No one understands the music industry--from the technology, to the legalities, to the new industry practices--better than veteran music lawyer Donald Passman. In this completely revised and updated seventh edition of All You Need To Know About the Music Business, which the Los Angeles Times called "the industry bible" and which has sold hundreds of thousands of copies, Passman offers executives and artists, experts and novices alike the essential information they need not only to survive in these volatile and exciting times, but also to thrive. Drawing on his unique, up-to-the-minute experience as one of the most trusted advisors in the business, Passman offers advice concerning: - The Copyright Royalty Board's latest decisions regarding online transmissions. - The developing new customs concerning new technologies such as streaming on demand, ringtones, and digital downloads. Passman also gives guidance on other fundamental issues such as how to: - Select and hire a winning team of advisors--personal and business managers, agents, and attorneys--and structure their commissions, percentages, and fees in a way that will protect you and maximize these relationships. - Master the big picture and the finer points of record deals. - Navigate the ins and outs of songwriting, music publishing, and copyright law. - Maximize concert touring and merchandising deals. Almost everyone in the music

business, from musicians and songwriters to entertainment lawyers and record company executives, are scrambling to sort out what is going to happen next, and Passman is right in the thick of these changes. Here is a book for anyone interested in a music career: a comprehensive and crucial guide to making it in one of the world's most dynamic industries.

Focus on Personal Finance is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also to put these in writing to use as a guide and revise over the course of their lives. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.
