A NEW YORK TIMES Notable Book of the Year “In her book about her life, Miss Hepburn insists that that woman in the movies was not her at all. ‘I’m not going to hide behind you anymore,’ she says. ‘Who are you anyway? You’re not me.’ Sure she is. The

woman in the book is cocky, fearless, smart, capable, and human, on screen and off.”—Anna Quindlen, The New York Times Admired and beloved by movie audiences for more than sixty years, four-time Academy Award winner Katharine Hepburn is an American classic and an extraordinary, enduring presence on the international cultural scene. Yet her private life has been obscured by mystery. Now Miss Hepburn breaks her long-kept silence in this absorbing and provocative memoir. With characteristic gusto and candor, Katharine Hepburn reflects on the events, people, and places that have shaped her life—her childhood and

family, her early days in New York, and her experiences with political activism. She talks about the ups and downs of her career, her long friendship with Spencer Tracy, and of course, her close collaborations with several of the leading actors, directors, and producers of the past half century. Me is an unforgettable portrait of Katharine Hepburn as we have not seen her before. “It is the understanding heart revealed just before the final curtain that makes us fall in love with Katharine Hepburn.”—The New York Times Book Review NOTE: This edition does not include photographs. I Like You Just the Way I Am Grand Central Publishing

'Many people feel like a one-night stand is something to be ashamed or embarrassed of. I disagree...' We've all (well not quite all, perhaps) had at least one: a one-night stand. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night-stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men...Lots of them. My Horizontal Life chronicles Chelsea's romps through the bedrooms of a host of potential suitors, uncovering what can happen in one night of passion between a man and a sometimes very intoxicated woman. From her short fling with a Vegas stripper named Thunder to her even shorter fling with a very short man, she recalls her myriad one-night

stands with hilarious honesty. My Horizontal Life is a sensationally frank and funny memoir of sexual life, and a gloriously quirky take on why we do the things we do. Whether you have been there yourself or not, its one guilty pleasure you won't be ashamed to talk about in the morning...

Books of Adam Grand Central Publishing

Adam Ellis knew it was time to leave art school when a fellow student presented her final project to the class: "I put a condom on the Virgin Mary," she announced, unveiling a cheap figurine sheathed in latex. The professor loved it. Baffled by the praise his classmate receives, and intent on becoming an artist on his own terms, Adam plots his escape to Portland, Oregon to begin his life in the real world--only to realize that adulthood is a lot harder than it looks. Based on the blog of the same name, BOOKS OF ADAM details Adam's hilarious trials and tribulations in his attempt to become a functioning member of society. From his arrest after shoplifting a bottle of chocolate milk to a misguided attempt to make friends that lands him in a shack with

a hippie couple who have just skinned a rabbit and are trying to entice him into a three-some, Adam is an amicable guy who can't seem to keep himself out of trouble. Paired with his signature black and white illustrations, Adam's stories weave together an uproariously funny and ultimately charming narrative about a young man trying to find his place in the world. In this uproarious collection of travel essays, Chelsea Handler sneaks her sharp wit through airport security and delivers her most absurd and hilarious stories ever. On safari in Africa, it's anyone's guess as to what's more dangerous: the wildlife or Chelsea. But whether she's fumbling the seduction of a guide by not knowing where tigers live (Asia, duh) or wearing a bathrobe into the bush because her clothes stopped fitting seven margaritas ago, she's always game for the next misadventure. The situation gets down and dirty as she defiles a kayak in the Bahamas, and outright sweaty as she escapes from a German hospital on crutches. When things get truly scary, like finding herself stuck next to a passenger with

bad breath, she knows she can rely on her family to make matters even worse. Thank goodness she has the devoted Chunk by her side—except for the time she loses him in Telluride. Complete with answers to the most frequently asked traveler's questions, hot travel trips, and travel etiquette, none of which should be believed, *Uganda Be Kidding Me* has Chelsea taking on the world, one laugh-out-loud incident at a time.

