Political provocateur Bill Maher tells it like it is in a useful and hilarious guide for the many Americans who want to do more here at home to help the war effort, but are at a loss as to what. Thirty-three dynamic new posters and several classics from our government ' s archive, accompanied by text from one of our leading pundits and cutting-edge comedians make this the perfect book for this time in our nation ' s history, the zeitgeist of one-year-post-9/11 America.

This is the book that will help Americans make the connections between what we do and how it can help our troops and ourselves. Having always defined political correctness as the elevation of sensitivity over truth, and being an optimist, I guessed that after 9/11, Americans would judge all matters " ' to be an indulgence herewith unaffordable. Boy, was I wrong."

Josh Wolf--one of the stars and writers of Chelsea Lately and After Lately--delivers a hilarious collection of essays that reminds us all what it takes to conquer fatherhood without sacrificing manhood. Struggling to make it as a stand-up comic didn't always fit with being a single parent. But Josh figured out his own set of rules--through trial and (frequent) error. Early picking up kids from school? The nearby strip club is a great place to kill time and bond with some like-minded dads. Want a drunken heart-to-heart with your son? First make sure there's no Sharpie around in case you pass out.

Wondering where to take that special someone at the end of the night? Remember that no sane woman will have sex with you in a one-bedroom apartment where your kids are sleeping--even if you promise to be really, really quiet. Whether it's revealing the secrets to limitless hookups (hint: it's single moms) and getting rid of your children's friends that you just can't stand (hint: it's not single moms), or blackmailing PTA members and ignoring health codes, Josh is sure to impart some parenting wisdom along the way. Or at least have a good time trying.

Official Book Club Selection is Kathy Griffin unplugged, uncensored, and unafraid to dish about what really happens on the road, away from the cameras, and at the star party after the show. (It's also her big chance to score that coveted book club endorsement she's always wanted. Are you there, Oprah? It's me, Kathy.) Kathy Griffin has won Emmys for her reality show *Kathy Griffin: My Life on the D-List*, been nominated for a Grammy, worked and walked every red carpet known to man, and rung in the New Year with Anderson Cooper. But the legions of fans who pack Kathy's sold-out comedy shows have heard only part of her remarkable story. Writing with her trademark wit, the feisty comic settles a few old scores, celebrates the friends and mentors who helped her claw her way to the top, and shares insider gossip about celebrity behavior--the good, the bad, and the very ugly. She recounts the crazy ups and downs of her own career and introduces us to some of the supertalented people she encountered before they got famous (or, in some cases, after fame went to their heads). Word to the wise: If you've ever crossed Kathy Griffin at some point in your life, check the index for your name. Along the way, Kathy reveals intimate details about her life before and after she made the big time. She opens up about everything from growing up with a dysfunctional family in suburban Illinois to bombing as a young comedian in L.A., from her well-publicized plastic surgery disasters to her highly publicized divorce, and more. Only in this book will you learn how the dinner table is the best training ground for a career in stand-up, how speaking your mind can bite you on the ass and buy you a house, and which people in Kathy's life have taught her the most valuable lessons--both inside and outside the entertainment industry. And as if all that wasn't enough, there are also dozens of exclusive and somewhat embarrassing photos from Kathy's own collection--featuring the diva of the D List herself, with her old nose as well as her new one, plus celebrity friends, foes, frenemies, and hangers-on for you to gawk at.

Refreshingly candid, unflinchingly honest, and full of hilarious "Did she really say that?" moments, Official Book

Club Selection will make you laugh until you cry, or just puke up a little bit.

The dramatic story of explorer Douglas Mawson and "the most outstanding solo journey ever recorded in Antarctic history" (Sir Edmund Hillary, mountaineer and explorer) For weeks in Antarctica, Douglas Mawson faced some of the most daunting conditions ever known to man: blistering wind, snow, and cold; the loss of his companion, dogs, supplies, and even the skin on his hands and feet. But despite constant thirst, starvation, disease, and snow blindness—he survived. Sir Douglas Mawson is remembered as the young Australian who would not go to the South Pole with Robert Scott in 1911. Instead, he chose to lead his own expedition on the less glamorous mission of charting nearly 1,500 miles of Antarctic coastline and claiming its resources for the British Crown. His party of three set out through the mountains across glaciers in 60-mile-per-hour winds. Six weeks and 320 miles out, one man fell into a crevasse—along with the tent, most of the equipment, the dogs' food, and all except a week's supply of the men's provisions. Mawson's Will is the unforgettable story of one man's ingenious practicality, unbreakable spirit, and how he continued his meticulous scientific observations even in the face of death. When the expedition was over, Mawson had added more territory to the Antarctic map than anyone else of his time. Thanks to Bickel's moving account, Mawson can be remembered for the vision and dedication that make him one of the world's great explorers.

