Letters of Note, the book based on the beloved website of the same name, became an instant classic on publication in 2013, selling hundreds of thousands of copies. This new edition sees the collection of the world's most entertaining, inspiring and unusual letters updated

with fourteen riveting new missives and a new introduction from curator Shaun Usher. From Virginia Woolf's heart-breaking suicide letter to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application

letter, *Letters of Note* is a celebration of the power of written correspondence which captures the humour, seriousness, sadness and brilliance that make up all of our lives.

St. Nicholas Canongate Books

The letters of the great writer to his wife—gathered here for the first time—chronicle a decades-long love story and document anew the creative energies of an artist who was always at work. No marriage of a

major twentieth-century writer is quite as beguiling as that of Vladimir Nabokov's to Véra Slonim. She shared his delight in life's trifles and literature's treasures, and he rated her as having the best and quickest sense of humor of any woman he had met. From their first encounter in 1923, Vladimir's letters to Véra form a narrative arc that tells a half-century-long love story, one that is playful, romantic, pithy and memorable. At the same

time, the letters tell us much about the man and the writer. We see the infectious fascination with which Vladimir observed everything—animals, people, speech, the landscapes and cityscapes he encountered—and learn of the poems, plays, stories, novels, memoirs, screenplays and translations on which he worked ceaselessly. This delicious volume contains twenty-one photographs, as well as facsimiles of the

letters themselves and the puzzles and doodles Vladimir often sent to Véra.

the first century B.C. It presents Buddhist doctrine in a very attractive and memorable form as a dialogue between a Bactrian Greek king, Milinda, who plays the `Devil`s Advocate` and a Buddhist sage, Nagasena. The topics covered include most of those questions commonly asked by Westerners such as If there is no soul, what is it that is reborn? and If there is no soul, who is talking to you now? This abridgement provides a

concise presentation of this master-piece of Buddhist literature. **Studies in the Religious Life of Ancient and Medieval India** Good Press John Rankin was pastor of the Presbyterian Church of Ripley and Strait-Creek, in Brown County, Ohio. His brother Thomas was a Virginia businessman. Reverend Rankin

wrote these thirteen letters "with the desire of aiding and encouraging every effort for the liberation of the enslaved and degraded Africans." He rebuts the canard that blacks are an inferior race: "What people, in similar circumstances, have ever given stronger marks of genius than are exhibited by the enslaved

African of the United States?" By 1838 the book had gone through at least five editions, all of which are far more common than this first edition.

Out of print for two decades and reissued in this updated edition, *Sun at Midnight* is the first translation into English of the work of Muso Soseki, a Zen

roshi of the fourteenth century and father of what we now think of as the Zen rock garden. These sublime translations reveal W.S. Merwin's own resources as a gardener; the heart of both his and Soseki's endeavors can be seen with clarity through these inspiring poems and letters. Intensely lyric and rich with the concrete details of sight, sound, and scent, deeply immersed in the great philosophical questions, the work is

transformative and full-spectrum. From a telling smile and handshake in "the one wind" to "something beyond happiness / inside the gate / of this mountain," the infinity in a moment can be found everywhere. All worries and troubles have gone from my breast and I play joyfully far from the world. For a person of Zen no limits exist. The blue sky must feel ashamed to be so small.

Sun at Midnight

A mysterious letter-

writing campaign bears unexpected consequences in this gifted young writer's intimate exploration of loss and discovery. Every contact leaves a trace. But when Colette receives a letter from The Friends of Patrick Mercer about a man lying unconscious in a hospital on the other side of the world, she has no idea who the man might be. Why is she being written to?

Hospitalized in England after a car accident, medievalist Patrick Mercer reconstructs his life through memory, dreams, and the inspiration of his treasured illuminated manuscripts. Half a world away, Colette is adjusting to new classes, a new apartment, a new job- and the mysterious "Patrick" letters that keep arriving. Meanwhile, Ruth and Malcolm-whose young

son is Colette's charge-are desperately seeking to pick up the pieces of their lives after the terrifying disappearance of their teenage daughter. The Strength of the Sun is a novel about the human desire to make connections, to pick through our lives in search of what can be found among the daily losses. Compassionate, beautifully written,

and compelling to the final page, The Strength of the Sun introduces talented new writer Catherine Chidgey to American readers.
