In Everyday Harumi, now reissued as an attractive jacketed paperback, Harumi Kurihara, Japan's most popular cookery writer, selects her favourite foods and presents more than 60 new home-style recipes for you to make for family and friends. Harumi wants everyone to be able to make her recipes and she demonstrates how easy it is to cook Japanese food for every day occasions without needing to shop at specialist food stores. Using many of her favourite ingredients, Harumi presents recipes for soups, starters, snacks, party dishes, main courses and family feasts that are quick and simple to prepare, all presented in her effortless, down-to-earth and unpretentious approach to stylish living and eating. Every recipe is photographed and includes beautiful step-by-step instructions that show key Japanese cooking techniques. Texture and flavour are important to Japanese food and Harumi takes you through the basic sauces you can make at home and the staples you should have in your store cupboard. Photographed by award-winning photographer Jason Lowe, this warm and approachable cookbook invites you to cook and share Japanese food in a simple and elegant style.

How to Build Exceptional Schools Across Your District Harcourt College Pub

During the nineteenth century, there were repeated efforts in the United States to make a uniform textbook of Christian doctrine that all Catholics might be able to use. In 1829, the bishops assembled in the First Provincial Council of Baltimore to discuss the matter. They recommended using St. Bellarmine's catechism as a model. Finally, in the Third Plenary Council (1884) the Baltimore catechism in its present form took shape. In this first volume (No. 1), 33 lessons present the basics of the Catholic faith in a manner suitable for first communicants through fifth graders. There are also prayers given for suitable occasions in addition to the Rosary. The source text for this work is: A catechism of Christian doctrine: prepared and enjoined by order of the Third plenary council of Baltimore; with word meanings before each chapter, Baltimore: [PJ Kenedy], 1885, John Lancaster Spalding (1840-1916). To this text, illustrations have been added which help to illuminate the personages and topics referred to.

Everyday Harumi Adventure Publications

(De)Monopolising Paradise argues that some interpretations of Islamic texts serve to distance Islam from other communities. Originally published as *Islam and Non-Muslims* by M.I. Meer in 1956, this edited version offers an in-depth interpretation of Quranic verses, with the idea that unlike other religions, which regard salvation as the sole monopoly of their followers, Islam recognizes that God-fearing people of other religions would be duly rewarded by their Lord for pursuing the path of righteousness within the context of their faith. (De)Monopolising Paradise is an intellectual inquiry into what the Quran actually says about Muslims and non-Muslim relationships. It is a treatise for all persons of faith reminding them of the real message of Islam, Tawhid, (Oneness), and the idea of unity under one God. *** This is a fascinating book, written by an inquisitive South African Muslim scholar in the 1950s, who explores the central tenets of his faith and their relationship to universal tolerance. It is a kind of bottle post from 60 years ago that fits right into today's heated discussion about civilisation clashes and the search for transversality. -- Prof. Markus S. Schulz, International Sociological Association, President RC07, U. of Illinois *** This cogently argued text contributes substantially to Islamic thought and should be eagerly read by those interested in Muslim and non-Muslim relations. -- Prof. Muhammed Haron, Dept. of Theology of Religious Studies, U. of Botswana *** The editors have successfully resurrected the timeless philosophy of Moosa Meer, which goes beyond the academic limits and touches the day-to-day life of people intellectually, politically and culturally.

It builds a blueprint for multi-religious and multi-ethnic societies without compromising on the Islamic faith. -- Prof. Rizwan Qaiser, Honorary Director of the Center for the Study of Comparative Religions and Civilizations, Jamia Millia Islamia U., New Delhi. *** ...a multi-layered text which refuses to be trapped by time and history....it would be a gross error to limit the book to matters of inter-faith relations; it is also for those in search for peaceful and meaningful co-existence across the religious and cultural divide. -- Tahir Fuzile Sitoto, School of Religion, Philosophy and Classics, U. of KwaZulu-Natal, South Africa (Series: SAVUSA)

