It will not waste your time. say you will me, the e-book will completely express you other issue to read. Just invest little grow old to entre this on-line revelation Twelve Ordinary Men John F Macarthur Jr as with ease as review them wherever you are now.

Slave Thomas Nelson  
More than ever, people  
are talking about  
leadership. But much of  
today's discourse is

---

advancing the same old misconceptions. In The Book on Leadership, best-selling author, pastor, and teacher John MacArthur sets the record straight: Leadership does not come from a job title. It isn't a matter of personality or charisma. And it isn't the same thing as iron-fisted authority. True leadership?the kind that refuses to bend to a shifting, fickle world?comes from a much deeper source. Based on the writings of one of the most effective spiritual	leaders of all time?the apostle Paul?MacArthur presents the "26 Characteristics of a True Leader." Whether you are a business leader, civic leader, church leader, parent, teacher, or student, the life of Paul will empower you to unleash your own capacity for leadership. The Fulfilled Family Thomas Nelson Publishers In a world of divorce, casual sex, and homosexual unions, "family"?once the bedrock of our culture?is becoming a matter of uncertainty and	argument. From some quarters, traditional roles for men and women are ridiculed. And standing firm in a healthy, well-functioning family is harder than ever. So how can you have a happy home? How can you pass on strong morals to your children in a world going awry? By following God's divine plan for family life," writes Bible teacher, pastor, father, and grandfather John MacArthur in this book. There's no magic formula. There's no gimmick. It's not about how many times you do something, or who is in charge of this or that, or what kind of processes or methods
--	---	---

---

you use. It comes down to answering these questions: "Am I committed to obedience to the Spirit of God? Am I committed to the controlling influences of the Word of God? Am I going to live out a Christian life?" If you can answer yes to all of those questions, then you are bound to have a successful, fulfilled, God-honoring family life.

### **The Gospel According to John** HarperChristian Resources

The end of the world is coming. From roadside signs to science fiction films, this slogan underscores our society's nervous fascination with the future. Whether it's a

giant asteroid, a worldwide plague, or some other global catastrophe, the end of the world is a terrifying prospect—at least for those who have no idea what it will be like. For Christians, however, the end of the world should be anything but dreadful. In fact, it should be something we actually look forward to. Why? Because God has told us how the world will end. And He has assured us that the end of this age will mark the beginning of a new, glorious one in which we will serve and worship Him in sinless perfection. Our eternal hope, as believers, is intimately tied to the end of this world. All of this is laid out in the book of

Revelation. Not only is Revelation the inspired Word of God, it is also the only New Testament book that includes a promised spiritual blessing for those who study and apply its message. As such, it is an essential part of every Christian's devotional life. Those who ignore Revelation deprive themselves of a rich treasure of divine truth, and the promised blessings that come from understanding that truth. Join John MacArthur as he explains the book of Revelation in a way that is both doctrinally precise and intensely practical. *Summary of John F. MacArthur's Twelve Ordinary Men* HarperChristian Resources

---

Twelve Extraordinary Women offers a poignant and personal look into the lives of some of the Bible's most faithful women, teaching modern believers that true faith can leave a lasting legacy. These women were ordinary, common, and in some cases even ostracized and rejected by society, yet each was made extraordinary by her life-changing encounter with God. In Twelve Extraordinary Women, bestselling author and Bible teacher John MacArthur shows us that the God to whom they were so faithful is the same God who continues to mold and guide us today. As you meet these women in Scripture and get to know more about their lives and characters, they will

challenge you, motivate you, encourage you, and inspire you with love for the God whom they trusted, served, and loved, teaching us that: Our personal struggles and temptations are the very same kinds of trials that all believers of all ages have confronted. Even in the midst of our trouble, God remains eternally faithful. Through God, anyone can become extraordinary. From Eve to the Samaritan Woman, these twelve women each serve as reminders of both our frailty and our potential. Together, they all point us to Christ and His grace. Holy Bible (NIV) Moody Publishers  
Pastor John MacArthur combines his passion

