Walther PPK/s. Walther PPK/s is very similar to the old model, but with the distinct change of the co2 loading method. This model now features a hidden screw which is tightened with a special tool, instead of the large visible knob which was seen on the old model. The PPKs is a blowback pistol which means the slide shoots backwards on each shot to reload the next BB, which provide a great sense of realism and is huge fun.
