Book Review: "Uneclipping the Son" by Rick Holland. Recommended. I don't understand the gospel well enough. For all the study I do, I still take the gospel for granted like it's a "get out of jail free" card to use at my own discretion. I fail to realize my utter sinfulness in so many areas of life; and yet, I nor any other ...

October 4, 2011 by Aaron Armstrong. "If there's anything in your faith that isn't anchored in the person of Jesus, you're living in an eclipse. You are not enjoying the eternal life made available by the gospel." (p. 41). That sums up the big idea behind Rick Holland's new book, Uneclipping the Son. In this book, Holland aims to put an end to a complacent, half-hearted Christian walk by bringing us face-to-face with the glorious Jesus we see in Scripture.

Uneclipping the Son aims at ending all this, bringing you face to face with the Christ of Scripture, the only one who can transform you just by knowing Him. Clear, biblical, compelling, Holland will drive you relentlessly to the conclusion that you must give yourself to the worship of this Jesus or forever stumble in the half-light of spiritual uncertainty and disaffection.

Uneclipping the Son by Rick Holland

After a long while, I finally plodded through this profound yet simple book – Rick Holland's first, Uneclipping the Son. Reading this has been a joy for me. Not only can I hear his voice at the back of my head (being a listener of his sermons for a long time now), but it has come at a perfect time.

It is possible to get so close to someone you no longer see them for who they are and what they are worth.

Tragically, it is possible to do this with Jesus. In Uneclipping the Son, Pastor Rick Holland brings us out of the shadows and into the glorious light of the Son of God as he is revealed in the Bible.
