The Three Musketeers Lindhardt og Ringhof

First serialized from January to August, 1845, *Twenty Years After* is the second book in *The D'Artagnan Romances*, and follows the gallant adventures of the musketeers, as they are once again summoned to alleviate the various threats that lurk in the political scene of France, as the country is threatened by a possible uprising. Enriched with exciting and well-developed characters, the novel adds more detail to its familiar characters, as the musketeers have matured and are portrayed in a more introspective light. Set twenty

years after the conclusion of its predecessor, *Twenty Years After* commences with the appearance of d'Artagnan, who despite his propitious circumstances to progress in his area of interest, remains a lieutenant in the Musketeers for twenty years. Conversely, much has changed in the political scene of France during the twenty-year period, as the country is ruled by chief-minister, Cardinal Mazarin, who is loathed by much of the French population. Consequently, France is on the brink of civil war, as it is divided into those who support Mazarin's governance, and those who oppose his rule, regarding him as inadequate. Fearing for his safety, Mazarin appoints d'Artagnan as his escort, after hearing of his daring feats in the past and additionally requests assistance from his musketeer companions, Athos, Porthos, and Aramis. Subsequently, d'Artagnan is reunited with his old friends, who have all drifted apart due to following individual paths, and informs them of his task. However, the group is also divided, as Porthos is willing to be in the Cardinal's service, whereas Athos and Aramis take the side of the opposition. As a result, the group must overcome their contrasting views and loyalties, and

test the durability of their friendship, as they are brought out of retirement and once again hurled into a gripping adventure, while beset by various enemies.

The Three Musketeers (being the First of the D'Artagnan Romances.) BookRix

The Vicomte de Bragelonne By Alexandre Dumas
The Vicomte of Bragelonne: Ten Years Later is a novel by Alexandre Dumas. It is the third and last of The d'Artagnan Romances, following The Three Musketeers and Twenty Years After. It appeared first in serial form between 1847 and 1850. In the English translations, the 268 chapters of this large volume are usually subdivided into three, but sometimes four or even six individual books. In three-volume English editions the volumes are entitled The Vicomte de Bragelonne, Louise de la Vallière, and The Man in the Iron Mask. Each volume is roughly the length of the original The Three Musketeers. In four-volume editions volume names remain except that Louise de la Vallière and The Man in the Iron Mask move from second and third volumes to third and fourth, with Ten Years Later becoming the second volume. After 35 years of loyal service, d'Artagnan resigns as lieutenant of the Musketeers as he perceives the young king Louis XIV as weak-willed. He resolves to aid the exiled Charles II to retake the throne of England, unaware that Athos is attempting the same. With their assistance Charles II is restored to the throne and d'Artagnan is rewarded richly. In France, Cardinal Mazarin has died, leaving Louis to assume power with Jean-Baptiste Colbert as his finance minister. Colbert

has an intense hatred for his superior the king's Superintendent of Finances, Nicolas Fouquet, and tries to bring about his fall. He brings to the king's attention that Fouquet is fortifying his fief of Belle Île secretly. Louis persuades d'Artagnan to re-enter his service, and tasks him to investigate Belle Île, promising him a substantial salary and promotion to Captain of the King's Musketeers on his return. Louis, finally growing into a decisive ruler, also accepts an offer relayed by Athos from Charles II to marry Louis' brother Philippe I, Duke of Orléans to Charles' sister Henrietta Anne Stuart. D'Artagnan confirms that Belle Île is being fortified and the architect ostensibly in charge is Porthos, though the drawings show the handwriting of Aramis, who is now the bishop of Vannes. Aramis, suspicious of d'Artagnan, sends Porthos back to Paris to warn Fouquet, whilst tricking d'Artagnan into searching for Porthos around Vannes.

The Three Musketeers (Les Trois Mousquetaires) is a novel by Alexandre Dumas, père. It recounts the adventures of a young man named d'Artagnan after he leaves home to become a musketeer.

D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis—inseparable friends who live by the motto, "One for all, and all for one". The story of d'Artagnan is continued in Twenty Years After and The Vicomte de Bragelonne.

Those three novels by Dumas are together known as the D'Artagnan Romances. The Three Musketeers was first published in serial form in the magazine *Le Siècle* between March and July 1844.

