Torment Part Two is a dark, taboo, MC, contemporary romance. My dreams are gone. I'm trapped, controlled, and defeated. I made a deal that I have to stick to, if I want to keep everyone—including myself—safe. Shay has given me an ultimatum; be his or someone I love will pay the price. I've been trying to figure out how to survive my new life, but the constant demand to satisfy Shay to keep Manic at bay, is taking its toll. As time passes, I find myself growing comfortable in my cage, and my priorities start to shift. But when secrets start to unveil themselves, I begin to question everyone around me. Who is lying? Who can I trust? My protector turned into my tormentor, and now, he's something I don't know how to live without. **Warning: This book is meant for mature readers, 18+. Torment: Part Two is a dark romance and contains scenes and situations that may be upsetting for some readers. Includes triggers and sensitive materials such as - BUT NOT LIMITED TO - domestic abuse, profanity, dub-con, gang violence, PTSD, depression, and anxiety disorders. Please do not read if you are uncomfortable with any of the above. Thank you. **Unforgettable** 8th Circle Press

Today's moviegoers and critics generally consider some Hollywood products—even some blockbusters—to be legitimate works of art. But during the first half century of motion pictures very few Americans would have thought to call an American movie "art." Up through the 1950s, American movies were regarded as a form of popular, even lower-class, entertainment. By the 1960s and 1970s, however, viewers were regularly judging Hollywood films by artistic criteria previously applied only to high art forms. In Hollywood Highbrow, Shyon Baumann for the first time tells how social and cultural forces radically changed the public's perceptions of American movies just as those forces were radically changing the movies themselves. The development in the United States of an appreciation of film as an art was, Baumann shows, the product of large changes in Hollywood and American society as a whole. With the postwar rise of television, American movie audiences shrank dramatically and Hollywood responded by appealing to richer and more educated viewers. Around the same time, European ideas about the director as artist, an easing of censorship, and the development of art-house cinemas, film festivals, and the academic field of film studies encouraged the idea that some American movies—and not just European ones—deserved to be considered art.

ASHLYN It was supposed to be a vacation. Five whole days on the beach with my best friend before we made the move from Seattle to New York. I never expected to meet a man who would make me change the way I saw love and sex. I've always believed you can have one without the other. So, when I hooked up with a one-night stand while on vacation, I never expected him to be standing in the middle of my hotel room hours later. Proclaiming to be my best friend's brother. RYDER I'm married to my job. I'm twenty-nine and help run a fortune

500 company. I hadn't seen my sister in four years, and I wanted to surprise her. What better way than on her vacation? What I ended up getting was a woman who knew exactly what she wanted. And for that one night, I was it. I knew that I wanted more. You don't spend a night with someone like her and let her walk away that easily. It took me two seconds to decide I wanted him for one night. It took me a day to understand that he was gonna want more. I've always had the means to buy anything I want. Too bad, she is priceless. I've always believed in love. But I'm selfish. I want more ... But can he give it to me? Or when this gets hard, does he walk away?

Dentists EverAfter Romance

Penn They say revenge is a dish best served cold. I'd had four years to stew on what Daria Followhill did to me, and now my heart was completely iced. I took her first kiss. She took the only thing I loved. I was poor. She was rich. The good thing about circumstances? They can change. Fast. Now, I'm her parents' latest shiny project. Her housemate. Her tormentor. The captain of the rival football team she hates so much. Yeah, baby girl, say it-I'm your foster brother. There's a price to pay for ruining the only good thing in my life, and she's about to shell out some serious tears. Daria Followhill thinks she is THE queen. I'm about to prove to her that she's nothing but a spoiled princess. Daria Everyone loves a good old unapologetic punk. But being a bitch? Oh, you get slammed for every snarky comment, cynical eye roll, and foot you put in your adversaries' way. The thing about stiletto heels is that they make a hell of a dent when you walk all over the people who try to hurt you. In Penn Scully's case, I pierced his heart until he bled out, then left it in a trash can on a bright summer day. Four years ago, he asked me to save all my firsts for him. Now he lives across the hall, and I want nothing more than to be his last everything. His parting words when he gave me his heart were that nothing in this world is free. Now? Now he is making me pay.

