Manual Que Acompaña ¿Qué Te Parece? Intermediate Spanish. Segunda Parte

McGraw-Hill Humanities/Social Sciences/Languages

This intensive course is expressly designed to lead the adult beginner to a comprehensive knowledge of Spanish. The course gives balanced attention to the four key language skills: the development of listening comprehension and speaking skills is supported by quality audio materials recorded by native speakers, while answer keys support written work and grammar-acquisition exercises, and facilitate independent study. Authentic written materials develop important receptive skills and encourage the transition to independent reading. - Based on a style of Spanish easily understood by most speakers, thoughtful explanations make clear the main differences between peninsular and Latin American forms and usage - Features an abundance of pair and group work activities ideal for classroom use - Authentic materials and website references foster cultural awareness - Clear, attractive layout with lively illustrations to reinforce learning - Extensive reference features including a grammar guide, verb tables and vocabulary lists - Teachers' guidelines promote practical application in the classroom

Home-School Activities Scott Foresman

The manager's must-have guide to excelling in all aspects of the job Mind Tools for Managers helps new and experienced leaders develop the skills they need to be more effective in everything they do. It brings together the 100 most important leadership skills—as voted for by 15,000 managers and professionals worldwide—into a single volume, providing an easy-access solutions manual for people wanting to be the best manager they can be. Each chapter details a related group of skills, providing links to additional resources as needed, plus the tools you need to put ideas into practice. Read beginning-to-end, this guide provides a crash course on the essential skills of any effective manager; used as a reference, its clear organization allows you to find the solution you need quickly and easily. Success in a leadership position comes from results, and results come from the effective coordination of often competing needs: your organization, your client, your team, and your projects. These all demand time, attention, and energy, and keeping everything running smoothly while making the important decisions is a lot to handle. This book shows you how to manage it all, and manage it well, with practical wisdom and expert guidance. Build your ideal team and keep them motivated Make better decisions and boost your strategy game Manage both time and stress to get more done with less Master effective communication, facilitate innovation, and much more Managers wear many hats and often operate under a tremendously diverse set of job duties. Delegation, prioritization, strategy, decision making, communication, problem solving, creativity, time management, project management and stress management are all part of your domain. Mind Tools for Managers helps you take control and get the best out of your team, your time, and yourself.
