I'm a sinner with no regrets. I'm a man with no shame. I'm a lover with no soul. What am I? You're a loner with no friends. You're a beggar with no place to go. You're a face with no name. Who are you? It doesn't really matter what I am or who you are. Everyone has sin in common. But I pride myself on doing it better. Through the eyes of another, I am envied. If they only knew the wrath I have endured. Greed can be a motherfucker, but it is what makes us strive to be better. Lust can make you burn, but without it you would freeze to death. If You Dare Harper Collins

I'm known for being an asshole. It suits me. I'm that guy who jokes about love and how settling down is overrated. Why would a guy ever fall for one woman when he can have as many as you want? Makes no sense to me. But if being a

cop has taught me anything, it's that life is unpredictable. And that is exactly what Katherine is. I question my sanity on a daily basis because of that woman. Sometimes, she makes me want to keep her to myself, and other times, she makes me want to jump off a cliff just to get away from her. Yet, I still find myself turning into that little pussy I said I'd never be. Showing up at her front door holding flowers, only to have her throw them at me. Calling just to say hello, only for her to press ignore. Yeah, I've become a pussy all right. A whipped one, at that. At first she was a challenge, but now I don't like the fact that she is playing hard to get. But when someone comes after me, threatens my job, my life-it's her who stands by my side. It's her who has to pay for my sins, and it's her who I'm threatened to lose. One thing that you need to know about me is that I'll fight for what

I believe in. And I believe in her more than myself. What's that saying? Boy meets girl and the rest is history... Well, those who fuck with what is mine will become history. Welcome to my world. The world of Parker O'Hare

Now she's returned, needing someone to save her. Emilee York was always meant to be mine, and I'll see to it that happens. I always get what I want, even if that means I have to take it. And she's no

different. She'll be my queen, one way or the other. EMILEE When I left Sin City behind me, I had no plans to return. I avoided everyone, even my friends, to stay in my bubble. I've always been the kind to pull away and run when things get difficult. But one phone call changed everything, and I was racing back. If only I had known what was waiting for me. Titan reappeared like a ghost haunting me. One look and I knew he recognized me. I never forgot him or what we shared. Those feelings that no one else knew existed between us. I ignored them back then, but now they are more intense than ever. "Get on your knees..." He demanded I kneel for him. I tried to act like he didn't affect me, but he knew. He remembered the way I reacted when he would touch me. And just like he was taught to do - he used my weaknesses against me. He staked his claim, and I became

his queen to use how he saw fit. What makes it worse is that I crave him, and when I kneeled, it was willingly. But was it for nothing?

I have lost those who I have loved. I have bled for those I hate. I have lied to those who are honest. What am I? You're a sinner dressed in white. You're a ghost in the night. You're the demons that I fight. Who are you? Both of us were sinners. She was hell-bent on revenge, and I was determined to let her have it. She was a beautiful sin that alone would be my damnation. And for her, I was willing to dig my own grave. She took what little pride I had left and made me look like a fool. I lusted for a taste of her darkness, for it was the same color as mine. I envied the way she was able to say no, as if she really meant it. I will endure the wrath of having her no matter the cost of my greed. But I have always been a glutton for punishment without any propensity of sloth. She became my obsession and like any other drug, she took all the pain away but brought me to a new level of low. Too bad falling in love with her brought on a different kind of hell that I wasn't sure we would live through. We were both running from a past that was going to tear apart out

### Dash CreateSpace

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind.

The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many

chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.
