## Undead and Unstable Penguin

Vampire Queen Betsy Taylor continues her rule in Hell in the scorchingly funny finale to the Undead series from New York Times bestselling author MaryJanice Davidson. It had been a well-kept secret for centuries, but now the existence of vampires is all over the news, thanks to Betsy Taylor's half sister (and the frustrated former Antichrist), Laura. Life for the undead will never be the same, and it's up to Betsy to do some damage control. But her interview on the local news doesn't exactly put out the fire. It more or less pours kerosene on it. With all the added attention on supernatural beings, the werewolves are more than a little agitated (never a good thing) and demand that Betsy gets her interview skills, and her family, in order. And while things go from bad to worse in the world, Hell continues to be

hell—especially when Betsy's new parole program becomes about as complicated as you'd expect. With a PR team launching a vampire-friendly campaign, the devil at large and out to make trouble, and mermaids on hand to see who falls—and how hard—the end isn't just near. It's here. And if anyone knows how to go out with a bang, it's the queen of Hell.

First Betsy Taylor loses her job, then she's killed in a car accident. But what really bites is that she can't seem to stay dead. And now her new friends have the ridiculous idea that Betsy is the prophesied vampire queen, and they want her help in overthrowing the

most obnoxious power-hungry vampire in five centuries.

Magic, danger, and adventure abound for messenger Karigan G'ladheon in the first book of the New York Times-bestselling Green Rider fantasy series. On her long journey home from school after a fight that will surely lead to her expulsion, Karigan G'ladheon ponders

her uncertain future. As she trudges through the immense Green Cloak forest, her thoughts are interrupted by the clattering of hooves, as a galloping horse bursts from the woods. The rider is slumped over his mount's neck, impaled by two black-shafted arrows. As the young man lies dying on the road, he tells Karigan he is a Green Rider, one of the legendary messengers of the king of Sacordia. Before he dies, he begs Karigan to deliver the "life and death" message he bears to King Zachary. When she reluctantly he agrees, he makes her swear on his sword to complete his mission, whispering with his dying breath, "Beware the shadow man..." Taking on the golden-winged horse

brooch that is the symbol of the Green Riders, Karigan is swept into a world of deadly danger and complex magic, her life forever changed. Compelled by forces she cannot understand, Karigan is accompanied by the silent specter of the fallen messenger and hounded by dark beings bent on seeing that the message, and its reluctant carrier, never reach their destination. With memorable characters, unique magic, and a story that will keep readers on the edge of their seats, this action-packed, feminist fantasy is a must-read for lovers of the genre.

series is laugh-out-loud funny."—Heroes and Heartbreakers New York Times bestselling author MaryJanice Davidson is back. So is Betsy Taylor, "everyone's favorite vampire queen" (Bitten by Books) and this time Betsy's going viral... If Betsy Taylor has learned anything about ruling Hell it's: 1) She can't do it alone, and 2) She doesn't have to. She's got the help of a devoted vampire king, a dateless zombie, an exhausted new mom, an unshowered cop, a bitchy ghost, a kindly dead priest, and her late stepmother ("Go Team Satan 2.0!"). But the latest major hurdle in her afterlife is so big she can't even see it until it's on YouTube. Betsy's father and half sister Laura (a former Antichrist with a grudge) have teamed up, for what sinister purpose Betsy can't imagine. The former Antichrist didn't take kindly to getting what she wished for, and has decided that's entirely the fault of the vampire queen. What that means for Betsy is trouble (more than usual, even) and possible exposure to an unsuspecting world. Meanwhile Hell is having a deleterious effect on Betsy's friends ("I didn't think it was possible, but the damned are

---

getting meaner."), the newly dead are confused about Hell's new rules ("A buddy system? Really?"), and the vampire king is trying to poach on Betsy's territory. Betsy loves her husband, but that's not the same as trusting him. Before long the king and queen of the vampires aren't speaking to each other, the mansion on Summit Avenue is a war zone, and Betsy's getting calls from a werewolf, a mermaid, and worst of all, her mother ("What do you mean you can't babysit?"). No one said life after death would be easy, but c'mon: this is ridiculous.

Why had Sookie been asked to come to the fateful party a few minutes early - just to catch Eric in the act? And why had the victim spiked her blood before approaching Eric? Was it simply because she wanted to be irresistible, or was it something more sinister? Sookie will have to find out... but it's the worst moment to investigate, as her Fae family are having troubles of their own and Sookie is, inevitably, drawn in. And there is one last complication. A death and life situation...

Betsy's heartbroken over her friend Marc's death, but at least his sacrifice should change the future—her future—for the better. But Betsy's next few hundred years will still be far from perfect. After all, her half sister Laura is the Antichrist and Laura's mother is Satan, which means that family gatherings will always be more than a little awkward. What's really bothering Betsy is that ever since she and Laura returned from visiting their mom in hell, Laura's been acting increasingly

peculiar. Maybe it's Laura's new job offer as Satan's replacement down under. Unfortunately, the position comes at a damnable price: her soul. Now a war has been waged—one that's going to take sibling rivalry to a whole new level and a dimension where only one sister can survive.
