The authoritative account of the rise of Amazon and its intensely driven founder, Jeff Bezos, praised by the Seattle Times as "the definitive account of how a tech icon came to life." Amazon.com started off delivering books through the mail. But its visionary founder, Jeff Bezos, wasn't content with being a bookseller. He wanted Amazon to become the everything store, offering limitless selection and seductive convenience at disruptively low prices. To do so, he developed a corporate culture of relentless ambition and secrecy that's never been cracked. Until now. Brad Stone enjoyed unprecedented access to current and former Amazon employees and Bezos family members, giving readers the first in-depth, fly-on-the-wall account of life at Amazon. Compared to tech's other elite innovators -- Jobs, Gates, Zuckerberg -- Bezos is a private man. But he stands out for his restless pursuit of new markets, leading Amazon into risky new ventures like the Kindle and cloud computing, and transforming retail in the same way Henry Ford revolutionized manufacturing. The Everything Store is the revealing, definitive biography of the company that placed one of the first and largest bets on the Internet and forever changed the way we shop and read.

Zane Larson has done everything he set out to do: conquered past demons, saved lives through his music, and toured the world as the frontman for one of the most popular rock bands in the world. This life—and an escape through music—was supposed to be everything he 's ever wanted, but after meeting Rowan, Zane 's no longer sure... Soon after her husband 's death, Rowan Dugas learned she was pregnant. With grief and uncertainty her only companions, Rowan was only able to find an escape through music; specifically Zane Larson 's hypnotic voice. But after meeting the sexy lead singer of her favorite band, Rowan can hardly believe he 's interested in her. But Zane also has a painful connection to her unborn child - Zane's brother is responsible for her husband's death. Torn between the only family she has left, and a life with Zane unlike anything she 's dared to dream about, Rowan 's decision will change her fate forever. Raw Need from New York Times bestselling author Cherrie Lynn is a heart wrenching, emotionally intense story that will leave readers breathless.

Seth and Macy Warren haven't been married long, but they have their eyes on the future. Macy is excited to start a family, while Seth debates the pros and cons of giving up their spontaneity for the potential perils of parenthood. But Macy thinks she can convince him... When he gets a chance to relive some of his past glory days by rejoining his former band onstage, though, he jumps at it. Still, she thinks she can turn the trip to his gig into some baby-making fun. Until she comes face-to-face with a part of Seth's past that she'd hoped to never deal with again. Macy knows she shouldn't have her doubts. But she also knows that when you have everything, you have everything to lose. Now on Netflix as a 4-part documentary series! " Pollan keeps you turning the pages . . . cleareyed and assured. " —New York Times A #1 New York Times Bestseller, New York Times Book Review 10 Best Books of 2018, and New York Times Notable Book A brilliant

and brave investigation into the medical and scientific revolution taking place around psychedelic drugs--and the spellbinding story of his own life-changing psychedelic experiences When Michael Pollan set out to research how LSD and psilocybin (the active ingredient in magic mushrooms) are being used to provide relief to people suffering from difficult-to-treat conditions such as depression, addiction and anxiety, he did not intend to write what is undoubtedly his most personal book. But upon discovering how these remarkable substances are improving the lives not only of the mentally ill but also of healthy people coming to grips with the challenges of everyday life, he decided to explore the landscape of the mind in the first person as well as the third. Thus began a singular adventure into various altered states of consciousness, along with a dive deep into both the latest brain science and the thriving underground community of psychedelic therapists. Pollan sifts the historical record to separate the truth about these mysterious drugs from the myths that have surrounded them since the 1960s, when a handful of psychedelic evangelists inadvertently catalyzed a powerful backlash against what was then a promising field of research. A unique and elegant blend of science, memoir, travel writing, history, and medicine, How to Change Your Mind is a triumph of participatory journalism. By turns dazzling and edifying, it is the gripping account of a journey to an exciting and unexpected new frontier in our understanding of the mind, the self, and our place in the world. The true subject of Pollan's "mental travelogue" is not just psychedelic drugs but also the eternal puzzle of human consciousness and how, in a world that offers us both suffering and joy, we can do our best to be fully present and find meaning in our lives. Unleashed Swerve