Twenty Years After Mondial

I loved *The Three Musketeers*. While the pace of a serialized novel is very different than a traditional novel-think of it more like a television series than anything else-I love the swashbuckling, friendship, and bitter sweetness that characterizes that novel. Luckily, it has sequels. The most famous is *The Man in the Iron Mask*, which is actually just part of the third installment in *The D'Artagnan Romances*, but the true sequel is *Twenty Years After*. And I have to read series in order, which brings us to this novel. *Twenty Years After* picks up, well, twenty years after the events of *The Three Musketeers*. The four friends have gone their separate ways, but their chosen paths haven't worked out the way they thought-D'Artagnan is still just a lieutenant in the musketeers, Porthos' fantastic estate is a little sour without the actual aristocracy, Aramis finds he wants exactly what he used to have now that he's an abbe, and only Athos is actually satisfied with his lot, which includes his adopted son, Raoul. But when revolt and civil war threaten Paris, the Queen and Cardinal Mazarin (Richelieu's successor) summon the four once more in action, but the four musketeers, now politically divided, find themselves in more danger than could ever be imagined. Oh, Dumas, I love you, but your pacing... well, let me be fair. The *D'Artagnan Romances* are enormous books; the third installment, *The Vicomte of Bragelonne*, is so huge that it's usually published in at least three different volumes (hence the ability to read just *The Man in the Iron Mask*). Add to that the fact that it's a serialized novel, having been published in installments over eight months. It's not meant to be read all at once. But that has never stopped me before; in fact, I powered through this to get to a digital galley that turned out to have been already published, making it a useless effort. (Man, NetGalley really

needs to stop lying about publication dates.) So I can't really be objective about the pacing. But that's not to say it's slow-it's a bit slow at the beginning, as Dumas catches us up with our favorite musketeers and the situation in France, but once the four reunite and the plot gets rolling, it gets rolling. It's fatiguing in one go not because nothing happens but because everything that could possibly happen happens. What do you want-a high speed horse chase? The fall of Charles I? Exploding boats? Jokes about cannibalism? Manly, affectionate friendships? Dumas has everything. (And God bless him for it.) Our boys are back in the saddle, older, wiser, and a little more exaggerated-Aramis' violence and womanizing can best be summed up by how Porthos recognizes him from afar when he's late-"I see an abbe cuffing a man, then bowing to a woman; it must be Aramis" (Dumas). But he's also more sly and politic this time around, and he certainly remains as vain as ever. (D'Artagnan reminds him to stop lying about his age at one point.) D'Artagnan is now the mastermind and de facto leader of the group, with his strategies and knack for balancing his friends' temperaments. Porthos is as lusty and content as ever, although apparently stronger-I certainly don't recall him being able to fell men with one blow of his fist in *The Three Musketeers*. And Athos remains steadfast and honorable, but with even more of a reason; *Twenty Years After* introduces us to Raoul, his son, a sweet, hopeful fifteen-year-old who wants to live up to his father and the stories he's heard of the four friends back in the day. I must admit to loving aging action heroes; it's why I liked Indiana Jones and the Kingdom of the Crystal Skull. So seeing them older, wiser, and making cracks about everything was so much better back in the day was fantastic. With a truly terrifying villain in the form of the

Puritan-raised and obsessive Mordaunt on top, it's a solid cast. Twenty Years After Simon and Schuster père. It recounts the adventures of a young man named d'Artagnan after he leaves home to become a musketeer. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos, and Aramis-inseparable friends who live by the motto, "One for all, and all for one". The story of d'Artagnan is continued in Twenty Years After and The Vicomte de Bragelonne. Those three novels by Dumas are together known as the D'Artagnan Romances. The Three Musketeers Lindhardt og Ringhof

The Man in the Iron Mask - Alexandre Dumas - When Aramis, one of the three musketeers, discovers that the king of France has a twin brother, he plans a coup d'état in an attempt to secretly replace King Louis with his brother Philippe. Entrusting his secret plan to Porthos, Raoul, and D'Artagnan, the friends pit themselves against the power of the French monarchy. The Man in the Iron Mask is the last volume of the D'Artagnan Romances, and has been published on its own and also as the final volume in the The Vicomte de Bragelonne: Ten Years Later, a large novel that encompasses the four final D'Artagnan volumes. The story detailed in this volume inspired the 1998 film The Man in the Iron Mask starring Leonardo DiCaprio and Jeremy Irons. The Vicomte of

