Or in other words, bang a guy, they are the best stress relievers out there. There's nothing more dangerous than saying no to a Valkyrie. Doubly so when they are demanding you have sex with them. Unfortunately for Fen Valhalla, Fireman, and Air Mage, there is only one option available to him if he wants to escape the dreaded machinations of the Southern Sanctuary matchmaker, celibacy. As much as it pains him, the only way for Fen to remain single, is to swear off women completely. Except, he failed to factor in one very determined six-foot Valkyrie when he took his vow of abstinence. With a magical arsonist wreaking havoc in the Sanctuary, it will take Brodie and Fen working together, to hunt down and stop the firebug menace before anyone is killed. There is only one small problem, the more time Brodie spends with the vexing man, the more she finds herself wanting not just merely sex from Fen... she wants it all. Damn, so all she has to do now is convince Fen that love is not a dirty four-letter word. Or, she could just kill him... decisions, decisions.

For centuries they've lived in secret among northern England's green and misted hills. Creatures of extraordinary beauty, power, and sensuality, they possess the ability to shape-shift from human to dragon and back again. Now their secret—and their survival—is threatened by a temptation that will break every boundary. . . . Dubbed the Smoke Thief, a daring jewel thief is confounding the London police. His wealthy victims claim the master burglar can walk through walls and vanish into thin air. But Christoff, the charismatic Marquess of Langford, knows the truth: the thief is no ordinary human but a "runner" who's fled Darkfrith without permission. As Alpha leader of the dra'kon, it's Kit's duty to capture the fugitive before the secrets of the tribe are revealed to mortals. But not even Kit suspects that the Smoke Thief could be a woman. Clarissa Rue Hawthorne knew her dangerous exploits would attract the attention of the dra'kon. But she didn't expect Christoff himself to come to London, dangling the tribe's most valuable jewel—the Langford Diamond—as bait. For as long as she could remember, Rue had lived the life of a halfling—half dra'kon, half mortal—and an outcast in both worlds. She'd always loved the handsome and willful Kit from the only place it was safe: from afar. But now she was no longer the shy, timid girl she'd once been. She was the first woman capable of making the Turn in four generations. So why did she still feel the same dizzying sense of vulnerability whenever he was near? From the moment he saw her, Kit knew that the alluring and powerful beauty was every bit his Alpha equal and destined to be his bride. And by the harsh laws of the dra'kon, Rue knew that she was the property of the marquess. But they will risk banishment and worse for a chance at something greater. For now Rue is his prisoner, the diamond has disappeared, and she's made the kind of dangerous

proposition a man like Kit cannot resist. . . . In this bewitching novel, Shana Abé transports us into a world of exhilarating romance and magic.

Maybe it's Laura's new job offer as Satan's replacement down under. Unfortunately, the position comes at a damnable price: her soul. Now a war has been waged—one that's going to take sibling rivalry to a whole new level and a dimension where only one sister can survive.

But the latest major hurdle in her post-dead life is so big she can't even see it until it's on CNN. Betsy's father and half-sister Laura (a former Anti-Christ with a grudge) have outed Betsy to the world. It doesn't take long for the story to become 24-7 headline news. What's more, people are not only prepared to believe in vampires, they want to kill them. For Betsy, social media has never felt so... unsocial. Before long the mansion on Summit Avenue is swarming with reporters, would-be vampire/zombie killers, and desperate emos begging to be turned. Betsy has been forced into the unenviable role as the reluctant face of the vampire nation. All she knows is, she has to look good ... and stay true to who she is. H8ers be damned"--
