A teenage girl gets on, waves away the smoke from Dead Buck ’ s cigarette. Will doesn ’ t know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is,</p>

And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The ferocity of the Nazi attack upon the Jews took many by surprise. Volkov argues that a new look at both the nature of antisemitism and at the complexity of modern Jewish life in Germany is required in order to provide an explanation. While antisemitism had a number of functions in

pre-Nazi German society, it most particularly served as a cultural code, a sign of belonging to a particular political and cultural milieu. Surprisingly, it only had a limited effect on the lives of the Jews themselves. By the end of the nineteenth century, their integration was well advanced. Many of them enjoyed prosperity, prestige, and the pleasures of metropolitan life. This book stresses the dialectical nature of assimilation, the lead of the Jews in the processes of modernization, and, finally, their continuous efforts to 'invent' a modern Judaism that would fit their new social and cultural position.

sent to her by a high school classroom. About Anthem Anthem is Ayn Rand ' s " hymn to man ' s ego. " It is the story of one man ' s rebellion against a totalitarian, collectivist society. Equality 7-2521 is a young man who yearns to understand " the Science of Things. " But he lives in a bleak, dystopian future where independent thought is a crime and where science and technology have regressed to primitive levels. All expressions of individualism have been suppressed in the world of Anthem; personal possessions are nonexistent, individual preferences are condemned as sinful and romantic love is forbidden. Obedience to the collective is so deeply ingrained that the very word " I " has been erased from the language. In pursuit of his quest for knowledge, Equality 7-2521 struggles to answer the questions that burn within him — questions that ultimately lead him to uncover the mystery behind his society ' s downfall and to find the key to a future of freedom and progress. Anthem anticipates the theme of Rand ' s first

best seller, The Fountainhead, which she stated as " individualism versus collectivism, not in politics, but in man ' s soul. "
