it has become a surprising cult hit. In this book, most of the show's stars and behind-the-scenes personnel share their memories and reflect on the series' enduring

popularity.

Saving Charlie : a Novel Renaissance
Books

This format is designed to be read on color devices and cannot be read on black-and-white e-readers. In the second Adventure Zone graphic novel (adapted from the McElroy family's wildly popular D&D podcast), we rejoin hero-adjacent sort-of-comrades-in-arms Taako, Magnus, and Merle on a wild careen through a D&D railroad murder mystery. This installment has a little of everything: a genius child detective, an axe-wielding professional wrestler, a surly wizard, cursed magical artifacts, and a pair of meat monsters. You

know, the usual things you find on a train. Hot on the heels of *The Adventure Zone: Here There Be Gerblins*, the smash hit graphic novel that launched the series, *The Adventure Zone: Murder on the Rockport Limited!* picks up the saga where volume 1 left off. Both books are based on "The Adventure Zone," a tabletop RPG comedy podcast with downloads numbering in the tens of millions and an army of passionately devoted fans. With art and co-adaptation from Carey Pietsch, the McElroys are once again turning their raucous freewheeling D&D campaign into some damn fine comics.

The Women Who Made Television Funny Fox Chapel Publishing

Scholars have characterized the early decades

of the Cold War as an era of rising militarism in the United States but most Americans continued to identify themselves as fundamentally anti-militaristic. To them, “militaristic” defined the authoritarian regimes of Germany and Japan that the nation had defeated in World War II—aggressive, power-hungry countries in which the military possessed power outside civilian authority. Much of the popular culture in the decades following World War II reflected and reinforced a more pacifist perception of America. This study explores military images in television, film, and comic books from 1945 to 1970 to understand how popular culture made it possible for a public to embrace more militaristic national security policies yet continue to perceive themselves as deeply anti-militaristic.

In *The Hero Succeeds*, veteran TV writer Kam Miller shows you exactly how to create your own TV series—from concept to writing a professional pilot script. Drawing from her career as a successful TV pilot writer, Miller shares her hard-earned knowledge about creating TV series that sell to Hollywood. She covers essential elements such as character, world of the show, story engine, tone, and themes for dramas and sitcoms. In this book, Miller introduces the groundbreaking character-driven structure that will help you solve even the most difficult script problems and create structurally sound, emotionally satisfying stories. Miller illustrates the practical application of her character-driven script structure in current successful TV shows, including Cinemax's *The Knick*, NBC's *Hannibal*, Amazon's *Transparent*, BBC America's *Orphan Black*, ABC's *Modern Family*, FOX's *Empire*, FXX's *It's Always Sunny in Philadelphia*, AMC's *The Walking Dead*, FOX's

Brooklyn Nine-Nine, ABC's How To Get Away With Murder, Starz's Outlander, CBS's The Good Wife, Showtime's Episodes, and many others. The Hero Succeeds shares professional screenwriting expertise, tools, and techniques previously available only to Miller's students at USC's School of Cinematic Arts and Boston University's Film & Television program. Whether you write drama or comedy for broadcast, cable, or digital distribution, The Hero Succeeds is the guide you need to build or expand your TV career.

The Guide to United States Popular Culture

Random House Digital, Inc.

The heroes, villains, and monsters portrayed in such popular science fiction television series as Heroes, Lost, Battlestar Galactica, Caprica, Doctor Who, and Torchwood, as well as Joss Whedon's many series, illustrate a shift from traditional, clearly defined characterizations toward much murkier definitions. Traditional heroes give way to "gray" heroes who must become more like the

villains or monsters they face if they are going to successfully save society. This book examines the ambiguous heroes and villains, focusing on these characters' different perspectives on morality and their roles within society. Appendices include production details for each series, descriptions and summaries of pivotal episodes, and a list of selected texts for classroom use. Instructors considering this book for use in a course may request an examination copy here.

My Hero Academia: Ultra Analysis—The Official Character Guide McFarland

In this book, historians and political scientists show how radically external images of Germany changed over the 20th century, from the 'Prussian military state' to the 'bulwark of liberalism.' They also explore how such images of Germany affected the evolution of international relations theory at some critical junctures.

Hogan's Heroes: The Definitive Episode Guide BearManor Media

The author of more than 50 books--125 million copies in print--Clive Cussler is the current grandmaster of adventure literature. Dirk Pitt, the sea-loving protagonist of 22 of Cussler's novels, remains among the most popular and

influential adventure series heroes of the past half-century. This first critical review of Cussler's work features an overview of Pitt, the supporting characters and other heroes, an examination of Cussler's themes and influences, a review of his most important adventures, such as *Raise the Titanic!* and *Iceberg*, and a look at adaptations of his work in other media. Cussler joins the pantheon of such acclaimed adventure writers as Rudyard Kipling, Sir Arthur Conan Doyle and Ian Fleming, and this overdue volume demonstrates that beneath Cussler's immense popularity lies a literary depth that well merits scholarly attention.
