The Uniden cordless home phone uses
DECT 6.0 digital technology that allows for
great audio clarity and no interference of
wifi networks or any other home appliances.

Manufactured in 2008, this phone includes
caller ID that stores up to 100 names and a
backlight keypad for easy viewing and
dialing day or night.

Uniden Cordless Phone User Guide

Phone Info — Uniden America Corporation

Remotely Accessing The Answering Machine You can operate your answering system from a remote location using any touch-tone telephone or the handset if it allows that capability. Remote Access away from home You can check, play, or delete messages, even record a new greeting message

when you are away from home.

our.cordless.telephone. Push the battery pack

Where can I purchase a replacement phone? Unfortunately, we are no longer manufacturing telephone units. How do I remove Silent Mode? To turn the Silent Mode OFF and for your handset to ring, press and hold the # key on your handset for about 10 seconds. Your handset will beep and this will indicate that the Silent Mode has been turned OFF.