for the Bible with the training expertise of faculty members at The Master's Seminary to guide seminary students and ministry leaders in developing their pastoral ministry skills. Pastors today can easily become preoccupied with the many pitfalls of modern culture, buying into the idea of image and straying from Jesus's call to shepherd leadership. Pastoral Ministry: How to Shepherd Biblically presents a practical pastoral theology aimed

poses more serious and difficult interpretative challenges. John MacArthur will take you through the book, passage by passage, so that you can better understand everything from the historical context to the coming of Christ's Kingdom. The apostle John wrote this letter to the churches in Asia Minor who were feeling the overwhelming effects	of persecution from all sides. It was a reminder to them that God saw their hardships, cared about them, and would reward them for their faithfulness. Through the use of vivid imagery, John writes Revelation to reveal the end of human history, the return of Christ, and the establishment of a new heaven and a new earth. John's message of hope in Revelation assures Christians	that God is in sovereign control of all past, present, and future events. He encourages believers to trust that Jesus Christ will judge the lost and will rule in ultimate victory over all human and demonic opposition. -ABOUT THE SERIES- The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John

**John** Thomas Nelson  
"Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children? those unborn, stillborn, or youngsters? when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can

God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word

that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God." ?Nancy Guthrie, author of Holding On to Hope

children's tales depicted in picture books and nursery rhymes, the men and women highlighted in the Bible were unnervingly real. They faltered. They struggled. And at times, they fell short. Yet God worked through them in surprising and incredible ways to accomplish His purposes. Scripture does not hide their weaknesses, caricature their	strengths, or spin their stories as a display of human nobility. Instead, it describes these heroes of the faith with unflinching honesty and delivers an unexpected ending: "God is not ashamed to be called their God" (Hebrews 11:16). In <i>Twelve Unlikely Heroes</i> , pastor and best-selling author John MacArthur uses his deep knowledge of the Bible and history to take us back to	see these three-dimensional men and women in their own times and cultures. In doing so, it becomes clear how their dramatic stories apply to us today. People who might at first seem foreign quickly become familiar and unforgettable—particularly as they reveal the true Hero behind every witness, the power counterbalancing every weakness, "the

is a companion  
version & not the  
original book.

Sample Book  
Insights: #1 The  
popularity of Jesus  
among the people of  
Galilee was  
controversial, as  
it made it  
difficult for Him  
to preach the  
truth. Instead of  
exploiting His  
fame, He began to  
emphasize the very  
things that made  
His message so  
controversial. #2  
The process of  
choosing and

calling the Twelve  
apostles happened  
in distinct stages.  
Christ chose them  
before they chose  
Him, and he  
invested most of  
his energies in  
them. #3 The Twelve  
were chosen by  
Christ to be his  
apostles. They were  
sent out two by  
two, and Christ  
stayed with them to  
support them. They  
were constantly  
checking in with

---

Christ, and after a couple of seasons of evangelistic labor, they returned to Christ and remained with Him for an extended time of teaching, ministry, and fellowship. #4 The timing of this event is significant. Luke notes this with his opening phrase in Luke 6:12: Now it came to pass in those days, which

refers to a period of time when the opposition to Jesus peaked. Jesus knew that His earthly ministry would have to be handed off to someone else, so He chose twelve apostles.

whole of Scripture, focusing on key chapters and passages of Scripture from the Old Testament. <i>The MacArthur Bible Commentary</i> Thomas Nelson Under King Solomon the Israelites had been a united people, but that all changed when his foolish son Rehoboam came to power. In the days that followed, the nation divided into two separate kingdoms. The reigns	of these kings were turbulent, marked by a succession of ungodly monarchs in conflict with the Lord's prophets. Among these rulers, perhaps none stood out more than Ahab and Jezebel, who not only led the northern nation of Israel into idolatry but actually conspired to murder a man simply because they wanted his garden! In this study, pastor John MacArthur will guide	you through an in- depth look at this historical period, beginning with the split between Judah and Israel, continuing into the remarkable events that occurred during the prophet Elijah's ministry, and concluding with the death of the ungodly King Ahab. Studies include close-up examinations of Elijah, Ahab, Jezebel, Asa, and others, as well as