***A NEW YORK TIMES HUMOR**

BESTSELLER* By the author of *I Like You Just the Way I Am* and a frequent Chelsea contributor, an outrageous collection of personal stories about motherhood, responsibility, and other potential disasters. Jenny Mollen is a writer and actress living in New York. Until recently, her life was exciting, sexy, a little eccentric, and one hundred percent impulsive. She had a husband who embraced her crazy—who understood her need to occasionally stalk around the house in his ex-girlfriend's old beach caftans and to invite their drug dealer to Passover seder (so he wouldn't feel like they were using him only for drugs). Then they had their son, Sid, and overnight, Jenny

was forced to grow up: to be responsible, to brush her hair, to listen to her voicemail. Searingly funny and surprisingly affecting, *Live Fast Die Hot* is a collection of stories about what happens when you realize that some things are more important than crafting the perfect tweet—and a reminder that even if you never thought you were cut out for parenting, at least you can be better at it than your mother.

Uganda Be Kidding Me Simon and Schuster
Josh Wolf—one of the stars and writers of *Chelsea Lately* and *After Lately*--delivers a hilarious collection of essays that reminds us all what it takes to conquer fatherhood without sacrificing manhood. Struggling to make it as a stand-up comic didn't always fit with being a single parent. But Josh figured out his own set of rules--through trial and (frequent) error. Early picking up kids from school? The nearby strip club is a great place to kill time and bond with some like-minded dads. Want a drunken heart-to-heart with your son? First make sure there's no Sharpie around in case you pass out. Wondering where to take that special someone at the end of the night? Remember that no sane woman will have sex with you in a one-bedroom apartment where your kids are sleeping--even if you promise to be really, really quiet. Whether

it's revealing the secrets to limitless hookups (hint: it's single moms) and getting rid of your children's friends that you just can't stand (hint: it's not single moms), or blackmailing PTA members and ignoring health codes, Josh is sure to impart some parenting wisdom along the way. Or at least have a good time trying.

My Horizontal Life Steerforth

As a young kid growing up in a farm town, Ross Mathews might as well have wished for a pet unicorn or a calorie-free cookie tree to grow in his front yard. Either of those far-fetched fantasies would have been more likely to come true than his real dream: working in television in Hollywood, California. Seriously, that stuff just doesn't happen to people like Ross. But guess what. It totally did. Now, with his first book, Ross takes us inside his journey as a super-fan, revealing the most embarrassing and hilarious moments of his small-town life and big-city adventures. From learning to swear like a hardened trucker to that time in high school when had to face down the most frightening opponent of all (his girlfriend's lady bits), Ross holds nothing back. Oh, then there's his surprisingly shady past involving the cutest pair of plus-sized women's pajama bottoms, deliciously dangerous pot butter, and embezzled sandwiches. And, of course, how he's managed to turn an obsession with pop-culture into one-

on-one interactions with celebrities like Gwyneth Paltrow, Tiffani-Amber Theissen, Madonna, Michelle Kwan, and countless more without ever having a single restraining order issued against him. Infused with Ross's trademark humor, unique voice, and total honesty, **MAN UP!** is a mission statement for anyone who doesn't fit the mold. His hasn't been the most traditional way to build a career in Hollywood, but Ross has somehow managed to make his mark without ever compromising who he is. He is as serious about this as he is about Golden Girls trivia: You don't need to change who you are to achieve your dreams (although there's nothing wrong with a makeover every now and then). You just need to Man Up!

Are You There, Vodka? It's Me, Chelsea

In this wickedly funny and irreverent memoir, Chelsea Lately writer and comedian Sarah Colonna opens up about love, life, and pursuing her dreams . . . and then screwing it all up. Sarah believes we all struggle to grow up. Sometimes we want to have fun, not take things too seriously, and have that fourth margarita. Other times we would like to get married, stay in, order Chinese food, and have a responsible, secure life. From her formative years in small-town Arkansas to a

later career of dates, drinks, and questionable day jobs, Colonna attempts to reconcile her responsible side with her fun-loving side. Sometimes this pans out, and sometimes she finds herself in Mexico handing out her phone number to anyone who calls her pretty. She moves to Los Angeles to pursue acting, but for years is forced to hone her bartending skills; she wants a serious boyfriend, but won't give up nights at the bar with her friends. She tries to behave like an adult, but can't seem to stop acting like a frat boy. In the end, she discovers that there doesn't have to be just one or the other. And if there's one thing Colonna has learned from her many missteps, it's that hindsight is always 100 proof. Includes a Foreword by Chelsea Handler

An empowering book on propelling profound social change by going inward, from a mindfulness teacher and activist who has turned personal practice into movements The practice of self-care is most often touted for its profound mind, body, and spirit benefits. Shelly Tygielski shows that self-care can also be a powerful tool for spurring transformative collective action. In a winning combination of memoir, manifesto, and how-to, Shelly shares her evolution from a Jerusalem-born child of traditional Sephardic Jewish parents to a middle-class American

suburban youth who questioned her faith to a young executive in corporate America. As she used radical self-care practices to manage a serious chronic health issue, she had an epiphany: finding true health and peace is not a solo endeavor but one that lives in connection with others. Tygielski considers herself an unlikely meditator, activist, and teacher. But as such, she is uniquely qualified to speak to all today who wonder, "What can I do?" or, "Will my actions even make a difference?" Tygielski's work began as "me" work and transformed into "we" work. In *Sit Down to Rise Up*, she shows that this is possible for all of us.

The Girl with the Lower Back Tattoo Anchor New York Times bestselling author, comedian, and Chelsea Lately writer Heather McDonald ' s hilarious true story of finding herself in the predicament of being an unwilling virgin at the age of twenty-seven. Can ' t a girl dress like a hooker, dance like a stripper, and kiss like a porn star and still be a nineteen-year-old virgin? You ' ll Never Blue Ball in This Town Again is the laugh-out-loud story of an attractive Los Angeles woman who found herself in the predicament of being an unwilling virgin. As an actress, writer, and stand-up comedienne, Heather McDonald passed up ample opportunities to have her V-card revoked by handsome, rich, and sometimes even fabulously famous men, but she could not bring herself to do " it " until well after her friends had been deflowered. As Chelsea Handler so lovingly puts it, " Thank God Heather waited twenty-seven years to lose her virginity or she wouldn ' t have any material for this book. " Whether in a backseat, a community pool, or a sports stadium, with a frat boy, a doctor, or an A-list celebrity, Heather McDonald knew how to turn those boys blue. Unlike

" putting out, " blue balling might not have paid her rent or landed her free trips to Hawaii, but it did provide her with hilarious stories and adventures in her search for true love—and, ultimately, her very own happy ending. Now, Heather McDonald will never blue ball in this town again.

Uganda Be Kidding Me Grand Central Publishing

In this raucous collection of true-life stories,

Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. My Horizontal Life chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty.

Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won't be ashamed to talk about in the morning.

"My tendency to make up stories and lie compulsively for the sake of my own amusement takes up a good portion of my day and provides me with a peace of mind not easily attainable in this economic climate."--Chelsea Handler, from

Chapter 10 of Chelsea Chelsea Bang Bang It's no lie: Chelsea Handler loves to smoke out "dumbassness," the condition people suffer from that allows them to fall prey to her brand of complete and utter nonsense. Friends, family, co-workers--they've all been tricked by Chelsea into believing stories of total foolishness and into behaving like total fools. Luckily, they've lived to tell the tales and, for the very first time, write about them.

Find Me Simon and Schuster

From the star of USA reality show The Radkes and creator of the viral "Red Ribbon Week" video, this is a hilarious and inspiring story of finding self-confidence in a world of naysayers. My name is Melissa Radke, and there is a very real chance you have no idea who I am or why I wrote a book. But admit it, you're curious! Even though millions of people seem to like watching my videos and The Radkes TV show bemoaning the trials of parenting, marriage, French braiding, faith, and living life as an anti-aging female, you may still be wondering who let me write a book. I mean, books are written by people who say things like, "I was having a root canal and I literally died in the chair. I saw heaven. Also, when I came back to earth I could speak Mandarin." Yeah, that didn't happen

to me. I wrote this book because when I turned 41 I made the decision to live brave, bolder, and freer. I thought our lives were supposed to change when we turned 40. But mine changed when I turned 41 and I set out to prove that it wasn't too late for me. And maybe, just maybe, reading about my journey to find my sense of self-worth will help you rightfully believe in yours. This book is about how all the years of my life led up to the one that changed it. So, cut a big slice and raise a fork...Here's to bravery. Here's to courage. Here's to cake. (And not the crappy kind, like carrot.)
