Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: "... For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

*A Sweet Hot Summer Novel* Hachette UK

Named a Most Anticipated book of the year by The Washington Post, Good Morning America, Bustle, Lit Hub, Hey Alma, and The Millions Through the scrim of fading memory, an elderly woman confronts a lifetime of secrets and betrayal, under the mysterious skies of her island home Off the coast of Georgia, near Savannah, generations have been tempted by strange blue lights in the sky near an island called Lyra. At the height of WWII, impressionable young Elle Ranier leaves New York City to forge a new life together on the island with her new husband, Simon. There they will live for decades, raising a family while waging a quixotic campaign to find the source of the mysterious blue offshore light—and the elusive minerals rumored to lurk beneath the surface. Fifty years later, Elle looks back at her life on the mysterious island—and at a secret she herself has guarded for decades. As her memory recedes into the mists of Alzheimer’s disease, her life seems a tangle of questions: How did her husband’s business, now shuttered, survive so long without ever finding the legendary Lyra stones? How did her own life crumble under treatment for depression? And what became of Gabriel—the handsome, raffish other man who came to the island with them and risked everything to follow the lights? Darkly romantic and deeply haunting, *The Stars Are Not Yet Bells* pulls us into a story of the tantalizing, faithless

relationship between ourselves and the lives and souls we leave behind.

Letting Go Faber & Faber

Jem Halliday is in Love with Her Best Friend. It doesn't matter that Kai is gay, or that he'll never look at her the same way she looks at him. Their friendship is all she needs. But when Kai is outed online by one of their classmates, he does the unthinkable: he commits suicide. Jem's world is shattered. All she has left of her best friend are twelve letters—one for each month of the year—he wrote her before he died. Kai's letters beg her not to investigate what happened, but Jem can't let it go. She needs to know who did this, and she'll stop at nothing to find the person responsible for Kai's death. One way or another, someone is going down. Someone is going to pay... Made of Stars by Kelley York When eighteen-year-old Hunter Jackson and his half sister, Ashlin, return to their dad's for the first winter in years, they expect everything to be just like the warmer months they'd spent there as kids. And it is—at first. But Chance, the charismatic and adventurous boy who made their summers epic, is harboring deep secrets. Secrets that are quickly spiraling into something else entirely. The reason they've never met Chance's parents or seen his home is becoming clearer. And what the siblings used to think of as Chance's quirks—the outrageous stories, his clinginess, his dangerous impulsiveness—are now warning signs that something is seriously off. Then someone turns up with a bullet to the head, and all eyes shift to Chance's family. Hunter and Ashlin know Chance is innocent...they just have to prove it. But how can they protect the boy they both love when they can't trust a word Chance says?

The Story of the Treasure Seekers Knopf Books for Young Readers

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world. Step into the world of the Trylle, and prepare to be enchanted.... When Wendy Everly first discovers the truth about herself—that she's a changeling switched at birth—she knows her life will never be the same. Now she's about to learn that there's more to the story... She shares a closer connection to her Vittra rivals than she ever imagined—and they'll stop at nothing to lure her to their side. With the threat of war looming, her only hope of saving the Trylle is to master her magical powers—and marry an equally powerful royal. But that means walking away from Finn, her handsome bodyguard who's strictly off limits...and Loki, a Vittra prince with whom she shares a growing attraction. Torn between her heart and her people, between love and duty, Wendy must decide her fate. If she makes the wrong choice, she could lose everything, and everybody, she's ever wanted...in both worlds. As a special gift to readers, this book contains a new, never-before-published bonus story, "One Day, Three Ways," set in the magical world of the Trylle.

Fans of Lucy Christopher's *Stolen*, Caroline B. Cooney's *The Face on the Milk Carton*, and Natasha Preston's *The Cellar* will be captivated by this twisty psychological thriller about an abducted girl who finally returns home to her family—but is she really who she claims to be? THE LOST When six-year-old Laurel Logan was abducted, the only witness was her younger sister, Faith. Since then, Faith's childhood has revolved around her sister's disappearance—from her parents' broken marriage and the constant media attention to dealing with so-called friends who only ever want to talk about her missing sister. THE FOUND Now, thirteen years later, a young woman is found in the front yard of the Logans' old house, disoriented and clutching the teddy bear Laurel was last seen with. Can her sister finally be back? Faith always dreamed of her sister coming home; she just never believed it would happen. But soon a disturbing series of events leaves Faith increasingly isolated from her family and paranoid about her sister's motives. Before long, Faith begins to wonder if it's the abduction that's changed her sister, or if it's something else. . . . "An intriguing story from start to finish." —Kirkus Reviews "Clarke's true success lies in crafting a realistic and haunting story of two young women who redefine what it means to be sisters." —PW "This mystery will have wide appeal and keep teens riveted." —SLJ "A compelling story with sympathetic and credible characters." —The Bulletin

*The Enforcement of Morals* Bloomsbury Publishing

Two girls test the strength of their friendship—and their hearts—over the course of a summer weekend in this "fun, fast-paced, and ultimately moving" (Booklist) novel perfect for fans of Morgan Matson and Rainbow Rowell. Ruby and Kaz's friendship has always worked like a well-oiled machine. Ruby is loud and acts impulsively, while Kaz is quiet and plans ahead for every scenario. Together, they are two halves of a whole. But when the girls run into their ex-boyfriends at a music festival, they suddenly find themselves acting out of character and navigating uncharted territory. Afraid of letting each other down, both girls start keeping secrets—with disastrous consequences. Told in alternating perspectives between Ruby and Kaz, *Remix* is the story of two teenage girls fighting to hold on to their splintering relationships and rediscovering that true friendship—like love—is not so easily broken.
