(e-book) This Guide complements the textbook. It
contains 125 short questions and provides model
answers for each.

Free Ultrasound Physics Test Questions

I was a practicing Sonographer working in a large hospital with
many Ultrasound Students. I began to notice a few things about
the way my students would prepare for their Ultrasound
Registry. All the students would study the same way. They
would buy the top 2 or 3 Ultrasound physics books and index
cards with questions and answers on them.
