The Family HarperChristian Resources

The pieces are in place. The curtain rises for the final act. God is about to die. An unprecedented conspiracy of injustice, cruelty, and religious and political interests sentenced a man guilty of no crimes to the most barbaric method of execution ever devised. The victim was no mere man. Jesus was God in the flesh. The Creator of life died. How did such a thing come to be? Who were the onlookers, the players, the fakes, frauds, and heroes? What was it like in the Upper Room that night, in the shadows of Gethsemane, or in the Praetorium awaiting Pilate's verdict? What is the meaning of the last words Jesus uttered as He

gasped for breath on the cross? What if all the facts you now so well could come alive in your mind and heart as a living story, rather than as a 2000-year-old ancient account? By piecing together the narrative from the perspective of the participants, John MacArthur invites you to relive the most awesome injustice in the history of man, the unparalleled triumph of the sovereignty of God, and the passion of Christ.

Twelve Extraordinary Women Thomas Nelson

Many sermons preached today lack the divine knowledge and spiritual understanding available only through dynamic expository preaching. In *Preaching: How to Preach Biblically*, John MacArthur's well-known passion for the Bible combines with the expertise of faculty members at The Master's Seminary to inspire and equip preachers in effective biblical preaching. *Preaching: How to Preach Biblically* flows from biblical foundations for expository preaching through a detailed process of developing expositions and creating sermons to the actual delivery of expository messages, connecting what pastors learn in seminary with the sermons preached in a local church. This volume shows how to progress purposefully from one phase to the next in preparing to minister to God's people through preaching. This book answers these questions and more: What is expository, biblical preaching?

What are the theological and historical foundations for insisting on expository preaching? What are the steps involved in preparation for and participation in biblical preaching? What models exist for expository preaching today? The Master's Seminary faculty, with over thirty years' experience in preaching and seminary training of preachers, contributes a treasury of expertise alongside insights from expositor John MacArthur. While united on their commitment to exposition, the variety of individual expressions and methodological preferences discussed offers beneficial assistance for any preacher seeking a higher level of expository excellence.

Hard to Believe Workbook Moody Publishers

The events that occur in the book of Job present readers with a profound question: "Why do the righteous suffer?" Although a direct

answer to this question seems important, the book of Job does not set forth such a response. Job never learned the reasons for his suffering. In fact, when God finally confronted Job, he could only put his hand over his mouth and say nothing. His silence underscores the importance of trusting God's purposes in the midst of suffering, because suffering—like all other human experiences—is directed by perfect divine wisdom. In this study, pastor John MacArthur will guide you through an in-depth look at the defining themes and interpretative challenges in Job. Studies include close-up examinations of doctrinal themes such as God's Justice and "A Discourse on Human Frailty." —ABOUT THE SERIES— The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates: Extensive, but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history, and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing, interactive questions with plenty of space to write down your response and thoughts.

Do you wish you clearly understood the different views of the millenium and know why you believe which view you

hold to? General editors and experienced bible scholars John MacArthur and Richard Mayhue help to provide a clear and convincing Biblical explanation for the interpretive approach to Scripture that results in a knowable futuristic view of Christ's millennial reign on earth. Christ's Prophetic Plans also helps provide the certain validity of God's promises to future Israel, and the crucial differences between Israel (as a people and a nation) and the New Testament church. Christ's Prophetic Plans offers the reader John MacArthur's most explicit writing on eschatology and is perfect for pastors, bible professors, teachers, and students with a heart and mind for discovering Biblical truth. This primer takes you on a Biblical study of questions surrounding prophecy, Israel, the rapture, and the different millennial views. The fruit of such study is great as God specifically promises His blessing on those who know and obey the things of biblical prophecy (Revelation 1:3; 22:7).

The Fulfilled Family Thomas Nelson

Created Male and Female Almost without notice, our homes and churches have become the newest laboratory for sex-role experimentation. Lured by the world's acceptance and a national obsession with fairness, we've replaced the once-clear biblical boundaries between men and women with a confusing, frighteningly secular hybrid. The harmony and effectiveness we were promised never came--only a treacherous rift that is ruining marriages, dividing families, and splitting churches top to bottom. Different by Design offers hope for bridging that gap and finding fulfillment and success in your family and church. In his thorough, no-nonsense style, John MacArthur sets aside prevailing cultural standards and helps you understand and apply the biblical principles for men's and women's roles. Discover the beauty, balance, and benefits of God's unique role for you in this practical, well-researched tool--one you'll turn to again and again! The MacArthur Study Series is designed to help Christians better understand and apply the Bible by better understanding some of its key truths and doctrines.

From Bible teacher John MacArthur, a revelatory exploration of what the apostle Paul actually taught about the Good News of Jesus. The apostle Paul penned a number of very concise, focused passages in his letters to the early church that summarize the gospel message in just a few well-chosen words. Each of these key texts has a unique emphasis highlighting some essential aspect of the Good News of Jesus Christ. The chapters in this revelatory new book closely examine those vital gospel texts, one verse at a time. John MacArthur, host of the popular media ministry Grace to You, tackles such questions as: What is the gospel? What are the essential elements of the message? How can we be certain we have it right? And how should Christians be proclaiming the Good News to the world? As always, the answers John MacArthur gives are clear, compelling, well-reasoned, easy to grasp, and above all, thoroughly biblical. The Gospel According to Paul is written in a style

that is easily accessible to lay people, including those who know very little about the Bible, while being of great value to seasoned pastors and experienced ministers. The Gospel According to Paul is the third in a series of books on the gospel by John MacArthur including – The Gospel According to Jesus and The Gospel According to the Apostles. The Gospel According to Paul is also available in Spanish, Evangelio según Pablo.

The Book on Leadership Thomas Nelson

September 11, 2001 saw the deadliest attack ever launched on American soil, leaving us asking questions such as: Why did God permit such a thing to happen? Was the attack a divine judgment or was it merely an atrocity perpetrated by the forces of evil? How can human beings be capable of such diabolical savagery in the name of religion? And what is the right course of action for our government to take? John MacArthur points us to the Bible for answers to these and many other questions arising out the recent atrocities. He educates readers to the roots of the conflict, linking the religious and political issues that underlie the current turmoil to the Old Testament.

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical.

Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a

variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible,' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews
