Since the middle ages, Persia has produced more great poets than any other country in the world. Sir William Jones about two hundred fifty years ago, in his introduction on Hafez, wrote, "...At Oxford there is a manuscript containing the lives of a hundred and twenty-eight of the finest Persian poets," of these, according to Iranians, the fourteenth century poet, Hafez, is their last, greatest, and the most beloved of all; even though, Persia has had poets like Sa'di, Khayyam, Ferdosi, Nezami, and Rumi to boast about! (Iranians take Rumi as a Persian.) They also consider Hafez as their most difficult poet to understand. One may ask, how could such a difficult poet be so popular among people of all walks of life? No Hafez scholar, heretofore, has directly addressed, or adequately answered this question! In this book, the author, for the first time, raises and answers this question by bringing convincing examples from different parts of the divan. Another unique aspect of this book is in the fact that the author has interpreted some couplets entirely different than what other commentators have done, and sometimes, the

opposite of theirs! Still another difference that we find in this book is the sequence of the couplets in some ghazals. The author, in order to find the natural unity of the poems, he has arranged a new sequence for the couplets. Something that is lacking in all available divans. The translations are accurately and charmingly done in the form of uni-rhymed ghazal, and each one is preceded by the original, and followed by a commentary, something that has never been done before. This book is written for English-speaking people who wish to know Hafez, especially, the siblings of the Iranians in diaspora, whose children have heard the praise of Hafez from their parents, but are unable to read him in Farsi. It is for them to read him in English and put to test the judgment of their parents.

Journey Back in Time Simon & Schuster Books for Young Readers

A collection of never-before-translated poems by the widely beloved medieval Persian poet Rumi. Rumi (1207-1273) was trained in Sufism--a mystic tradition within Islam--and founded the Sufi order known to us as the Whirling Dervishes, who use dance and music as part of their spiritual devotion. Rumi's poetry has long been popular with contemporary Western audiences because of

---

the way it combines the sacred and the sensual, describing divine love in rapturously human terms. However, a number of Rumi's English translators over the past century were not speakers of Persian and they based their sometimes very free interpretations on earlier translations. With Western audiences in mind, translators also tended to tone down or leave out elements of Persian culture and of Islam in Rumi's work, and hundreds of the prolific poet's works were never made available to English speakers at all. In this new translation -- composed almost entirely of untranslated gems from Rumi's vast oeuvre -- Brad Gooch and Maryam Mortaz aim to achieve greater fidelity to the originals while still allowing Rumi's lyric exuberance to shine.

Rumi- Unseen Poems - the second volume of Rumi

in the Everyman Pocket Poet series - is a treasury of poems which have never been translated before, researched and translated by Rumi biographer Brad Gooch and the Iranian writer Maryam Mortaz. The thirteenth-century Persian poet Rumi was trained in Sufism, a mystic tradition within Islam. He founded the Mevlevi Order, often known as the Whirling Dervishes, who use dance and music as part of their spiritual devotion. His poetry combines the sacred and the sensual, expressing both rapturous divine love, and aching human love for his companion and teacher, Shams of Tabriz. It has long been popular in the West, never more so than in the last twenty-five years, when a new wave of free translations introduced him to an ever-widening audience. However, some of these recent translations have been more in the nature of interpretations by writers who are not Persian speakers. Cultural and Islamic references central to an understanding of Rumi's poetry have been toned down or omitted. And so vast was Rumi's output that earlier scholarly translators were obliged to be selective, leaving a rich vein of verse still unmined. From this Gooch and Mortaz have made a selection of ghazals (short lyric poems) and rubaiyat (quatrains), aiming in their own translations to achieve fidelity to the originals while preserving all Rumi's lyric exuberance. This

book makes a perfect companion to the first Everyman volume of Rumi, which presents the very best of the twentieth-century translations. *GCSE English Literature for AQA Poetry Student Book* Faber & Faber

