In Immigration Law and Practice, authors Gansallo and Bernstein-Baker share with students and practitioners their extensive knowledge and practical experience to ensure just results in immigration cases. Immigration law is constantly in flux. Immigration Law and Practice, Third Edition offers a thorough, accessible, and practical approach to understand and apply U.S. laws and regulations to help protect refugees, bring needed workers to the U.S., prevent separation of and reunite families, and provide relief to foreign nationals facing removal proceedings. Attuned to the sensitivity and responsibility necessary to ensure just results in high-stakes immigration cases, the authors, who have a combined 35-plus years of front-line experience, provide readers with in-depth information and highlight readers recent changes and ongoing litigation where applicable. In addition, the book offers a section on enforcement in both the non-and employment-based contexts, providing avenues for discussions on matters of policy. They generously and freely offer their knowledge and insights into the complex legal issues faced by immigration clients, followed up by proposing strategies for the professionals seeking to help them. Professors, students, and legal practitioners new to the practice of immigration law will benefit from: Compact, accessible coverage of complex fluctuating U.S. immigration law and regulations, including: Nonimmigrant visas, including B-1/B-2, F-1. H-1Bs, and visas for investment and trade. Immigration options for humanitarian immigrants such as asylum seekers, refugees, survivors of domestic violence protected by the Violence Against Women Act (VAWA), SIJ, U, and T visa applicants. Lawful permanent resident applications based on family relationships, employment, and investment, including adjustment of status, Permanent Labor Certification Program (PERM), and consular processing. Grounds of inadmissibility, deportation, and explanation of immigration court removal processes, including waivers and relief from removal. Naturalization and citizenship eligibility. Balanced coverage of statutory and procedural rules with practical insights to aid in problem-solving. Numerous cases for discussion, with responses on the companion website available to instructors. Frequent vivid examples and cases from real life to assist readers in translating legal rules and theory into practice. Tools for student success, including learning objectives, marginal notes on key terms, and many documents and illustrations from actual practice. A chapter on managing the immigration practice, including performing case assessment and interviewing. Website updates to keep students and faculty current with the latest changes in this fast-moving subject area.  
Immigration Made E-Z NOLO  
“ An incisive look at immigration, assimilation, and national identity ” (Kirkus Reviews) and the landmark immigration law that transformed the face of the nation more than fifty years ago, as told through the stories of immigrant families in one suburban county in Virginia. In the years since the 1965 Immigration and Nationality Act, the foreign-born population of the United States has tripled. Americans today are vastly more diverse than ever. They look different, speak different languages, practice different religions, eat different foods, and enjoy different cultures. In 1950, Fairfax County, Virginia, was ninety percent white, ten percent African-American, with a little more than one hundred families who were “ other. ” Currently the Anglo white population is less than fifty percent, and there are families of Asian, African, Middle Eastern, and Latin American origin living all over the county. “ In A Nation of Nations, National Public Radio correspondent Tom Gjelten brings these changes to life ” (The Wall Street Journal), following a few immigrants to Fairfax County over recent decades as they gradually “ Americanize. ” Hailing from Korea, Bolivia, and Libya, the families included illustrate common immigrant themes: friction between minorities, economic competition and entrepreneurship, and racial and cultural stereotyping. It ’ s been half a century since the Immigration and Nationality Act changed the landscape of America, and no book has assessed the impact or importance of this law as A Nation of Nations. With these “ powerful human stories...Gjelten has produced a compelling and informative account of the impact of the 1965 reforms, one that is indispensable reading at a time when anti-immigrant demagoguery has again found its way onto the main stage of political discourse ” (The Washington Post).

visa? Find everything you need here.  
Citizenship Made Simple Sheridan Chandler Company  
“ This immigration story is universal. ” —School Library Journal,  
Starred Dan Yaccarino ’ s great-grandfather arrived at Ellis Island with a small shovel and his parents ’ good advice: “ Work hard, but remember to enjoy life, and never forget your family. ” With simple text and warm, colorful illustrations, Yaccarino recounts how the little shovel was passed down through four generations of this Italian-American family—along with the good advice. It ’ s a story that will have kids asking their parents and grandparents: Where did we come from? How did our family make the journey all the way to America? “ A shovel is just a shovel, but in Dan Yaccarino ’ s hands it becomes a way to dig deep into the past and honor all those who helped make us who we are. ” —Eric Rohmann, winner of the Caldecott Medal for My Friend Rabbit  
“ All the Way to America is a charmer. Yaccarino ’ s heartwarming story rings clearly with truth, good cheer, and love. ” —Tomie dePaola, winner of a Caldecott Honor Award for Strega Nona

Essentials of Immigration Law Amer Immigration Lawyers Assn  
The first book to comprehensively describe the history, theory, and application of prosecutorial discretion in immigration law When Beatles star John Lennon faced deportation from the U.S. in the 1970s, his lawyer Leon Wildes made a groundbreaking argument. He argued that Lennon should be granted “ nonpriority ” status pursuant to INS ’ s (now DHS ’ s) policy of prosecutorial discretion. In U.S. immigration law, the agency exercises prosecutorial discretion favorably when it refrains from enforcing the full scope of immigration law. A prosecutorial discretion grant is important to an agency seeking to focus its priorities on the “ truly dangerous ” in order to conserve resources and to bring compassion into immigration enforcement. The Lennon case marked the first moment that the immigration agency ’ s prosecutorial discretion policy became public knowledge. Today, the concept of prosecutorial discretion is more widely known in light of the Obama Administration ’ s Deferred Action for Childhood Arrivals or DACA program, a record number of deportations and a stalemate in Congress to move immigration reform. Beyond Deportation is the first book to comprehensively describe the history, theory, and application of prosecutorial discretion in immigration law. It provides a rich history of the role of prosecutorial discretion in the immigration system and unveils the powerful role it plays in protecting individuals from deportation and saving the government resources. Shoba Sivaprasad Wadhia draws on her years of experience as an immigration attorney, policy leader, and law professor to advocate for a bolder standard on prosecutorial discretion, greater mechanisms for accountability when such standards are ignored, improved transparency about the cases involving prosecutorial discretion, and recognition of “ deferred action ” in the law as a formal benefit.
