important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Here's the Bright Side Springer Science & Business Media Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no

punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are

something of a mystery, though it is thought that he struggled to cope with family life after being freed.

"Sadie: a novel for readers of any age, and a character as indelible as a scar. Flat-out dazzling." —A. J. Finn, #1 New York Times bestselling author of The Woman in the Window "Sadie is an

electrifying, high-stakes road trip. Clear your schedule. You're not going anywhere until you've reached the end." —Stephanie Perkins, New York Times bestselling author of *There's Someone Inside Your House* and *Anna and the French Kiss* "A haunting, gut-wrenching, and relentlessly compelling read." —Veronica Roth, #1 New York Times bestselling author of *Carve the Mark* and the *Divergent* series

A missing girl on a journey of revenge. A Serial—like podcast following the clues she's left behind. And an ending you won't be able to stop talking about.

"Today, WNRK is launching the first episode of our new serialized podcast, *The Girls*, created and hosted by West McCray." When popular radio personality West McCray receives a desperate phone call from a stranger imploring him to find nineteen-year-old runaway Sadie Hunter, he's not convinced there's a story there; girls go missing all the time. But when it's revealed that Sadie fled home after the brutal murder of her little sister, Mattie, West travels to the small town of Cold Creek, Colorado, to uncover what happened. Sadie has no idea that her journey to avenge her sister will soon become the subject of a blockbuster podcast. Armed with a switchblade, Sadie follows meager clues hoping they'll lead to the man who took Mattie's life, because she's determined to make him pay with his own. But as West traces her path to the darkest, most dangerous corners of big cities and small towns, a deeply unsettling mystery begins to unfold—one that's bigger than them both. Can he find Sadie before it's too late? Alternating between Sadie's unflinching voice as she hunts the killer and the podcast transcripts tracking the clues she's left behind, *Sadie* is a breathless thriller about the lengths we go to protect the ones we love and the high price we pay when we can't. It will haunt you long after you reach the final page.

Strategy and Choice

Scholastic Incorporated
Lifelong friends facing the future after cancer, Kathy, Eileen, and Charlotte are each dealing with complex family relationships and emotional issues.

Kathy's husband is a serial cheater. Eileen's mother keeps telling her she's not wonderful like her sister. Charlotte still aches from losses of years ago. This is their second chance, the moment when they can make important life changes before it's too late. As they take up the challenge of finding hidden treasures at a

family beach house in Cape May and back home in the affluent Washington, DC, suburb of Bethesda, Maryland, these best friends discover shocking family secrets as well as new strengths in themselves. Their story entwines with those of Steve, an old friend with a mystery he's trying to solve, and much younger Brian, whose army career has been his whole focus until he faces a life-changing dilemma. What must each of them do to take the next bold step to happiness?

Owing to the rapidly changing nature of PCs, this second edition has been revised and extended in order to continue its role as an essential guide for use with modern PCs. PC Operation and Repair provides a concise analysis of the operation of personal computer systems, their upgrading and repair. It guides the reader logically from the computer numbering system and basic digital principles to the working, application and testing of PCs. Current techniques in computer architecture and design are covered, including pentium based computers. The book also provides a thorough

explanation of the installation and configuration of complete PC systems including modems, and CD-ROM and DVD devices. For this edition, material has been added on networking, operating systems, peripheral devices and logic devices. ISDN and ADSL is also covered in more detail. Among the material provided is information on testing and fault finding on PCs,

SAT Power Vocab

Random House

Bath, 1852. As a girl, Nancy Bloom would go to Bath's Theatre Royal, sit on the hard wooden benches and stare in awe at the actresses playing men as much as the women dressed in finery. She longed to be a part of it all and when a man promised her parents he could find a role for Nancy in the theatre, they believed him. His lie and betrayal led to her ruin. Francis Carlyle is a

theatre manager, an ambitious man always looking for the next big thing to take the country by storm. A self-made man, Francis has finally shed the skin of his painful past and is now rich, successful and in need of a new female star. Never in a million years did he think he'd find her standing on a table in one of Bath's bawdiest pubs. Nancy vowed never to trust a man again. Francis will do anything to make her his star. As they engage in a battle of wits and wills, can either survive with their hearts intact? The second in Rachel Brimble's thrilling new Victorian saga series, *Trouble for the Leading Lady* will whisk you away to the riotous, thriving

underbelly of Victorian Bath.
