If you point toward to download and install the Understanding Genesis Nahum M Sarna, it is very easy then, previously currently we extend the link to purchase and make bargains to download and install Understanding Genesis Nahum M Sarna as a result simple!

[Leviticus](#) Jewish Publication Society

Applying criteria for the identification of biblical Hebrew poetry, Jason M. H. Gaines distinguishes a nearly complete poetic Priestly stratum in the Pentateuch ("Poetic P"), coherent in literary, narrative, and ideological terms, from a later prose redaction ("Prosaic P"), which is fragmentary, supplemental, and distinct in thematic and theological concern. Gaines describes the whole of the "Poetic P" source and offers a Hebrew reconstruction of the document. This dramatically innovative understanding of the history of the Priestly composition opens up new vistas in the study of the Pentateuch.

[On the Book of Psalms](#) Schocken

Building upon his life-long work on the Book of Leviticus, Milgrom makes this book accessible to all readers. He demonstrates the logic of Israel's sacrificial system, the ethical dimensions of ancient worship, and the priestly forms of ritual.

[How to Read Genesis](#) W. W. Norton & Company

To read Genesis intelligently, we must consider the questions, the literature, and the times in which Genesis was written. In *How to Read Genesis* Tremper Longman III provides a welcome guide to reading, studying, understanding, and savoring this panorama of beginnings—of both the world and of Israel. And importantly for Christian readers, we gain insight into how Genesis points to Christ and can be read in light of the gospel.

Minhah Le-Nahum Fortress Press

By means of a threefold approach—typological analysis of literary forms, investigation of religious ideology, and study of didactic aims and methods—Weinfeld shows that the deuteronomistic composition was the creation of scribal circles who began their work some time prior to the reign of Josiah and were still at work after the fall of Judah. Includes a 46-page detailed appendix on deuteronomistic phraseology. This volume is a reprint of the 1972 Oxford edition.

[Exploring Exodus](#) JPS Torah Commentary

In the introduction to this volume, George Coats discusses narrative in general and the principal Old Testament narratives in particular. He then sets the book of Genesis in its larger Old Testament context, analyzing its major sections and subsections. Each of the succeeding chapters treats one of the major sections. A bibliography heads each chapter, and a shorter bibliography of relevant works appears at the end of each unit. The book concludes with genre and formula files, which list all the relevant genres and formulas and the texts in which they occur.

[The Book of Deuteronomy](#) Crossway

Now the controversy has erupted anew. The present Chief Rabbi, Dr Jonathan Sacks, has declared that those who hold views similar to the author's have severed their links with the faith of their ancestors. This edition, with a new Preface by Dr Jacobs, has been made available to enable readers to follow the argument and make up their own minds.

Genesis New York, Jewish Theological Seminary of America; New York, Toronto [etc.] McGraw-Hill [1966]

"An emerging field of study that explores the Hispanic minority in the United States, Latino Studies is enriched by an interdisciplinary perspective. Historians, sociologists, anthropologists, political scientists, demographers, linguists, as well as religion, ethnicity, and culture scholars, among others, bring a varied, multifaceted approach to the understanding of a people whose roots are all over the Americas and whose permanent home is north of the Rio Grande. Oxford Bibliographies in Latino Studies offers an authoritative, trustworthy, and up-to-date intellectual map to this ever-changing discipline."--Editorial page.

Studies in Biblical Interpretation Schocken

"This book...is designed to make the Bible of Israel intelligible, relevant, and hopefully, inspiring to a sophisticated generation, possessed of intellectual curiosity and ethical sensitivity...It is based on the belief that the study of the Book of Books must constitute a mature intellectual challenge, an exposure to the expanding universe of scientific biblical scholarship...Far from presenting a threat to faith, a challenge to the intellect may reinforce faith and purify it."--from the Introduction

Studies in Bible and Feminist Criticism (JPS Scholar of Distinction Series) Westminster John Knox Press

The Gospel of John is one of the most beloved books in the Christian canon. Its stories and images have long captured the imaginations of Christians. Not only is it one of the most popular writings of the New Testament, but many aspects of its style and outlook are distinctive. In this clear, thorough, and accessible commentary on the Gospel of John, scholars Gail O'Day and Susan Hylén explore and explain this Gospel's distinctive qualities. Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice. Each volume explains the biblical book in its original historical context and explores its significance for faithful living today. These books are ideal for individual study and for Bible study classes and groups.

[Understanding Genesis, by Nahum M. Sarna](#) JPS Scholar of Distinction Boo

Genesis, a book of wondrous stories, is also a profound exploration of the human condition. From Cain and Abel to Joseph and his brothers, the narrative focuses on the corrosive effects of envy and resentment. Ultimately, it shows a path toward reconciliation. Julie Galambush applies current historical, archaeological, and literary scholarship to create a nuanced and highly accessible commentary, explaining the history behind the writing of Genesis, the customs and laws that "went without saying" for ancient readers, and even the puns that enrich the original Hebrew but are lost in translation. She also addresses the challenges facing contemporary Jews and Christians who accept Genesis as sacred Scripture but reject practices

the Genesis authors readily accepted, such as slavery and the "gifting" of women as concubines. Reading Genesis invites any reader, religious or otherwise, to listen in and to join in on this ancient conversation on what it means to be human.

