In this exquisitely told novel, John le Carré shows us once again his acute understanding of the world we live in and where power really lies. In the wake of the collapse of Lehman Brothers and with Britain on the brink of economic ruin, a young English couple takes a vacation in Antigua. There they meet Dima, a Russian who styles himself the world's Number One money-lauder and who wants, among other things, a game of tennis. Back in London, the couple is subjected to an interrogation by the British Secret service who also need their help. Their acquiescence will lead them on a precarious journey through Paris to a safe house in Switzerland, helpless pawns in a game of nations that reveals the unholy alliances between the Russian mafia, the City of London, the government and the competing factions of the British Secret Service. *Our Kind of Traitor* Westland Books Pvt Limited

Bush and Charles Atlas in this way. Inspiring, thought provoking and illuminating, *LOVE, SEX & TRAGEDY* shows again and again how and why the Romans and Greeks still matter.

To solve his lover's murder, a spy must investigate his own checkered past in a thriller that spans from Weimar Germany to Cold War Vietnam. CIA Agent Paul Christopher is used to the feeling of dread. So he doesn't think much of Molly Benson's concerns as he leaves her bed in Paris for a quick trip to Vietnam. But minutes after Christopher boards the jet, his lover falls victim to a vehicular homicide. To explain this seemingly senseless murder, *The Last Supper* takes its readers back not only to the earliest days of Christopher's life, but also to the origins of the CIA in the clandestine operations of the OSS during World War II. Moving seamlessly from tales of refugee smuggling in Nazi Germany, to guerilla warfare in Burma, to the chaotic violence of the Vietnam War, McCarray creates an intimate history of espionage, and the shadow world of deceit and betrayal in which it operates.
