Diabetes is a national health priority. The Australian National Diabetes Strategy 2016–2020 was released by the Australian Government in November 2015. 1 The number of people with type 2 diabetes is growing, most likely the result of rising overweight and obesity rates, lifestyle and dietary changes, and an ageing population. Within 20 years, the number of people in Australia with type 2 ... [Understanding Diabetes: A Handbook for](#)
