THE FIRST MERCY THOMPSON NOVEL! Moon Called is the novel that introduced Patricia Briggs' Mercy Thompson to the world and launched a #1 bestselling phenomenon...

Mercy Thompson is a shapeshifter, and while she was raised by werewolves, she can never be one of them, especially after the pack ran her off for having a forbidden love affair. So she's turned her talent for fixing cars into a business and now runs a one-woman mechanic shop in the Tri-Cities area of Washington State. But Mercy's two worlds are colliding. A half-starved teenage boy arrives at her shop looking for work, only to reveal that he's a newly changed werewolf—on the run and desperately trying to control his animal instincts. Mercy asks her neighbor Adam Hauptman, the Alpha of the local werewolf pack, for assistance. But Mercy's act of kindness has unexpected consequences that leave her no choice but to seek help from those she once considered family—the werewolves who abandoned her... “In the increasingly crowded field of kick-ass supernatural heroines, Mercy stands out as one of the best.” —Locus

Even in a world of secrets and misfits, Chris stands apart, an unusual product of black magic that left him born half-ghost. Long used to being bullied and maligned for

his strangeness, he spends his days helping the paranormals that everyone else forgets about. The people he hunts and the mysteries he solves take him along unusual paths, many of them dangerous. But Chris has never been a fan of running from a fight—even the fight that takes him to the door of the most dangerous man in the city. Doubleblind Kensington Publishing Corp.

First Grave on the Right is the smashing, award-winning debut novel that introduces Charley Davidson: part-time private investigator and full-time Grim Reaper. Charley sees dead people. That's right, she sees dead people. And it's her job to convince them to “go into the light.” But when these very dead people have died under less than ideal circumstances (i.e., murder), sometimes they want Charley to bring the bad guys to justice. Complicating matters are the intensely hot dreams she's been having about an Entity who has been following her all her life...and it turns out he might not be dead after all. In fact, he might be something else entirely. This is a thrilling debut novel from Darynda Jones, an exciting newcomer to the world of paranormal romantic suspense. First Grave on the Right is the winner of the 2012 Rita Award for Best First Book.

From E. Lockhart, author of the highly acclaimed, New York Times bestseller We Were Liars, which John Green called “utterly unforgettable,” comes The Boyfriend List, the first book in the uproarious and heartwarming Ruby Oliver novels. Ruby Oliver is 15 and has a shrink. She knows it's unusual, but give her a break—she's had a rough 10 days. In the past 10 days she: lost her boyfriend (#13 on the list), lost her best friend (Kim), lost all her other friends (Nora, Cricket), did something suspicious with a boy (#10), did something advanced with a boy (#15), had an argument with a boy (#14), drank her first beer (someone handed it to her), got caught by her mom (ag!), had a panic attack (scary), lost a lacrosse game (she's the goalie), failed a math test (she'll make it up), hurt

Meghan's feelings (even though they aren't really friends), became a social outcast (no one to sit with at lunch) and had graffiti written about her in the girls' bathroom (who knows what was in the boys'!?!). But don't worry—Ruby lives to tell the tale. And make more lists.

Dance with the Devil Penguin

Her name is Pete Caldecott. She was just sixteen when she met Jack Winter, a gorgeous, larger-than-life mage who thrilled her with his witchcraft. Then a spirit Jack summoned killed him before Pete's eyes—or so she thought. Now a detective, Pete is investigating the case of a young girl kidnapped from the streets of London. A tipster's chilling prediction has led police directly to the child...but when Pete meets the informant, she's shocked to learn he is none other than Jack. Strung out on heroin, Jack a shadow of his former self. But he's able to tell Pete exactly where Bridget's kidnappers are hiding: in the supernatural shadow-world of the fey. Even though she's spent years disavowing the supernatural, Pete follows Jack into the invisible fey underworld, where she hopes to discover the truth about what happened to Bridget—and what happened to Jack on that dark day so long ago...

Karen Marie Moning raves that Stacia Kane “delivers dark, sexy urban fantasy at its finest.” Now Kane introduces her most addictive antihero yet: a Las Vegas PI who makes his own luck—and embodies everything that's oh-so-right with Sin City. A lot of bad hands get dealt in Vegas, but E. L. Speare may be holding one of the worst: He's cursed with the need to commit sins, and if he misses his daily quota, there's hell to pay—literally. Fortunately, his hometown affords him plenty of chances to behave badly. But Speare's newest case really has him going out on a limb. The right-hand man of a notorious crime boss has been found dead in a Dumpster—minus his right hand, not to mention the rest of his arm. What catches Speare's attention, however, is that the missing appendage was severed clean by a demon-sword, a frighteningly powerful tool of the underworld. Speare's out of his element, so he turns to a specialist: Ardeth Coyle, master thief, dealer in occult artifacts, and bona fide temptress. Ardeth's hotter than a Las Vegas sidewalk on the Fourth of July, but she's one sin Speare has to resist. The dismembered corpses are piling up,

unimaginable evil lurks in the shadows, and if this odd couple hopes to beat the odds, Speare needs to keep his hands off Ardeth, and his head in the game. Praise for *Made for Sin* “Fresh and inventive.”—Fang-tastic Fiction “Fast-paced and entertaining . . . This is a must-read for fans of urban fantasy and paranormal romance.”—Night Owl Romance

“Do yourself a favor and read this book. This story is original and hard-hitting with terrific world building and some of the best characters I’ve read. Yum.” Patricia Briggs, author of the #1 NYTimes Mercy Thompson series Kit Colbana—half breed, assassin, thief, jack of all trades—has a new job: track down the missing ward of one of the local alpha shapeshifters. It should be a piece of cake. So why is she so nervous? It probably has something to do with the insanity that happens when you deal with shifters—especially sexy ones who come bearing promises of easy jobs and easier money. Or maybe it’s all the other missing kids that Kit discovers while working the case, or the way her gut keeps screaming she’s gotten in over her head. Or maybe it’s because if she fails—she’s dead. If she can stay just one step ahead, she should be okay. Maybe she’ll even live long to collect her fee...

VAMPIRE FOR HIRE Raylene Pendle (AKA Cheshire Red), a vampire and world-renowned thief, doesn’t usually hang with her

own kind. She’s too busy stealing priceless art and rare jewels. But when the infuriatingly charming Ian Stott asks for help, Raylene finds him impossible to resist—even though Ian doesn’t want precious artifacts. He wants her to retrieve missing government files—documents that deal with the secret biological experiments that left Ian blind. What Raylene doesn’t bargain for is a case that takes her from the wilds of Minneapolis to the mean streets of Atlanta. And with a psychotic, power-hungry scientist on her trail, a kick-ass drag queen on her side, and Men in Black popping up at the most inconvenient moments, the case proves to be one hell of a ride.