A dramatic story of WWII espionage, betrayal, and loyalty, by the #1 bestselling author of Life After Life In 1940, eighteen-year old Juliet Armstrong is reluctantly recruited into the world of espionage. Sent to an obscure department of MI5 tasked with monitoring the comings and goings of British Fascist sympathizers, she discovers the work to be by turns both tedious and terrifying. But after the war has ended, she presumes the events of those years have been relegated to the past forever. Ten years later, now a radio producer at the BBC, Juliet is unexpectedly confronted by figures from her past. A different war is being fought now, on a different battleground, but Juliet finds herself once more under threat. A bill of reckoning is due, and she finally begins to realize that there is no action without consequence. Transcription is a work of rare depth and texture, a bravura modern novel of extraordinary power, wit and empathy. It is a triumphant work of fiction from one of the best writers of our time.

[The Art of Racing in the Rain](#) A Thomas Dunne Book for St. Martin's Griffin

'A landmark in the process of decolonizing imperial Western knowledge.' Walter Mignolo, Duke University To the colonized, the term 'research' is conflated with European colonialism; the ways in which academic research has been implicated in the throes of imperialism remains a painful memory. This essential volume explores intersections of imperialism and research - specifically, the ways in which imperialism is embedded in disciplines of knowledge and tradition as 'regimes of truth.' Concepts such as 'discovery' and 'claiming' are discussed and an argument presented that the decolonization of research methods will help to reclaim control over indigenous ways of knowing and being. Now in its eagerly awaited second edition, this bestselling book has been substantially revised, with new case-studies and examples and important additions on new indigenous literature, the role of research in indigenous struggles for social justice, which brings this essential volume urgently up-to-date.

It 's Valentine 's Day, but Macy Rodgers isn 't feeling the love. Aside from a torrid, one-night fling in a backseat a few months ago, her love life has been sorely lacking. Fortunately, she has devious friends who feel like playing Cupid. Wouldn 't they be shocked to learn that the match they 've made for her is the same one that steamed up the back of that '69 GTO... Seth " Ghost " Warren has just returned to town after an extended absence. Between his grandmother 's failing health, his job as a tattoo artist, his band 's gigs, and an ex that won 't leave him alone, he 's stretched thin. Cautious cowgirl Macy is the last thing he needs thrown into the mix. She 's all country, he 's all heavy metal—and Macy knows that if anyone can propel her out of her rut, it 's Seth. But when their worlds collide, it 's anyone 's guess if they 'll survive with their hearts intact. It's not enough that Kelsey's husband left her for another woman. Oh, no. The "other woman" had to be her best friend Evan's fiancée. Not only has she lost her marriage, she fears losing Evan to the lingering awkwardness and humiliation that hangs between them. Evan has no intention of letting that happen. He's got plans...namely, an extra plane ticket to Hawaii now his future wife is out of the picture. There's only one person he wants on the trip with him, the one who's always been there for him. The one he should never have let slip away into the arms of a traitorous friend who shattered her heart. Kelsey is anticipating a week of fun in the sun with the man who's always treated her like a little sister. No one's more surprised when she discovers that Evan has seduction on his mind—and that she's more than ready for it. Love is the most powerful healing force of all. But past demons have a way of ripping open old wounds, and threatening the survival of even the strongest friendship... A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she 'll never recover. Between her parents ' arguing and the battle she 's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn 't sure a change of scenery will alter anything, but she 's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo 's beach house. Once they 're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that 's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother 's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are

committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Deadlock St. Martin's Press

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is. *The Price of Peace* Createspace Independent Pub

"In the early 1990s, a small group of "AIDS denialists," including a University of California professor named Peter Duesberg, argued against virtually the entire medical establishment's consensus that the human immunodeficiency virus (HIV) was the cause of Acquired Immune Deficiency Syndrome. Science thrives on such counterintuitive challenges, but there was no evidence for Duesberg's beliefs, which turned out to be baseless. Once researchers found HIV, doctors and public health officials were able to save countless lives through measures aimed at preventing its transmission"--

