The eagerly awaited follow-up to the New York Times bestselling *A Lion's Tale* documents Chris Jericho's meteoric rise to wrestling glory in the WWE. *A Lion's Tale* gave readers a portrait of Jericho as a young man. Fighting his way through Mexico, rinky-dink leagues and a battery of thieving, sleazy promoters/managers, the book ended with the author's WWE (World Wrestling Entertainment) debut. Never one to leave his fans hanging, as demonstrated by his recent return to wrestling glory, Jericho now tells the story of life in the big leagues. But "making it" in the premier wrestling league in the world comes with its own set of obstacles and hard lessons. Jericho, in his witty, hilarious, and surprisingly endearing manner, lays it all out: the good, the bad, and the spandex.

Bill Spetrino was just an ordinary accountant more than 20 years ago when he discovered the best investment secret ever. Bill calls his secret “ the dividend machine ” -- and he has been sharing his secrets with hundreds of thousands of investors who have subscribed to his popular Dividend Machine newsletter, rated by Hulbert Digest as the #1 low risk investment letter. But many readers asked Bill to write a book about his secret and how ordinary investors can become millionaires just like him. Bill did just that. Now his new *The Great American Dividend Machine* reveals his own story, and how he went from becoming a middle-class accountant to having a net worth exceeding more than \$5 million! Traders who jump from stock to stock in the hunt for a major Wall Street score often lose money or, at best, break even. That's not an acceptable fate for the retirement nest egg or for Bill. Instead, true investors trust Bill Spetrino's proven advice: "Keep investments boring and the rest of life fun and exciting." By valuing safety and income above all else, Spetrino guides the reader through the process of unearthing true bargains in the marketplace. Adhering to the author's model, *The Great American Dividend Machine* portfolio is composed of stocks that he picks using his unique system. The companies that pass Spetrino's rigorous, multi-step vetting process must have a number of key characteristics, such as: Resonant brand names Strong, competitive advantages in their industries Pristine balance sheets Capital to help survive and thrive in difficult markets Bill believes

Randy Couture -- voted "The Greatest Fighter of All Time" by viewers' choice -- recounts his record-breaking career, which has made him an undisputed UFC legend. Randy Couture wins fights with the seemingly effortless ease with which lesser mortals eat or breathe. He's the only athlete to have held championship titles in both the heavyweight and light heavyweight divisions of the UFC, and he's the only six-time title earner in UFC

history. In *Becoming the Natural*, Couture tells his story for the first time, beginning with a childhood spent in search of an elusive father figure, followed by the pure adrenaline rush that accompanied his first wrestling bout in grade school. In 1997, at the age of thirty-three, Couture made his UFC debut, defeating two opponents in the heavyweight class and then scoring a TKO victory against Brazilian phenom Vitor Belfort to earn the nickname "The Natural." He won his first heavyweight title that same year. At the age of forty, he defeated five-time defending

---

champion Tito Ortiz for the undisputed light heavyweight title. Couture retired in 2006, only to reemerge the following year and seize the heavyweight championship title once again. *Becoming the Natural* is the remarkable story of one of the world's most gifted and dedicated athletes -- a born fighter whose skill and showmanship have helped to lift mixed martial arts out of the shadows and into the mainstream.

What a delightful journey! ” —Elizabeth Gilbert, #1 New York Times bestselling author of *Big Magic* and *Eat, Pray, Love* *The Book of Help* traces one woman ' s life-long quest for love, connection, and peace of mind. A heartbreakingly vulnerable and tragically funny memoir-in-remedies, Megan Griswold ' s narrative spans four decades and six continents—from the glaciers of Patagonia and the psycho-tropics of Brazil, to academia, the Ivy League, and the study of Eastern medicine. Megan was born into a family who enthusiastically embraced the offerings of New Age California culture—at seven she asked Santa for her first mantra and by twelve she was taking weekend

workshops on personal growth. But later, when her newly-wedded husband calls in the middle of the night to say he 's landed in jail, Megan must accept that her many certificates, degrees and licenses had not been the finish line she 'd once imagined them to be, but instead the preliminary training for what would prove to be the wildest, most growth-insisting journey of her life.

Undisputed Street Fighter Bloomsbury USA True Colors is New York Times bestselling author Kristin Hannah's most provocative, compelling, and heart-wrenching story yet. With the luminous writing and unforgettable characters that are her trademarks, she tells the story of three sisters whose once-solid world is broken apart by jealousy, betrayal, and the kind of passion that rarely comes along. The Grey sisters have always been close.

