Two-Handed Fighter build Character Build I am playing a Level 3 Human fighter (using a falchion) in a group of 4 along with a Rouge 1/Ranger 2, Bard 3, and Oracle 1/ Barb 2 (going to play a Rage Prophet).

Because a decent Dex helps with survivability even as a Strength based fighter because you get the Armor Training ability, which increases your maximum dexterity bonus in all armors. The Two-Handed Fighter archetype loses Armor Training though so the most Dex you need is +1 (12 Dex) to get 1 more AC while wearing Full Plate Armor.

The primary archetype of interest is the two-handed fighter (Advanced Player ' s Guide 108) which gives up your defensive abilities for improved ability to sunder, greater Strength bonuses to damage, and even improved Power Attack bonuses. If your primary aim is to deal a lot of damage with a two-hander, this archetype is one of the best for you.