Unbroken (Movie Tie-in Edition) Entangled: Select Contemporary

#1 NEW YORK TIMES BESTSELLER • The incredible true story of survival and salvation that is the basis for two major motion pictures: 2014 's *Unbroken* and the upcoming *Unbroken: Path to Redemption*. On a May afternoon in 1943, an Army Air Forces bomber crashed into the Pacific Ocean and disappeared, leaving only a spray of debris and a slick of oil, gasoline, and blood. Then, on the ocean surface, a face appeared. It was that of a young lieutenant, the plane 's bombardier, who was struggling to a life raft and pulling himself aboard. So began one of the most extraordinary odysseys of the Second World War. The lieutenant 's name was Louis Zamperini. In boyhood, he 'd been a cunning and incorrigible delinquent, breaking into houses, brawling, and fleeing his home to ride the rails. As a teenager, he had channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics and within sight of the four-minute mile. But when war had come, the athlete had become an airman, embarking on a journey that led to his doomed flight, a tiny raft, and a drift into the unknown. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, a foundering raft, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. In her long-awaited new book, Laura Hillenbrand writes with the same rich and vivid narrative voice she displayed in *Seabiscuit*. Telling an unforgettable story of a man 's journey into extremity, *Unbroken* is a testament to the resilience of the human mind, body, and spirit. Praise for *Unbroken* " Extraordinarily moving . . . a powerfully drawn survival epic. " —The Wall Street Journal " [A] one-in-a-billion story . . . designed to wrench from self-respecting critics all the blurbby adjectives we normally try to avoid: It is amazing, unforgettable, gripping, harrowing, chilling, and inspiring. " —New York " Staggering . . . mesmerizing . . . Hillenbrand 's writing is so ferociously cinematic, the events she describes so incredible, you don 't dare take your eyes off the page. " —People " A meticulous, soaring and beautifully written account of an extraordinary life. " —The Washington Post " Ambitious and powerful . . . a startling narrative and an inspirational book. " —The New York Times Book Review " Marvelous . . . *Unbroken* is wonderful twice over, for the tale it tells and for the way it 's told. . . . It manages maximum velocity with no loss of subtlety. " —Newsweek " Moving and, yes, inspirational . . . [Laura] Hillenbrand 's unforgettable book . . . deserve[s] pride of place alongside the best works of literature that chart the complications and the hard-won triumphs of so-called ordinary Americans and their extraordinary time. " —Maureen Corrigan, *Fresh Air* " Hillenbrand . . . tells [this] story with cool elegance but at a thrilling sprinter 's pace. " —Time " *Unbroken* is too much book to hope for: a hellride of a story in the grip of the one writer who can handle it. " —Christopher McDougall, author of *Born to Run*

Decolonizing Methodologies Ballantine Books

Centuries of heartbreak. Grinding failures punctuated by too-few victories. What angel in her right mind would want this job? Celeste, who 's driven to save Devil-contracted souls before Hell can claim them, is weary but not beaten. Yet. Her latest case makes her wonder if it 's all worth the anguish. A demon enticed a too- young musician into selling his soul for fortune and fame. To make matters worse, that demon is Damael, an insufferable, frightening minion with airtight contracts—and a body that makes her long for sin. Damael 's always had a soft spot for Celeste, but if his bored superiors want drama, he 'll give them drama. Though it pains him to trick the angel he wants with all his black heart, eons of restrained lust win out. He makes the deal: her body in exchange for the human 's soul. She wasn 't supposed to accept. Damael can 't be trusted, but with the deadline bearing down, Celeste lays everything on the line in a last-ditch effort to save just one precious soul. Even if it means losing hers—along with her heart.

The Last Field Party Penguin

NOW A MAJOR MOTION PICTURE The #1 New York Times bestselling worldwide sensation with more than 15 million copies sold, " a painfully beautiful first novel that is at once a murder mystery, a coming-of-age narrative and a celebration of nature " (The New York Times Book Review). For years, rumors of the " Marsh Girl " have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life—until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Delia Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.
