Two Towns in Provence

A recipe-complemented work continues the author's tribute to the region of Tuscany and its people, tracing the course of a year during which she renovated a thirteenth-century house in the mountains above Cortona.

Happiness, as Such Crown

In these fifteen remarkable stories, M.F.K. Fisher, one of the most admired writers of our time, embraces the coming of old age. With a saint to guide us, she writes, perhaps we can accept in a loving way "the inevitable visits of a possibly nagging harpy like Sister

Age" But in the stories, it is the human strength in the unavoidable encounter with the end of life that Fisher dramatizes so powerfully. Other themes—the importance of witnessing death, the marvelous resilience of the old, the passing of vanity—are all explored with insight, sympathy and, often, a sly wit.

Map of Another Town Penguin From the moment Peter Mayle and his wife, Jennie, uprooted their lives in England and crossed the Channel permanently, they never looked back. Here the beloved author of *A Year in Provence* pays tribute to the most endearing and enduring aspects of his life in France—the charming and indelible parade of village life, the sheer beauty, the ancient history. He celebrates the café and lists some of his favorites; identifies his favorite villages, restaurants, and open-air markets; and recounts his most memorable meals. A celebration of twenty-five years of Provençal living—of lessons learned and changes observed—with his final book Mayle has crafted a lasting

love letter to his adopted home, marked by his signature warmth, wit, and humor.

Farrar, Straus and Giroux

The book highlights her strong sense of place - Fisher's Celtic eye for detail - with a comparison of Aix-en-Provence, a university town, the site of an international music festival and the former capital of Provence, and Marseille, the port town. Fisher's description of the sights and smells belonging to an Aix bakery shop window is her Platonic ideal of a bakery shop to be found anywhere in France, for example, with its "delicately layered" scents of "fresh eggs, fresh sweet butter, grated

butter, vanilla beans, old kirsch and newly ground almonds." Then, there is her portrayal of the sounds of Aix's fountains mixed with the music of Mozart during the town's festival, leaving her bedazzled. She would return again and again to stroll the narrow streets of Aix with two young daughters who "seemed to grow like water-flowers under the greening buds of the plane trees." It is the quality of Fisher's writing that inspired photographer Aileen Ah-Tye to look for her Provence. In a letter to Fisher, Aileen would report back from Marseille: "The eels and the prickly rascasse were exotique to my San Francisco eyes, the smells as pungent as you can get, and . . . miracle of all miracles . . . the men and women on the docks were exactly as you described them." Thus, began a collaboration that illustrates Fisher's passion for life and all its sensual pleasures that nourish the soul.

In her third literary Baedeker, Alice Leccese Powers – editor of Italy in Mind and Ireland in Mind – explores France through the senses and sensibilities of thirty-three British and American authors. The food and the people, the culture and viniculture, the architecture and the expatriates, the pleasures (and frustrations) of France are described by intrepid travelers who also happen to be brilliant essayists, poets, and novelists. From Gertrude Stein 's Paris to Ezra Pound 's Pyrenees; from Tobias Smollett, who grumbled, to Peter Mayle, who settled in; and from Edith Wharton on falling in love to David Sedaris on falling over French grammar – here is France in all its splendor in the words of some of the best and most entertaining writers in the English language.

Nowhere in the world did the beloved food and travel writer M.F.K Fisher feel more at ease than in the port of Marseille. From her timeless A Considerable Town, published as part of Two Towns in Provence, here is her affectionate introduction to the old streets and bustling waterfront of France 's second city. " I first spent a night there in late 1929, and since then I have returned even oftener than seems reasonable," says Fisher of her long-term

love affair with the city by the sea. In these recollections she paints a vibrant, sun-drenched portrait of the distinctive character of Marseille and its residents, the insolite or “indefinable” identity that makes it unlike anywhere else. As she reflects on the history, the culture and, of course, the foods, that make Marseille what it is, Fisher brings the city to life as only she can. An eBook short.

