"Ask Me Anything isn't just any YA romance. This is a badass YA romance..." -Hypabale.com I should 've kept my mouth shut. But Wilmont Academy 's been living in the Dark Ages when it comes to sex ed, and someone had to take matters into her own hands. And holy hell, the site went viral overnight. Who knew this school was so hard up. Now the school administration is on a war path to shut me down, and they have Dean—my coding crush—hot on my trail. If he discovers my secret, I could lose his trust forever. And thousands of teens who need real advice won 't have anyone to turn to. Ask me anything...except how to make things right. Unlike their American colleagues, British suppliers were extremely slow to release their country's superb libraries of classic films for movie fans to purchase on either VHS tapes or DVD discs. In 2004, little over 100 titles were available. But now there are around 700, with promises of many more to come. This book details some of the best. Over 400 movies in all are described in either minute detail or in summary form! The quality (or lack of quality) in the DVD transfer is fearlessly indicated. The author's emphasis is on movies made before 1970, especially those with popular stars such as Glynis Johns, Gracie Fields, George Formby, Margaret Lockwood, Arthur Askey, Anna Neagle, James Mason, Patricia Roc, Stewart Granger, Vivien Leigh, Laurence Olivier, Will Hay, Tommy Trinder, Alec Guinness, Michael Wilding, Peter Finch, Christopher Lee, Peter Sellers, David Niven, Kenneth More, Kay Kendall, John Gregson, etc.

The Undiscovered Deaths of Grace McGill Vintage

A haunting new novel about love, death, and the afterlife, from the author of *Quarantine* *Baritone Bay*, mid-afternoon. A couple, naked, married almost thirty years, are lying murdered in the dunes. "Their bodies had expired, but anyone could tell—just look at them—that Joseph and Celice were still devoted. For while his hand was touching her, curved round her shin, the couple seemed to have achieved that peace the world denies, a period of grace, defying even murder. Anyone who found them there, so wickedly disfigured, would nevertheless be bound to see that something of their love had survived the death of cells. The corpses were surrendered to the weather and the earth, but they were still a man and wife, quietly resting; flesh on flesh; dead, but not departed yet."