Bragelonne: Ten Years Later (Le Vicomte de Bragelonne ou Dix ans plus tard) is a novel by Alexandre Dumas, père. It is the third and last of the d'Artagnan Romances following The Three Musketeers and Twenty Years After. It appeared first in serial form between 1847 and 1850. The Man in the Iron Mask is the fourth and final volume. Between Two Kings Prabhat Prakashan The Musketeers: Complete D'Artagnan Series by Alexandre Dumas. Alexandre Dumas (1802 – 1870) was a French writer. The complete adventures of d'Artagnan are told in the D'Artagnan Series that includes The Three Musketeers, Twenty Years After, The Vicomte of Bragelonne, Ten Years Later, Louise de la Vallière and The Man in the Iron Mask. Those novels by Dumas are together known as the d'Artagnan Romances. Set in the 17th century, it recounts the adventures of a young man named d'Artagnan after he leaves home to travel to Paris, to join the Musketeers of the Guard. D'Artagnan is not one of the musketeers of the title; those are his friends Athos, Porthos and Aramis, inseparable friends who live by the motto "all for one, one for all", a motto which is first put forth by d'Artagnan. Dumas based the life and character of d'Artagnan on the 17th-century captain of musketeers Charles de Batz-Castelmore from his humble beginnings in Gascony to his death as a marshal of France in the Siege of

Maastricht in 1673.

Twenty Years After Random House Books for Young Readers

This vintage book contains Henry James O'Brien Bedford-Jones' s 1928 novel, "D'Artagnan". Although not written by Alexandre Dumas, D'Artagnan is a sequel to the his famous novel "The Three Musketeers" and continues the rollicking romantic romp through pre-revolutionary France by following the further pursuits of the famous musketeer D'Artagnan. Alexandre Dumas's most famous literary creation, d'Artagnan is loosely based on the life of Charles de Batz-Castelmore d'Artagnan and his adventures with the musketeer guards. Henry James O'Brien Bedford-Jones (1887 – 1949) was a prolific Canadian writer who published historical, science fiction, crime, and Western fiction. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing this antiquarian book in an affordable, modern, high-quality edition.

Twenty Years After (the D'Artagnan Romances, #2)
Tebbo

It' s the time for heroes. But the Musketeers are no more. As Dumas' "Twenty Years Later" begins, only D' Artagnan still serves in the Queen' s guard. Porthos, Aramis, and Athos are living comfortable lives, their fighting days long behind them. But all that' s about to change. With the country on the brink of civil war, D' Artagnan is given a dangerous new mission, and he knows he' ll need his old friends by his side. Expanding

upon the mythology of "The Three Musketeers", the sequel is just as packed with sword fights, conspiracies, and political double dealings. And a very hateable new villain in Cardinal Mazarin. This first part of the novel sets the scene for the adventure that follows. Alexandre Dumas (1802 - 1870) was a hugely popular 19th century French writer. Born of mixed French and Haitian heritage, Dumas first rose to prominence in Paris as a playwright, but later gained international fame with his historical fiction. Often co-authored with other writers, these stories wove together swashbuckling adventure, romance, and real events from France' s past. Among the best known are "The Three Musketeers", and its sequels "Twenty Years After", and "Le Vicomte de Bragelonne: Ten Years Later". Set across four decades, this trilogy follows the rise of the dashing D' Artagnan—from hot-headed soldier to trusted captain under Louis XIV. Dumas' other novels include "The Count of Monte Cristo" and "The Black Tulip". His works have been adapted into more than 200 movies, including The Man in the Iron Mask starring Leonardo DiCaprio.

The Three Musketeers + Twenty Years After + The Vicomte of Bragelonne + Ten Years Later
Twenty Years After
Twenty Years After

One of the preeminent novels by French writer Alexandre Dumas, this swashbuckling tale follows a group of honorable 17th-century swordsmen who must contend with powerful adversaries scheming against the queen. Determined to join the royal guard, young d'Artagnan leaves his country home and travels to Paris, where he unintentionally angers Aramis, Athos, and Porthos, the esteemed Three Musketeers.

Eventually winning the trust and admiration of the formidable trio of fighters, d'Artagnan joins them in their quest to thwart the plans of the sinister Cardinal Richelieu.