In 1983, at the age of thirty, dissident artist Ma Jian finds himself divorced by his wife, separated from his daughter, betrayed by his girlfriend, facing arrest for “Spiritual Pollution,” and severely disillusioned with the confines of life in Beijing. So with little more than a change of clothes and two bars of soap, Ma takes off to immerse himself in the remotest parts of China. His journey would last three years and take him through smog-choked cities and mountain villages, from scenes of barbarity to havens of tranquility. Remarkably written and subtly moving, the result is an insight into the teeming contradictions of China that only a man who was both insider and outsider in his own country could have written.

When *Adventures on the Wine Route* was first published, Victor Hazan said, “In Kermit Lynch’s small, true, delightful book there is more understanding about what wine really is than in everything else I have read.” A quarter century later, this remarkable journey of wine, travel, and taste remains an essential volume for wine lovers. In 2007, Eric Asimov, in *The New York Times*, called it “one of the finest American books on wine,” and in 2012, *The Wall Street Journal* proclaimed that it “may be the best book on the wine business.” In celebration of its twenty-fifth anniversary, *Adventures on the Wine Route* has been thoroughly redesigned and updated with an epilogue and a list of the great wine connoisseur’s twenty-five most memorable bottles. In this singular tour along the French wine route, Lynch ventures forth to find the very essence of the wine world. In doing so, he never shies away from the attitudes, opinions, and beliefs that have made him one of our most respected and outspoken authorities on wine. Yet his guiding philosophy is

exquisitely simple. As he writes in the introduction, “Wine is, above all, about pleasure. Those who make it ponderous make it dull . . . If you keep an open mind and take each wine on its own terms, there is a world of magic to discover.” *Adventures on the Wine Route* is the ultimate quest for this magic via France’s most distinguished vineyards and wine cellars. Lynch draws vivid portraits of vintners—from inebriated négociants to a man who oversees a vineyard that has been in his family for five hundred years—and memorably evokes the countryside at every turn. “The French,” Lynch writes, “with their aristocratic heritage, their experience and tradition, approach wine from another point of view . . . and one cannot appreciate French wine with any depth of understanding without knowing how the French themselves look at their wines, by going to the source, descending into their cold, humid cellars, tasting with them, and listening to the language they employ to describe their wines.” Here, Kermit Lynch assures a whole new generation of readers—as well as his loyal fans—that

discussions about wine need not focus so stringently on "the pH, the oak, the body, the finish," but rather on the "gaiety" of the way "the tart fruit perfume[s] the palate and the brain."

"Ann Barry tells her tale directly and clearly, without cloying artifice or guile, so that it has the warmth, honesty, and force of a long letter from an old friend. She makes her reader a welcome house guest in her much-loved little cottage in the heart of France." \*Susan Allen Toth  
Ann Barry was a single woman, working and living in New York, when she fell in love with a charming house in Carennac in southwestern France.

Even though she knew it was the stuff of fantasy,

even though she knew she would rarely be able to spend more than four weeks a year there, she was hooked. This spirited, captivating memoir traces Ms. Barry's adventures as she follows her dream of living in the French countryside: Her fascinating (and often humorous) excursions to Brittany and Provence, charmed nights spent at majestic chateaux and back-road inns, and quiet moments in cool Gothic churches become our own. And as the years go by, and "I' Americaine," as she is known, returns again and again to her real home, she becomes a recognizable fixture in the neighborhood. Ann Barry is a foreigner enchanted with an unpredictable world that seems constantly fresh and exciting. In this vivid memoir, she shares the colorful world that is her France. Provence, 1970 Random House Digital, Inc.