Gravity Falls: Once Upon a Swine Center Street

Social Psychology uses a true storytelling approach to educate readers about the potential of research in the field to shed light on hidden, and not so hidden, influences on human behavior. In every chapter, a story unfolds. The narratives absorb students as they absorb knowledge about the field. As they are drawn into the stories, students learn about social perception and social inference, the self, and persuasion and attitude change. They discover how compliance, conformity, and obedience affect behavior, and investigate group processes, interpersonal attraction, and intimate relationships. The latter sections of the text address some of the darker aspects of social psychology through a review of the literature on--and stories about--prejudice, discrimination, aggression, and violence. The final chapter is devoted to the social psychology of genocide and terrorism. Each chapter also elaborates on the applications of social psychology to health and law, explores the dark and bright side of social psychology, and provides students with opportunities to think like a social psychologist. Social Psychology is a high-interest, engaging text for both beginning and advanced level survey courses in social psychology.

Captain D. Michael Abrashoff, legendary commander of the USS Benfold, continues in the same vein of his bestselling book IT'S YOUR SHIP with the knowledge he's gained from his speaking to and advising some of the top business minds in the world. The story of Captain Abrashoff and his command of USS Benfold has become legendary inside and outside the Navy. By governing his ship with his unique management techniques, Abrashoff turned the Benfold into a model of naval efficiency, with amazing cost savings, the highest gunnery score in the Pacific Fleet, and a highly motivated and top performing crew. In IT'S YOUR SHIP, he first demonstrated how to bring his successful management techniques from the ship to the boardroom. Now, in his newest book IT'S OUR SHIP, in the same rugged, can-do voice, Abrashoff will focus on the leadership, motivational, and management insights and tips that he has learned from his last six years of addressing business and corporate audiences. Abrashoff's timely advice will be eminently prescriptive, and will feature anecdotes and insights from leaders of businesses large and small and from public and non-profit sectors.

Record your encounters with nature in this fantastic, interactive book! Kids can write about and draw the plants and animals they see. They can paste photos, postcards and feathers found on the ground. Plus, there's great info to learn about nature.

Global Baby Girls Ladybird Books

Enna is a girl who doesn't believe in herself and often utters the phrase "I can't do that!" One night in a dream she sees all the possible future versions of herself, discovering that she can be any of those versions with time, knowledge and dedication. She develops a growth mindset throughout her journey and instead of saying "I can't do that," she learns to say "I can't do that YET!"

Applied Calculus Grand Central Publishing

Build better schools by training better leaders A Principal Manager's Guide to Leverage Leadership answers the question that district leaders have been asking across the country: if Leverage Leadership is a roadmap for principals on how to lead great schools, what can principal managers and districts do to support them on that path? A Principal Manager's Guide to Leverage Leadership offers a step-by-step guide to coaching principals to the highest levels of achievement, and it is rooted in studying the most successful principal managers and districts across the country. It can be used by principal managers/supervisors, superintendents, district and state leadership, and principal training organizations to accelerate the growth of principals in your community. Used in conjunction with Leverage Leadership 2.0, this book identifies the key actions principal managers should take to create exceptional school leaders, integrating the seven levers of leadership into district culture from the principal manager on up. With a particular emphasis on the two "super-levers" of data-driven instruction and student culture, this book is packed with advice, professional development materials, and real-world videos of principal managers in action, offering principal managers a valuable resource for bringing about change. A Principal Manager's Guide to Leverage Leadership introduces a new unifying approach that is also highlighted in Leverage Leadership 2.0: See It, Name It, Do It. It gives you the tools to See it (see models of effective practice and identify gaps), Name it (name concrete actions for improvement) and Do it (provide means to practice these action steps until a principal masters them) With A Principal Manager's Guide to Leverage Leadership in hand, principal managers, superintendents and principal training organizations can facilitate district-wide and state-wide transformations and hasten the benefit to the students and community as a whole.
