In this book, Peter Gardner contends that the production of narratives of ethnic peoplehood is an attempt to regain a sense

of collective dignity among the previously dominant. After introducing the concept of ethnic dignity and locating its place within postconflict identity politics, Gardner focuses his analysis on the Ulster- Scots story of peoplehood. Drawing on a wealth of primary data, the chapters explore a variety of core issues including ethnopolitics, social class, political-economic ideology, colonialism, and heteromascularity. The book concludes by taking a global view of post-conflict ethnic dignity among the once dominant, analysing the New Afrikaans movement in South Africa, white pride and ethnic whiteness studies, and Maronite Phoenicianism in Lebanon. This will be an important contribution for students and scholars of ethnicity, divided societies and, more broadly, political sociology.

Incorporating Twenty-first Century Literacies American Library Association Set in the Dust Bowl of the 1930's, here is a moving story that Parents Magazine calls a "poignant tale of how a little girl with a big heart saves the family farm and inspires an entire town." Leah's pony is swift and strong. Together they ride, crossing through cornfields and over pastures, chasing cattle as they gallop under summer skies. Then one year, the corn grows no taller than a man's thumb. Locusts blacken the sky, and the earth turns to dust. Gone were the cornfields and pastures where Leah and her pony used to ride. It is the beginning of the great drought, and Leah's father faces losing the family farm. But Leah's bravely decides to act. This deeply felt story, vividly portrayed through stunning oil paintings, tells the story of a selfless young woman and her sacrifice for her family.

From Newbery media winner Karen Hesse comes an unforgettable story of an immigrant family's journey to America. "America," the girl repeated. "What will you do there?" I was silent for a little time. "I will do everything there," I answered. Rifka knows nothing about America when she flees from Russia with her family in 1919. But she dreams that in the new country she will at last be safe from the Russian soldiers and their harsh treatment of the Jews. Throughout her journey, Rifka carries with her a cherished volume of poetry by Alexander Pushkin. In it, she records her observations and experiences in the form of letters to Tovah, the beloved cousin she has left behind. Strong-hearted and determined, Rifka must endure a great deal: humiliating examinations by doctors and soldiers, deadly typhus, separation from all she has ever known and loved, murderous storms at sea, detainment on Ellis Island--and is if this is not enough, the loss of her glorious golden hair. Based on a true story from the author's family, Letters from Rifka presents a real-life heroine with an uncommon courage and unsinkable spirit.