After their mother's death, the girls banded together, becoming best friends. Their stern, disapproving father cares less about his children than about his reputation. To Henry Grey, appearances are everything, and years later, he still demands that his daughters reflect his standing in the community. Winona, the oldest, needs her father's approval most of all. An overweight bookworm who never felt at home on the sprawling horse ranch that has been in her family for three generations, she knows that she doesn't have the qualities her father values. But as the best lawyer in town, she's determined to someday find a way to prove her worth to him. Aurora, the middle sister, is the family peacemaker. She brokers every dispute and tries to keep them all happy, even as she hides her own secret pain. Vivi Ann is the undisputed star of the family. A stunningly beautiful dreamer with a heart as big as the ocean in front of her house, she is adored by all who know her. Everything comes easily for Vivi Ann, until a stranger comes to town. . . . In a matter

---

of moments, everything will change. The Grey sisters will be pitted against one another in ways that none could have imagined. Loyalties will be tested and secrets revealed, and a terrible, shocking crime will shatter both their family and their beloved town. With breathtaking pace and penetrating emotional insight, True Colors is an unforgettable novel about sisters, rivalry, forgiveness, redemption---and ultimately, what it means to be a family.

Love Radio Head of Zeus Ltd

The bestselling author of Battle Hymn of the Tiger Mother, Yale Law School Professor Amy Chua offers a bold new prescription for reversing our foreign policy failures and overcoming our destructive political tribalism at home Humans are tribal. We need to belong to groups. In many parts of the world, the group identities that matter most – the ones that people will kill and die for – are ethnic,

religious, sectarian, or clan-based. But because America tends to see the world in terms of nation-states engaged in great ideological battles – Capitalism vs. Communism, Democracy vs. Authoritarianism, the “ Free World ” vs. the “ Axis of Evil ” – we are often spectacularly blind to the power of tribal politics. Time and again this blindness has undermined American foreign policy. In the Vietnam War, viewing the conflict through Cold War blinders, we never saw that most of Vietnam ’ s “ capitalists ” were members of the hated Chinese minority. Every pro-free-market move we made helped turn the Vietnamese people against us. In Iraq, we were stunningly dismissive of the hatred between that country ’ s Sunnis and Shias. If we want to get our foreign policy right – so as to not be perpetually caught off guard and fighting unwinnable wars – the United States

---

has to come to grips with political tribalism abroad. Just as Washington ' s foreign policy establishment has been blind to the power of tribal politics outside the country, so too have American political elites been oblivious to the group identities that matter most to ordinary Americans – and that are tearing the United States apart. As the stunning rise of Donald Trump laid bare, identity politics have seized both the American left and right in an especially dangerous, racially inflected way. In America today, every group feels threatened: whites and blacks, Latinos and Asians, men and women, liberals and conservatives, and so on. There is a pervasive sense of collective persecution and discrimination. On the left, this has given rise to increasingly radical and exclusionary rhetoric of privilege and cultural appropriation. On the right, it has fueled a disturbing rise in

xenophobia and white nationalism. In characteristically persuasive style, Amy Chua argues that America must rediscover a national identity that transcends our political tribes. Enough false slogans of unity, which are just another form of divisiveness. It is time for a more difficult unity that acknowledges the reality of group differences and fights the deep inequities that divide us.

The instant New York Times bestseller! Hot on the heels of *The Twin*, the undisputed queen of YA thrillers is back with a scary and suspenseful read about a summer camp filled with dark secrets. Esme and Kayla once were campers at Camp Pine Lake. They're excited to be back this year as CITs (counselors in training). Esme loves the little girls in her cabin and thinks it's funny how scared they are of everything--spiders, the

surly head counselor, the dark, boys . . . even swimming in the lake! It reminds her a little of how she and Kayla used to be, once. Before . . . it happened. Because Esme and Kayla did something bad when they were campers. Afterwards, the girls agreed to keep it secret. They've moved on--or so they say--and this summer is going to be great. Two months of sun, s'mores, and flirting with the cute boy counselors. But then they get a note. **THE LAKE NEVER FORGETS.** And the secret they've kept buried for so many years is about to resurface.