Twenty Years After e-artnow

For years d'Artagnan shared his adventures with his three comrades—Athos, Porthos, and Aramis—but now, in *Between Two Kings*, the First Musketeer returns to the forefront. This is truly d'Artagnan's novel, bringing to a dramatic climax the story that began when he first arrived in Paris thirty years earlier in *The Three Musketeers*. This brand-new translation of *Between Two Kings* immediately picks up the story and themes of *Blood Royal*, where d'Artagnan tries to thwart destiny by saving England's Charles I; now, he will be instrumental in the restoration of his son, Charles II, the first of the two kings of the title. Disappointed in the irresolution of young Louis XIV, d'Artagnan takes a leave of absence from the King's Musketeers and ventures to England with a bold plan to hoist Charles II onto his throne, a swashbuckling escapade in which he is unwittingly assisted by his old comrade Athos. D'Artagnan returns triumphant to France, where he is recalled to service by the second king, Louis XIV, who is now finally ready to take full advantage of the extraordinary talents of his officer of musketeers. This newly translated volume by Lawrence Ellsworth is the first volume of Alexandre Dumas's mega-novel *Le Vicomte de Bragelonne*, the

epic finale to the Musketeers Cycle, which will end with the justly-famous *The Man in the Iron Mask*. This marks the first significant new English translation of this series of novels in over a century.

The Three Musketeers e-artnow sro

The D'Artagnan Romances are a set of five novels by Alexandre Dumas (1802-1870), telling the story of the 17th-century musketeer D'Artagnan. Dumas based the character and attributes of D'Artagnan on captain of musketeers Charles de Batz-Castelmore d'Artagnan (c. 1611-1673) and the portrayal was particularly indebted to D'Artagnan's semi-fictionalized memoirs as written up 27 years after the hero's death by Gatien de Courtilz de Sandras (published 1700). The first two novels are: *The Three Musketeers*, set between 1625 and 1628; first published in serial form in the magazine *Le Siècle* between March and July 1844. Dumas claims in the foreword to have based it on manuscripts he had discovered in the Bibliothèque Nationale. *Twenty Years After*, set between 1648 and 1649; serialized from January to August, 1845. *Odin's Library Classics* is dedicated to bringing the world the best of humankind's literature from throughout the ages. Carefully selected, each work is unabridged from classic works of fiction, nonfiction, poetry, or drama.

D'Artagnan Independently Published

The Vicomte of Bragelonne: Ten Years Later (French: *Le Vicomte de Bragelonne ou Dix ans plus tard* [l vik t d b a l n u diz ply ta]) is a novel by Alexandre Dumas. It is the third and last of *The d'Artagnan Romances*,

following *The Three Musketeers* and *Twenty Years After*. It appeared first in serial form between 1847 and 1850. The final installment of the *D'Artagnan Romances* chronicles heroic adventures in seventeenth-century France, including the tale of "The Man in the Iron Mask." With 1844's *The Three Musketeers*, Alexandre Dumas introduced the world to the immortal hero D'Artagnan and the inseparable trio of king's Musketeers: Athos, Aramis, and Porthos. Their many escapades—full of swordfights, derring-do, and chivalry—came to define the swashbuckler genre of adventure fiction.

Twenty Years After | e-artnow

It is twenty years after the first *Musketeers* saga and Athos, Aramis, Porthos and d'Artagnan have all gone their separate ways. Midlife has mellowed the musketeers and definitely complicated their perceptions. Porthos has been indulging himself with his widows money and working himself up the caste ladder but is still not entirely accepted but the upper crust he wants to become. Aramis has gone into the church and, although he dreams wistfully of the days that he was a musketeer, his scheming has become more of a way of life than a troublesome quirk. Athos is the only one who still closely resembles the man he was in his youth. Even the hot tempered, rambunctious D'Artagnan has settled in to his career as a professional soldier. He is now a musketeer for the paycheck instead of the glory. Yet all deep down reminisce of the good old days - the only question is what will they do to recapture them. Mazarin has replaced Richelieu as Cardinal and the queen, once persecuted by the previous Cardinal, is now in league (or at least in bed) with the despised Italian Mazarin. Though Mazarin is popularly hated by the people, D'Artagnan jumps at the opportunity for advancement when Mazarin commissions him to reassemble the foursome ostensibly for the protection of the prince regent and queen. But the others

