I have lost those who I have loved. I have bled for those I hate. I have lied to those who are honest. What am I? You're a sinner dressed in white. You're a ghost in the night. You're the demons that I fight. Who are you? Both of us were sinners. She was hell-bent on revenge, and I was determined to let her have it. She was a beautiful sin that alone would be my damnation. And for her, I was willing to dig my own grave. She took what little pride I had left and made me look like a fool. I lusted for a taste of her darkness, for it was the same color as mine. I envied the way she was able to say no, as if she really meant it. I will endure the wrath of having her no matter the cost of my greed. But I have always been a glutton for punishment without any propensity of sloth. She became my obsession and like any other drug, she took all the pain away but brought me to a new level of low. Too bad falling in love with her brought on a different kind of hell that I wasn't sure we would live through. We were both running from a past that was going to tear apart our future. What I thought was going to be a beautiful beginning turned out to be a torturous end.

From breakout author Monica Murphy comes the exhilarating conclusion to Drew and Fable's story—the star-crossed young romance that began in *One Week Girlfriend*. Lost. Everything in my life can be summed up by that one sickening word. My football coach blames me for our season-ending losses. So does the rest of the team. I wasted two whole months drowning in my own despair, like a complete loser. And I lost my

girlfriend—Fable Maguire, the only girl who ever mattered—because I was afraid that being with me would only hurt her. But now I realize that I'm the one who's truly lost without her. And even though she acts like she's moved on and everything's fine, I know she still thinks about me just as much as I think about her. I know her too well. She's so damn vulnerable, all I want to do is be there to help her . . . to hold her . . . to love her. I just need her to give me one more chance. We may be lost without each other, but together, we're destined to find a love that lasts forever. **BONUS:** This edition includes an excerpt from Monica Murphy's *Three Broken Promises*.

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.