The irresistible novel that was adapted into a major motion picture starring Leonardo DiCaprio. The Khao San Road, Bangkok -- first stop for the hordes of rootless young Westerners traveling in Southeast Asia. On Richard's first night there, in a low-budget guest house, a fellow traveler slashes his wrists, bequeathing to Richard a meticulously drawn map to "the Beach." The Beach, as Richard has come to learn, is the subject of a legend among young travelers in Asia: a lagoon hidden from the sea, with white sand and coral gardens, freshwater falls surrounded by jungle, plants untouched for a thousand years. There, it is rumored, a carefully selected international

---

few have settled in a communal Eden. Haunted by the figure of Mr. Duck -- the name by which the Thai police have identified the dead man -- and his own obsession with Vietnam movies, Richard sets off with a young French couple to an island hidden away in an archipelago forbidden to tourists. They discover the Beach, and it is as beautiful and idyllic as it is reputed to be. Yet over time it becomes clear that Beach culture, as Richard calls it, has troubling, even deadly, undercurrents. Spellbinding and hallucinogenic, *The Beach* by Alex Garland -- both a national bestseller and his debut -- is a highly accomplished and suspenseful novel that fixates on a generation in their twenties, who, burdened with the legacy of the preceding generation

and saturated by popular culture, long for an unruined landscape, but find it difficult to experience the world firsthand.

"The New York Times bestselling author, wrestler, metal rocker, and over-the-top media personality shares his latest wild and hilarious adventures. World Wrestling Entertainment has named Chris Jericho as one of the top ten wrestlers--and one of the top five talkers--of all time. Certainly, the past six years have been spectacular for Jericho. After a sluggish return from his 2005 sabbatical, Jericho found new inspiration in watching *No Country for Old Men* and completely reinvented his character--ultimately going on to capture three world WWE titles. *The Best in the World* chronicles some of the incredible and often preposterous highlights of Jericho's recent

career, including: How Mickey Rourke challenged Jericho to a match, then backed out; Jericho's award-winning feud with Shawn Michaels, which culminated in Jericho knocking out Michael's wife in the ring, for real; his escape from the 2010 Icelandic volcanoes in a broken-down, European rental-car shuttle; his encounters with Bob Barker, Ozzy Osbourne, Metallica, Al Sharpton, and Mike Tyson; and his on-again-off-again relationship with WWE chief Vince McMahon. Jericho has a one-of-a-kind comedic voice and a knack for getting himself into screwball situations--both in and out of the ring. See for yourself why he is the best in the world"--

### Volunteer Leadership: 7 Disciplines to Undisputed Success Penguin

Throughout the years, there may have been equally charismatic performers, comparable athletes, and even better interviews, but none were blessed with the same combination of talents to manage to stay on

top for over three decades. To wrestling fans, the Nature Boy is a platinum-blond deity, a sixteen-time world champion who accurately boasted that he could have a five-star match with a broom. No matter how limited the opponent, Flair had the skill and determination to bounce all over the mat, transforming his rival into a star. When the camera light went on, "Slick Ric" could convince viewers that, if they missed an upcoming match, a momentous life experience would pass them by. Flair's opponents were challenged with this simple taunt: "To be the man, you have to beat the man." Away from the arena, Richard Morgan Fliehr spent years struggling with his own concept of what it meant to be a man. He suffered periods of crushing self-

---

doubt, marital strife and—in a profession where there was room for only one Ric Flair—broken friendships. Ric Flair: To Be the Man, cowritten with Keith Elliot Greenberg, chronicles the anguish and exhilaration of Flair's life and career—in painfully honest detail. In addition to his own words, Flair's story is enriched by anecdotes from ring greats like Superstar Billy Graham, Ricky "The Dragon" Steamboat, Harley Race, Sgt. Slaughter, David Crockett, Arn Anderson, Bobby "The Brain" Heenan, "Mean" Gene Okerlund, Shawn Michaels, Triple H, Undertaker and Brock Lesnar. To Be the Man traces the rise of one of wrestling's most enduring superstars to the pinnacle of the sports entertainment universe, and is a must-read

for every wrestling fan.

I would love for others, through this book, to fall in love, as I once did, with the imagination." Michael Vannoy Adams, from the Preface. For Love of the Imagination is a book about the imagination – about what and how images mean. Jungian psychoanalysis is an imaginal psychology – or what Michael Vannoy Adams calls "imaginology," the study of the imagination. What is so distinctive – and so valuable – about Jungian psychoanalysis is that it emphasizes images. For Love of the

---

Imagination is also a book about interdisciplinary applications of Jungian psychoanalysis. What enables these applications is that all disciplines include images of which they are more or less unconscious. Jungian psychoanalysis is in an enviable position to render these images conscious, to specify what and how they mean. On the contemporary scene, as a result of the digital revolution, there is no trendier word than "applications" – except, perhaps, the abbreviation "apps." In psychoanalysis, there is a "Freudian app" and a "Jungian app." The "Jungian app" is a technology of the imagination. This book applies Jungian psychoanalysis to images in a variety of disciplines. For Love of the Imagination also includes the 2011 Moscow

lectures on Jungian psychoanalysis. It will be essential reading for psychoanalysts, psychotherapists, students, and those with an interest in Jung.
