The second book is a continuation of book one. In essence, it chronicles the adventures of Li (the princess) and Aramis (a young Greek rogue) as they continue their travels together. Li now has the magical tears of Hathor that she wishes to take back to China to reverse the curse that has been placed on the kingdom and her father. In this book, the two meet a magi and his tribe, who have also been looking for the tears. They make friends with them and help them use some of the tears to rescue a pharaoh who has been trapped in a cursed pyramid. They then plan to go back to China, but their trip back takes them to a Greek island where Aramis meets an old friend who wants him to join him in fighting the Ottomans who have been sweeping through the lands. Li feels he should stay to fight with his countrymen and leaves on her own for China. Aramis tries to follow her but is captured by the Ottomans and imprisoned in Aku. Meanwhile, Li returns to China and saves her father, but she becomes heartbroken as she misses Aramis. Zheng, the young prince who takes over for the emperor when he dies, falls in love with Li, but Li does not want to marry him. What then occurs is a series of adventures in which Li becomes entrapped and Aramis escapes from his prison and finds a way to China, where he rescues Li.

"Sideways 3 Chile" is the third, and final, novel in the trilogy that began with "Sideways" -- which became the award-winning movie of the same title by Oscar-winning director Alexander Payne -- and "Vertical," which won the 2011 Gold Medal for Fiction from the Independent Publisher Book Awards. "Sideways 3 Chile" finds our main protagonist Miles Raymond (Paul Giamatti in the original film) running out of money, but still surviving on the fumes of a past, but fleeting, fame. When he is offered an opportunity by a reputable magazine to write an article about the diverse wine regions of the country of Chile he jumps at the chance. At the end of "Vertical," Miles had fallen in love with a Spanish girl, Laura, and he asks her to fly from Spain to accompany him. Miles, in full panic anxiety mode, which is endemic to his character, flies to Chile to meet Laura and discover this beautiful and vast country. Complications, heartbreak, and romance ensue. In the great and desolate Atacama Desert in the north of Chile Miles comes face to face with himself. Keywords: Sideways, Rex Pickett, Pinot Noir, Merlot, Wine, Chile, Miles, Jack, Sideways movie