Malin Pereira's collection of eight interviews with leading contemporary African American poets offers an in-depth look at the cultural and aesthetic perspectives of the post-Black Arts Movement generation. This volume includes unpublished interviews Pereira conducted with Wanda Coleman, Yusef Komunyakaa, Thylia Moss, Harryette Mullen, Cornelius Eady, and Elizabeth Alexander, as well as conversations with Rita Dove and Cyrus Cassells previously in print. Largely published since 1980, each of these poets has at least four books. Their influence on new generations of poets has been wide-reaching. The work of this group, says Pereira, is a departure from the previous generation's proscriptive manifestos in favor of more inclusive voices, perspectives, and techniques. Although these poets reject a rigid adherence to a specific black aesthetic, their work just as effectively probes racism, stereotyping, and racial politics. Unlike Amiri Baraka's claim

in "Home" that he becomes blacker and blacker, positioning race as a defining essence, these poets imagine a plurality of ideas about the relationship between blackness and black poetry. They question the idea of an established literary canon defining black literature. For these poets, Pereira says, the idea of "home" is found both in black poetry circles and in the wider transnational community of literature. A Sarah Mills Hodge Foundation Publication. One of the most gifted poets of our time, Adam Zagajewski is a contemporary classic. Few writers in poetry or prose have attained the lucid intelligence and limpid economy of style that are the trademarks of his work. His wry humor, gentle skepticism, and perpetual sense of history's dark possibilities have earned him a devoted international following. This collection, gracefully translated by Clare Cavanagh, finds the poet returning to the themes that have defined his career—moving meditations on place, language, and history. *Unseen Hand* is a luminous meeting of art and everyday life.

'We should write because it is human nature to write' Julia Cameron In *The Right to Write*, Julia Cameron's most revolutionary book, the author asserts that conventional writing wisdom would have you believe in a false doctrine that stifles creativity. This isn't a book of rules and certainly not about how to write that query letter, how to find a market for your work, or how to find an agent. It's about using writing to bring clarity and passion to the act of living. The secrets in breaking loose from the grip of your established thought process, to unleash the wave of creativity striving to express itself within. Here are techniques and illustrative stories to help you make writing a natural, intensely personal part of life. And this book includes the details of Cameron's own writing processes when creating her best selling books, which include the phenomenal and world famous *The Artist's Way* and *Vein of Gold*. For those jumping into the writing life for the first time and for those already living it, the art of writing will never be the same after reading this book. Provocative, thoughtful and exciting,

This book explores, and problematizes, what it means to be 'critical' in education research. Drawing together chapters from diverse global perspectives, this volume aims to stimulate dialogue about possible meanings of criticality in education research. In doing so, they question why criticality has become such an essential part of education, and what researchers expect of it. The book opens up and contests some of the deficiencies of criticality in education research: ultimately it is not a global term, but often creates a false binary between East and West. Offering an alternative trajectory to educational narratives surrounding criticality, this book will be of interest and value to scholars of critical pedagogy and comparative education.

**Philadelphia, Here I Come!** Faber & Faber

I guess it was around two years ago that I came

---

across a gold mine where the only digging to be done was turning the page. That is correct! It was a gold mine of words, original unseen poetry, inside two yellow-stained, old diaries that date between 1850 and 1893. I started reading the diaries and found myself back in time; I was walking with them, seeing what they saw, feeling what they felt, and meeting the queen. Because I am an avid lover of poetry and because of the way I felt after reading the diaries, I decided I had to share the gold with everyone. So here we are, two years later: Journey Back in Time, Volume 2 of 3. Each volume will hold over one hundred poems each. I want you to feel how they felt, see what they saw, hear what they said, live where they lived. So, as soon as you open the book to the first page, be ready. You might cry, you might laugh, you will be sad, and you will be happyvery religious timesbut together well go on a journey. A Journey Back in Time, Volume 2 of 3: Unseen Poetry from the 19th Century. The words are kept in their original format from the diaries, and misspellings are the same as in the original. I did not want to take anything away from the words or feeling they wanted us to hear by making corrections. What you will be reading is the original diary format. This is how they talked and wrote back then.