Welcome to Chelsea Handler's world—a place where absurdity reigns supreme and a quick wit is the best line of defense. When Chelsea Handler needs to get a few things off her chest, she appeals to a higher power—vodka. Seems reasonable, when considering that she discovered her boyfriend was having an affair with a Peekapoo and she had to pretend to be honeymooning with her father in order to upgrade to first class. In this highly entertaining, deliciously skewed collection, Chelsea mines her past for stories about her family, relationships, and career that are at once singular and ridiculous. Whether she 's convincing her third-grade class that she has been chosen to play Goldie Hawn ' s daughter in the sequel to Private Benjamin, deciding to be more egalitarian by dating a redhead, or looking out for a foulmouthed, rum-swilling little person who looks just like her...only smaller, Chelsea has a knack for getting herself into the most outrageous situations. Are You There, Vodka? It ' s Me, Chelsea showcases the candor and irresistible turns of phrase that have made her one of the freshest voices in comedy today.

From the creator of the hugely popular @thefatjewish Instagram comes an outlandish collection of hilarious personal essays and images, which might be the most ridiculous book in the history of arts and letters. If Steven Seagal and Barbara Streisand had drunken sex and conceived a baby boy, he would have show business chops and be proficient in martial arts. That boy would become Josh Ostrovsky, often known as "The Fat Jew." Born and bred in New York City, Ostrovsky's overbearing mother entered him into "the biz" as an 8-year old with exquisite cheekbones and the singing voice of an angel. He appeared in a plethora of television commercials, and after his child-acting career fizzled, Ostrovsky took 20 years away from the limelight to focus on finding himself, eventually opening a yoga center in Toronto, and receiving his MFA in pottery at Middlebury College. JK, he mostly just did drugs. But in 2009, when social media became a thing, he triumphantly returned to a life in the spotlight. He exfoliates daily, plays the harp, bakes his own croutons for every salad he eats, once saved a baby deer with a broken leg who had fallen into a stream, and speaks fluent Portuguese. With an army of followers on social media that often border on fanatical and creepy, he is a "rising" "star" whose backup plan is to marry Suri Cruise when she's of legal consenting age. Channeling the brilliance of his online presence, MONEY PIZZA RESPECT rolls out one ludicrous story after another—from puking on his grandfather after a debauched drunken night to saving his deaf neighbor from a burning building, to hiring prostitutes for the sole purpose of reenacting scenes from Mel Gibson's Braveheart. In this, the next milestone of his glorious life, Ostrovsky will attempt to reinvigorate the dying medium of books. Writer. Plus Size Model. Horseback riding enthusiast. Instagram Legend. Josh Ostrovsky: The Fat Jew.

New York Times bestselling author, comedian, and Chelsea Lately writer Heather McDonald ' s hilarious true story of finding herself in the predicament of being an unwilling virgin at the age of twenty-seven. Can ' t a girl dress like a hooker, dance like a stripper, and kiss like a porn star and still be a nineteen-year-old virgin? You ' ll Never Blue Ball in This Town Again is the laugh-out-loud story of an attractive Los Angeles woman who found herself in the predicament of being an unwilling virgin. As an actress, writer, and stand-up comedienne, Heather McDonald passed up ample opportunities to have her V-card revoked by handsome, rich, and sometimes even fabulously famous men, but she could not bring herself to do " it " until well after her friends had been deflowered. As Chelsea Handler so lovingly puts it, " Thank God Heather waited twenty-seven years to lose her virginity or she wouldn ' t have any material for this book. " Whether in a backseat, a community pool, or a sports stadium, with a frat boy, a doctor, or an A-list celebrity, Heather McDonald knew how to turn those boys blue. Unlike " putting out, " blue balling might not have paid her rent or landed her free trips to Hawaii, but it did provide her with hilarious stories and adventures in her search for true love—and, ultimately, her very own happy ending. Now, Heather McDonald will never blue ball in this town again.