Now in paperback, the critically acclaimed Ritz and Escoffier. In a tale replete with scandal and opulence, Luke Barr, author of the New York Times bestselling *Provence, 1970*, transports readers to turn-of-the-century London and Paris to discover how celebrated hotelier César Ritz and famed chef Auguste Escoffier joined forces at the Savoy Hotel to spawn a scandalously modern luxury hotel and restaurant, signaling a

new social order and the rise of the middle class. In early August 1889, César Ritz, a Swiss hotelier highly regarded for his exquisite taste, found himself at the Savoy Hotel in London. He had come at the request of Richard D'Oyly Carte, the financier of Gilbert & Sullivan's comic operas, who had modernized theater and was now looking to create the world's best hotel. D'Oyly Carte soon seduced Ritz to move to London with his team, along with Auguste Escoffier, the chef de cuisine known for his elevated, original dishes. The two created a hotel and restaurant like no one had ever experienced, in often mysterious and always extravagant ways, where British high society mingled with American Jews and women. Barr deftly recreates the thrilling Belle Époque era just before World War I, when British aristocracy was at its peak, women began dining out unaccompanied by men, and American nouveaux riches and gauche industrialists convened in London to show off their wealth. In their collaboration at the still celebrated Savoy

Hotel, the pair welcomed loyal and sometimes salacious clients, such as Oscar Wilde and Sarah Bernhardt; Escoffier created the modern kitchen brigade and codified French cuisine in his seminal *Le Guide culinaire*, which remains in print today; and Ritz, whose name continues to grace the finest hotels, created the world's first luxury hotel. The pair also ruffled more than a few feathers. Fine dining and luxury travel would never be the same--or more intriguing. High Bonnet Macmillan A beguiling mystery that finds Verlaque and Bonnet searching for a murderer—in a crime tied to Provence's greatest artist Provençal Mystery Series #5 A friend in his cigar club asks Antoine Verlaque to visit René Rouquet, a retired postal worker who has found a rolled-up canvas in his apartment. As the apartment once belonged to Paul Cézanne, Rouquet is convinced he's discovered a treasure. But when Antoine arrives at the

apartment, he finds René dead, the canvas missing, and a mysterious art history professor standing over the body. When the painting is finally recovered, the mystery only deepens. The brushwork and color all point to Cézanne. But who is the smiling woman in the painting? She is definitely not the dour Madame Cézanne. Who killed René? Who stole the painting? And what will they do to get it back? Like Donna Leon and Andrea Camilleri, M. L. Longworth's enchanting mysteries blend clever whodunits with gustatory delights and the timeless romance of Provence. success as a chef and a writer, brilliantly capturing one of America's most endearing personalities. A Good Year Rick Steves One of Christopher Kimball's Six Favorite Books About Food A beautiful and deeply researched investigation into French cuisine, from the founding editor of The Art of Eating and author of 50 Foods. In THE FOOD AND WINE OF FRANCE, the influential food writer Edward Behr investigates French cuisine and what it means, in encounters from Champagne to Provence. He tells the stories of French artisans and chefs who continue to work at the highest level. Many people in and out of France have noted for a long time the slow retreat of French cuisine, concerned that it is losing its important place in the country's culture and in the world culture of food. And yet, as Behr writes, good French food remains very, very delicious. No cuisine is better. The sensuousness is overt. French cooking is generous, both obvious and subtle, simple and complex, rustic and utterly refined. A lot of recent inventive food by comparison is wildly abstract and austere. In the tradition of great food writers, Edward Behr seeks out the best of French food and wine. He shows not only that it is as relevant as

ever, but he also challenges us to see that it might become the world's next cutting edge cuisine. France remains the greatest country for bread, cheese, and wine, and its culinary techniques are the foundation of the training of nearly every serious Western cook and some beyond. Behr talks with chefs and goes to see top artisanal producers in order to understand what "the best" means for them, the nature of traditional methods, how to enjoy the foods, and what the optimal pairings are. As he searches for the very best in French food and wine, he introduces a host of important, memorable people. THE FOOD AND WINE OF FRANCE is a remarkable journey of discovery. It is also an investigation into why classical French food is so extraordinarily delicious--and why it will endure.