have their own ideas about working for Mazarin and Dumas maintains a delicate balance as the four eventually do come to work together though not entirely on the same side. *Twenty Years After* is more grounded in history than the first and I highly recommend this particular book for the notes in the back. For all the criticism that Dumas plays fast and loose with history, it depends on where you place your yardstick. He moves events around a bit with people coming back from exile a year or two early and a battle being fought several years later but, over all, this is really grounded in history. The bulk of the plot is the siege of Paris by the Queen (and Mazarin) in the late 1640s. The death of Charles I and the peasant revolt are more substantial historical events than the retrieval of the Queens diamonds in the first novel so expect a lot more complicated plot as far as people and events. Dumas knew his history (judging by the degree of deviation suggested by the notes) and though he might move or bend it, he still tried for plausibility. We also have a new arch enemy in this one - Lady DeWinters son, Mordaunt, who has come to seek revenge on the men who executed his mother in the first book. While still a superb adventure story, this is a more adult tale with more emphasis on psychological motivations and the effect of time on a mans ideals and motivations. I enjoyed the first one more because of the less complicated plot and swift action but that is not to suggest that *Twenty Years After* is lacking in any way. When taken in conjunction with the first, the idea is brilliant and brings out many more elements that a simple more of the same sequel just couldnt do.

Twenty Years After (1845), the sequel to The Three Musketeers, is a supreme creation of suspense and heroic adventure. Two decades have passed since the musketeers triumphed over Cardinal Richelieu and Milady. Time has weakened their resolve, and dispersed their loyalties. But treasons and stratagems still cry out for justice: civil war endangers the throne of France, while in England Cromwell threatens to send Charles I to the scaffold. Dumas brings his immortal quartet out of retirement to cross swords with time, the malevolence of men, and the forces of history. But their greatest test is a titanic struggle with the son of Milady, who wears the face of Evil.

This carefully crafted ebook: "The Three Musketeers + Twenty Years After + The Vicomte of Bragelonne + Ten Years Later + Louise de la Vallière + The Man in the Iron Mask (The Complete d'Artagnan Romances)" is formatted for your eReader with a functional and detailed table of contents. The d'Artagnan Romances are a set of three novels by Alexandre Dumas telling the story of the musketeer d'Artagnan from his humble beginnings in Gascony to his death as a marshal of France in the Siege of Maastricht in 1673. Dumas based the life and character of d'Artagnan on the 17th-century captain of musketeers Charles de Batz-Castelmore, Comte d'Artagnan, and Dumas's portrayal was indebted to the semi-fictionalized memoirs of d'Artagnan written 27 years after the hero's death by Gatien de Courtilz de Sandras (published in 1700). The d'Artagnan novels are: The Three Musketeers, set in 1625; first published in serial form in the magazine Le Siècle between March and July 1844. Dumas claimed it was based on manuscripts he had discovered in the Bibliothèque Nationale. Twenty Years After, set in 1648; serialized from January to August, 1845. The Vicomte of Bragelonne: Ten Years Later, set between 1660 and 1673; serialized from October 1847 to January 1850. This vast novel has been split into three, four, or five volumes at various points. In the three-volume edition, the novels are titled The Vicomte de Bragelonne, Louise de la Vallière and The Man in the Iron Mask. In the four-volume edition, the novels are titled The Vicomte de Bragelonne, Ten Years Later, Louise de la Vallière and The Man in the Iron Mask Alexandre Dumas

(1802 – 1870), also known as Alexandre Dumas, père, was a French writer, best known for his historical novels of high adventure. Translated into nearly 100 languages, these have made him one of the most widely read French authors in history.

Twenty Years After Simon and Schuster

In a splendid chamber of the Palais Royal, formerly styled the Palais Cardinal, a man was sitting in deep reverie, his head supported on his hands, leaning over a gilt and inlaid table which was covered with letters and papers. Behind this figure glowed a vast fireplace alive with leaping flames; great logs of oak blazed and crackled on the polished brass andirons whose flicker shone upon the superb habiliments of the lonely tenant of the room, which was illumined grandly by twin candelabra rich with wax-lights. Any one who happened at that moment to contemplate that red simar-the gorgeous robe of office-and the rich lace, or who gazed on that pale brow, bent in anxious meditation, might, in the solitude of that apartment, combined with the silence of the ante-chambers and the measured paces of the guards upon the landing-place, have fancied that the shade of Cardinal Richelieu lingered still in his accustomed haunt.