Environment, Health, and Safety Franklin Classics Trade Press

Aiden Kyle-criminal defense attorney, ridiculously good looking, and the biggest prick to work for. Hadley Burns-the temporary secretary, hardworking, keeper of the donuts, girl-next-door type. Even though she wants him and knows he lusts after her, he is her boss. Crossing that

line is a no-no until one misunderstanding lands Hadley in hot water and she needs Aiden's help. It was supposed to be just sex, to scratch that itch they both have, but things change. A new relationship is hard enough, but when you mix in secrets and a stalker, it either implodes or builds a solid foundation. Do Aiden and Hadley have what it takes to beat the odds?

I've never been one to follow the rules...or the law, for that matter. But when you find yourself behind bars and being offered the opportunity of a lifetime, you take it. I agreed to race motorcycles for Johnny Knight. A very powerful man who wanted me on his team, even knowing I was a liability. But will he still feel that way once he finds out that I had a one-night stand with his daughter? I didn't mean for it to happen. I didn't even know who she was until she walked into his office wearing my shirt from the night before. Too bad that was all she wanted-one night. It really didn't matter who she was, I wanted more. So when she ran, I followed. I should have let her go. That would have been best for both of us. But I have never done what was right, why start now? I've always been willing to take a risk, no matter what it would cost me. And I knew she was worth it all. I'm Erik Dashling, you can call me Dash. This is my story of how I willing risked one dream for another. But everyone knows that now all dreams come true.

Wing and Trap Shooting EverAfter Romance

I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinkingchains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the

opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

Working With Heat Penguin

Aiden From the second I saw her, I knew she'd be my ruin. Sitting all alone at the bar, she looked like an angel. Eurydice in human form; her beauty eclipsed by demons. Now, I'm one of them. The ghost she's tried for years to escape. Thinking I wouldn't be able to find her. But I never stopped trying, and now that I have, her past sins should be the least of her worries. Riley From the moment he saw me, I knew I'd ruin his life. Alone at the bar, I dared the monster to come and play. Orpheus in the flesh, with his sad songs and strange obsessions. I became one of them. The siren who calls to the darkest parts of him. Only, I disappeared before he could act on it. But now he's here, and he wants me to repent for my sins. *** *Vipers and Virtuosos is a full-length, standalone dark rockstar romance inspired by the myth of Orpheus and Eurydice. It is NOT fantasy, historical, or a retelling. If you are not a dark romance reader, this book may not be suitable for you. Reader discretion is advised.

If You're Not the One Princeton University Press

Linden Avery returns to the Land in search of her kidnapped mentally ill son, whom she discovers fully healed and at the side of her believed-dead beloved, Thomas Covenant, leading an attack on Revelstone.

Donut Overthink It Raintree

I'm a sinner with no regrets. I'm a man with no shame. I'm a lover with no soul. What am I? You're a loner with no friends. You're a beggar with no place to go. You're a face with no name. Who are you? It doesn't really matter what I am or who you are. Everyone has sin in common. But I pride myself on doing it better. Through the eyes of another, I am envied. If they only knew the wrath I have endured. Greed can be a motherfucker, but it is what makes us

strive to be better. Lust can make you burn, but without it you would freeze to death. Some of us are a glutton for punishment and want to feel the pain that reminds us we're still alive rather than overcome by sloth. The lure of these seven deadly sins is like an addiction. And I intend to indulge in each of these unforgivable sins.

Raw HarperCollins Australia

Cameron Heart is confident she will get a job with Grayson Cole, her older sister's friend and owner of a prestigious architecture firm, but never expects to fall in love with her new boss -- or for the feelings to be mutual.

Selfish Michelle Mankin

What do you do when the devil has you in his sights? You show him that you can play his game. Austin Lowes is new to town. She's running from a mom who hates her to her dad who cares nothing about her. Only a few months and she will be free, or at least, that's what she hopes ... until she meets him. Cole Reynolds is the devil disguised as a man. He wants her fear, he wants her blood, and he wants her soul. Just a little game, he says, I dare you. Will Austin survive him, or will she lose herself and the game? Secrets are revealed and justice will be served, but at what cost? Who survives and who doesn't?
