The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Kingdoms and Warfare, the sequel to Strongholds & Followers, is a 5th edition supplement that introduces Domain-level play to your game, allowing players to become Regents running a Kingdom, Duchy, or Barony! Or a Church! A Thieves' Guild! A Bard's College! Whichever you choose, it's your Domain. Your domain can take actions, raise armies, conduct espionage, and wage war! Kingdoms and Warfare also adds mechanics for player Titles for several different organizations. Titles give your characters new, limited abilities and proficiencies that let them shore up the deficiencies of a limited-class party. Expanded rules for Warfare allowing faster, more balanced battles, more and different kinds of units. New Maneuvers allow characters to directly command their units, executing daring ploys that can change the course of war! New rules for the Tide of Battle create a connection between the Encounter your characters are fighting and the Battle your units are waging. New rules for using PCs and monsters as units, as well as more advice for building an army and waging war. The rules for Warfare in Strongholds & Followers are only the beginning of a more robust system. Any book of new rules as big as this requires an adventure to show you how to use it. The Regent of Bedegar acts as a sequel to the Siege of Castle Rend and introduces players to Domain Level play. The heroes manage their new domain, putting out fires in Gravesford and other local towns while encountering

various organizations in Aendrim, some friendly, some not so much.
