"An important contribution to the understanding of alchemical psychology, this book draws upon a postmodern sensibility to develop an original understanding of the black sun. It offers insight into modernity, the act of imagination, and the work of analysis in understanding depression, trauma, and

transformation of the soul. Marlan's original reflections help us to explore the unknown darkness conventionally called the Self."--BOOK JACKET.

This volume demonstrates for the first time that Mozart's opera Die Zauberflöte is an enactment of the alchemical opus magnum, in the form of a chemical wedding. Towards the end of the 18th century, alchemy was still a prominent mystical current within the Order of Freemasons of which Mozart and his librettists were members. The central part focuses on the opera's alchemical structure, whereas the historical and mythological backgrounds are also dealt with extensively.

The book comes with 3 CD's offering a rendition of the integral opera, in contrast to the common practice of leaving out major parts of the libretto. The Magic Flute is a fascinating journey of discovery, an initiation into Initiation. With complete original libretto and over 100 pictures.

Spiritual warfare is not a game, and the devil is not an innocent puppy. He is the master deceiver, thief, and murderer, and the force behind nearly all evil. He is full of all kinds of cruelty, pain, curses, and blight known to the human family. To survive his attacks, you must realize that the devil is a real enemy, hell-bent on destroying you. I challenge you to get serious today about determining methods to rebuke him and keep him from hindering your service to the Lord. Where did Satan come from? Did God

create the Devil? Is God responsible for evil? Such questions plague the individual who wrestles with the existence of our adversary in the light of the Bible's revelation of the holiness of God. Philosophy can never give a satisfactory answer to these questions. The only satisfying answer is God's answer, found in his Word. If we are going to combat this enemy known as Satan, then we must know his motives and his methods. Our goal in this book is to resolve this and answer many other questions as we talk about every believer's responsibility in spiritual warfare.