[Reading Genesis](#) U of Nebraska Press

This book is the result of a lifetime of study of the Hebrew Bible by a mature scholar whose love of the Tanakh, and especially of the Psalter, shines through on every page.

An Introduction to Jewish Ethics Oxford University Press, USA

This updated edition by one of the world's leading apologists presents a systematic, positive case for Christianity that reflects the latest work in the contemporary hard sciences and humanities. Brilliant and accessible.

[Understanding Genesis](#) Smyth & Helwys Publishing, Incorporated

A JPS Scholar of Distinction Title Nahum Sarna is one of the most regarded and well-known names in biblical academia. This collection contains 26 essays, spanning his career. Together they cover the Torah, the Prophets, the Writings, the Psalms, and biblical history.

The JPS Torah Commentary InterVarsity Press

Attempts to reconstruct the moral theories of Saint Thomas Aquinas in terms of contemporary Christian ethics, and considers human goodness, virtue, justice, and prudence

[Understanding Genesis](#) InterVarsity Press

A new translation of the first book of the Bible honors meanings and literary strategies of the ancient Hebrew language, while bringing the stories together in a narrative format that makes it read more like a fully integrated book

[Creation and the Persistence of Evil](#) Wipf and Stock Publishers

Each of the 30 essays here delves into a topic that gives us much food for thought: the Bible as interpreted through ancient Near-Eastern creation myths, flood myths, and goddess myths; gender in the Bible; the feminist approach to Jewish law; comparative Jewish and Christian perspectives on the Hebrew Bible; biblical perspectives on ecology; creating a theology of healing; feminine God-talk. The volume concludes with the author's own original prayers in the form of poetic meditations on pregnancy and birthing. This book is unique, not only because it is the only volume in the JPS Scholar of Distinction series written by a woman, but also because Frymer-Kensky's personal and forthright voice resonates so clearly throughout each piece. Scholars and students of Bible, Jewish studies, and women's studies will surely find this to be a one-of-a-kind collection.

[On the Book of Psalms](#) Understanding Genesis

First Published in 2001. Routledge is an imprint of Taylor & Francis, an informa company.

[Oxford Bibliographies](#) Schocken

For courses in Religion, Judaism and Ethics. This text offers an overview of the Jewish ethical tradition as it has evolved from biblical times to the present. Provides an overview of the central beliefs of classical Judaism and the ways in which these frame traditional Jewish approaches to issues in ethics, both theoretical and practical.

The JPS Torah Commentary: Genesis Princeton University Press

We the People explores John Howard Yoder ' s account of peoplehood and develops an appreciative revision that considers the politics of Jesus in relation to the people of Israel. This revision articulates the theopolitical stakes in relation to the modern nation-state ' s claims to peoplehood and the observable effects of its exegetical and historical moorings in self-assertion as the new and purified Israel. Tommy Givens then undertakes a critical engagement with Karl Barth ' s account of God ' s election and a theologically sensitive exegesis of key biblical texts in dialogue with Carl Schmitt, Jacob Taubes, and N. T. Wright.

The Matriarchs of Genesis Wm. B. Eerdmans Publishing

The time was the Bronze to the Iron Age, the third to first millenniums B.C. Great leaders arose from Iraq to Egypt-- Sargon of Akkad, Gudea of Lagash, Hammurapi of Babylon, and Akhenaten of Egypt--and from these lands of the Fertile Crescent came the underpinnings of Western civilization: law, science, arts, and the alphabet. But the human spirit wanted more. In a universe run by mercurial gods who kept humankind in bondage, there emerged the need for one all-powerful divinity, one omnipresent as mentor and protector. The book of Genesis, with its narratives of real people struggling to survive, provided that God, and thus the roots of monotheism. Genesis: World of Myths and Patriarchs is an in-depth look at the civilizations that formed the background of the first book of the Bible. Drawing on the great archaeological discoveries in the Middle East over the past century, everyday life of the people of Genesis is viewed through their politics, arts, nomadic migrations, commerce, religion, and moral values.

With over 250 illustrations, including sixty-four color plates, this rich visual panorama describes what the authors of Genesis saw, and what events and ideas moved them to write the story of their people's origins. The book includes fourteen maps and charts, a selected chronology, and a list of gods of the Middle East. Cyrus Gordon and Nahum Sarna, two of the most renowned scholars of ancient Near Eastern history and Bible, provide the text. Genesis: World of Myths and Patriarchs acquaints us for the first time with the people we know from this familiar book of the Bible, and with the places they inhabited and the culture they developed. We trace what was borrowed, rejected, and transformed to create a new and unique ethic which has continued to shape the world.
