Many Christians believe we are living in both the most exciting and also the most precarious worldwide state of affairs in all of history as God is moving to bring the ages to a close. Therefore it is imperative and even critical for God's people to place themselves in a position to hear what He is speaking and directing us to do in these times. From the beginning of time, dreams have been a major way that God speaks to His people, therefore it is important for us to understand the messages in the dreams that He gives us. Because dreams and visions are filled with symbolic language it is essential to properly interpret what the symbols mean, if we are to understand the message God is communicating to us through our dreams. There are many excellent Christian teachings on dream interpretation, and rather than bring forth material that is already available, my desire instead is to place in your hands over 2400 symbols, with most of them having a multitude of meanings; to assist and train you in unlocking the mysteries of not only your dreams, but also the dreams of others. Since it is God's voice alone we want to hear and understand, we have no interest in knowing how the world that is out of touch with God interprets dream symbols. Every interpretation must be God derived; otherwise we will not be receiving the truth of what He desires us to know. For that reason, the overwhelming majority of the symbol meanings found in this book are derived from the Bible; with the remainder sourced from tested Christian dream courses, teachers, and from interpreting the dreams of Christians. God desires you to know what He is speaking to you, so be encouraged that with the help of this book, you will be able to unlock the meanings and messages of your dreams. For anyone planning a dream golfing vacation to Ireland, Trolleys and Squibs is the most comprehensive guidebook in the market. Frustrated by sketchy guidebooks while on a golfing tour, authors Louise and Rick Miracle decided to compile their own definitive guide to Irish links. In addition to its practical travel tips, this book offers insightful essays -- including several by leading figures in Irish golf -- that explain the history

and particular character of golfing in Ireland. Vacation planners will especially love the book's extensive, geographically balanced coverage of individual golf courses, presented by way of two whimsically named lists. The Trolleys List contains thorough summaries of 153 courses, including small maps and directions for getting there, scorecard data, descriptions of each course's layout and club facilities, and recommendations on local restaurants and hotels. The Squibs List offers basic information -- addresses, phone numbers, brief descriptions -- about 138 additional golf courses. With Trolleys and Squibs, you can plan a detailed itinerary and make your reservations, even before landing on Irish shores (though armchair travelers as well will gain immense enjoyment from the colorful portraits of the courses and countryside).

Hearing God Through Your Dreams Unlocking Your Dreams Wall Street Journal Bestseller Publishers Weekly Bestseller We all know the world has changed dramatically in the 21st century. The opportunities that defined past generations and steered their course through life (aka "The American Dream") just aren't out there for us anymore. Today, 54% of college graduates regret choosing to invest in a degree, over 70% of Americans detest their jobs (part of why they change jobs every 20 months on average), and 2 out of 3 of Americans will never be able to stop working and retire. But what are we supposed to do? Is there an alternative to the "system of systems" we live in: school, college (debt), job, different job, more different jobs, 401K/pension, retire (hopefully but probably not)? And if there is an alternative can it really work for everyone regardless of where they currently are in the system? Is there something else out there that works equally well for the 18-year-old deciding whether or not to go to college, the 45-year-old questioning his/her career path, the 65-year-old who is way short of being able to retire, and anyone else feeling dazed and confused in the modern world? In Unlock Your Potential, author and entrepreneur Jeff Lerner answers those questions with a resounding YES! He shows readers how the failings of our education, employment, and retirement systems have opened doors most people didn't even know exist. And, most important, he'll show YOU how to step through those doors—where they exist, how they work, what it takes to go through them, and what's on the other side. Jeff is the founder and Chief Vision Officer of ENTRE Institute, the world ’ s fastest growing education company and the first institute of higher learning dedicated to entrepreneurialism. Now, he is sharing his story and lessons learned from his own rags-to-riches journey from a broke musician to a \$100 million entrepreneur. I have received many helpful messages from God through dreams. This problem is addressed in three different ways: • Specific, detailed directions are given on how and upon what to meditate. • Personal examples of dreams from the author ’ s own experiences. • Practical dictionary of symbol definitions is included. This book presents both normal and not-so-normal dream situations. "The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, The Roar: God's Sound in a Raging World; Future Perspectives, New Haven, Connecticut

#1 NEW YORK TIMES BESTSELLER • Bren é Brown has taught us what it means to dare greatly, rise strong, and brave the wilderness. Now, based on new research conducted with leaders, change makers, and culture shifters, she ’ s showing us how to put those ideas into practice so we can step up and lead. Don ’ t miss the five-part HBO Max docuseries Bren é Brown: Atlas of the Heart! NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Leadership is not about titles, status, and wielding power. A leader is anyone who takes responsibility for recognizing the potential in people and ideas, and has the courage to develop that potential. When we dare to lead, we don ’ t pretend to have the right answers; we stay curious and ask the right questions. We don ’ t see power as finite and hoard it; we know that power becomes infinite when we share it with others. We don ’ t avoid difficult conversations and situations; we lean into vulnerability when it ’ s necessary to do good work. But daring leadership in a culture defined by scarcity, fear, and uncertainty requires skill-building around traits that are deeply and uniquely human. The irony is that we ’ re choosing not to invest in developing the hearts and minds of leaders at the exact same time as we ’ re scrambling to figure out what we have to offer that machines and AI can ’ t do better and faster. What can we do better? Empathy, connection, and courage, to start. Four-time #1 New York Times bestselling author Bren é Brown has spent the past two decades studying the emotions and experiences that give meaning to our lives, and the past seven years working with transformative leaders and teams spanning the globe. She found that leaders in organizations ranging from small entrepreneurial startups and family-owned businesses to nonprofits, civic organizations, and Fortune 50 companies all ask the same question: How do you cultivate braver, more daring leaders, and how do you embed the value of courage in your culture? In this new book, Brown uses research, stories, and examples to answer these questions in the no-BS style that millions of readers have come to expect and love. Brown writes, “ One of the most important findings of my career is that daring leadership is a collection of four skill sets that are 100 percent teachable, observable, and measurable. It ’ s learning and unlearning that requires brave work, tough conversations, and showing up with your whole heart. Easy? No. Because choosing courage over comfort is not always our default. Worth it? Always. We want to be brave with our lives and our work. It ’ s why we ’ re here. ” Whether you ’ ve read Daring Greatly and Rising Strong or you ’ re new to Bren é Brown ’ s work, this book is for anyone who wants to step up and into brave leadership.
